- Meet in the gym to learn about Mapleview

6:15 - 7:00  Student Led Classroom Visits
- In the Homeroom classes you will learn about:
  - Resources to help at home
  - Technology resources used both at school and home
  - Other great work your child is taking part in
- Specials classrooms will be available to learn about what is offered to students.

K-KIDS SECRET SERVICE CLUB

The K-Kids Secret Service Club is a community service club at Mapleview. K-Kids is a part of the Kiwanis Club which links Key Club (at KHS) with us.

Most of our activities will be done in smaller groups based on interest and as space allows. Students usually are placed in 2-3 activities for the first semester, in addition to the 2 large group activities listed on the bottom. On the back of this permission form are the activities, dates and times for the first half of the year. **Be sure your complete BOTH SIDES OF THIS FORM correctly** so students are matched in their desired activities. There are limited spots in each activity.

Two of our group activities will need parent volunteers. This includes our leaf raking and bell ringing events. If you would like to help with one or both of these events, parents should indicate their interest where asked on the other side of this form. **Parents who volunteer will need to have a background check form on file with the district.** If you volunteer, I will let you know if you need to fill out this form or if we already have one on file.

To participate in Secret Service, please fill out the permission form below and return it to the school office or your child’s homeroom teacher by Wednesday, September 20. Late forms may not be accepted if activities are full.

**Emergency Medications:** Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

What’s The Counselor Corner?
The “Counselor Corner” is a place to get the latest info on what is happening with the counseling department. Here, you can learn about what is happening in classroom guidance with your child, what groups are going on or starting up, special announcements, community workshops, or other helpful information I would like families to know about. In the future, look for the “Counselor Corner” in a section of the monthly school newsletter.

About Mrs. Dietzler
This is my 13th year in Kimberly as a school counselor. I grew up in the area and graduated from Kimberly High School. I earned my MS in Educational Psychology, emphasizing in School Counseling, from UW-Milwaukee. Prior to my school counseling days, I worked at Family Services in Green Bay as a Youth Outreach Worker and then in the Day Treatment Program as a Counselor/Case Manager and then Program Manager.

Along with being the school counselor at Mapleview, I am also a coordinator for the Secret Service club and help coach some intramurals.

On a more personal note, my husband and I live in the district and together we raise our three children Jordan (age 12), Isaac (age 9) and Chloe (age 6). When not at school, I enjoy camping, watching my children in all of their activities, and spending time in the outdoors.

This time of year is always exciting for me as I look at the year ahead. I really enjoy getting to know the students, watching them develop as a person and assisting them with the various challenges that they face. It is exciting for students as well but can prove to be a stressful time for some. Please feel free to contact me if you have any concerns as your child transitions into the school year. I look forward to meeting and working with ALL the families of Mapleview!
We are busy getting to know all of our new students at Maplevie!

**“Getting To Know” Groups:** During the first couple of weeks of school, I invite small groups of 5th grade students to my office for a “getting to know you” group. This helps students familiarize themselves of where my office is, learn about my role at Maplevie, get to know a few classmates better and helps the students connect with an adult at school they can trust with concerns they might have. All 5th grade students are invited into a group.

**“New Student” Groups:** Fifth AND SIXTH grade students who are new to the district are also invited to participate in a small group specifically designed for new students. We meet 2-3 times early in the year to discuss their transition to their new school.

**5th Grade Team Field Trip:**  Fifth graders go on a field trip with their team of classrooms (all upstairs or all downstairs homerooms) for a fun day of team building and problem solving at a low ropes course in DePere. This is a great time for students to get to know their classmates a bit better and also learn valuable lessons about communication and problem solving that we build on during classroom guidance lessons.

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability (“Protected Classes”) in any of its student program and activities.
School Counseling Program Mission Statement
The mission of the KASD School Counseling Program is to enhance student achievement. School counselors help all students become responsible, self-motivated citizens who are prepared for the challenges of a rapidly changing society.

Small Groups
In addition to classroom guidance, there will be the opportunity for students to participate in various groups based on the individual needs of the students. Parents, students or teachers may refer student to groups. Some groups which may be offered discuss topics such as: friendship, divorce, building confidence, dealing with feelings of worry, or working with others. Groups typically meet one time per week for 4-8 weeks. Other groups may begin if a need arises. All students are welcome to participate in small group. If you would prefer that your child not participate in small group, please contact me.

Chomp and Chatter
Chomp and Chatter lunch groups are offered about once per week for students who wish to eat lunch with me in my office. These groups have no set topic and are open to everyone. Students like to get out of the lunch room for a day and hang out with friends in the relaxed setting. Students can sign up with current friends or sign up on a day to meet new friends. Everyone still enjoys their recess time outside.

The Clothes Locker
Mapleview is pleased to share with ALL families, items in our Clothes Locker. The Mapleview Clothes Locker is located upstairs near the gym and is open during school hours or by appointment. This is a place at school you can come to and pick out clothing items that your family needs. All items are FREE to Mapleview families and currently we are fully stocked with clothes for the whole family! Although general donations are not needed at this time, we will always except donations of shoes, boots and snow pants. THANK YOU!!
Music at Mapleview

Dear families of Mapleview Students,

In order to fulfill the desire of those students who would like an opportunity to sing more, Mapleview offers an after school chorus that allows members to learn what it’s like to sing in a choir and have fun doing so! I encourage anyone who likes to sing to come and see what choir is all about!

The choir will split into three sections- each meeting once per week. Girls (5th and 6th grade) will have the choice of two meeting days, either Mondays or Thursdays. All boys (5th and 6th grade) will meet on Tuesdays. Each day’s rehearsal runs from 3:00pm to 3:45pm. Once a day has been chosen, it is very important the singers are able to make it to rehearsal that day each week. If a student would like to participate in another intramural, we can work with them to be involved in multiple activities.

Rehearsals will begin the last week of September (25, 26 & 28). There will be a full choir dress rehearsal on Monday, December 11th and then the Winter Choir shares their songs at a concert at Mapleview on December 12th, with the 5th grade and mallet ensemble. Winter Choir will also be participating in the Kimberly Area Schools Choral Festival at Lawrence University Memorial Chapel on February 9th. More information about that performance will be given.

In order to ensure great success at our performances, the members will need to be committed to the rehearsal they chose. There will only be 11 rehearsals plus a dress rehearsal before the first concert at Mapleview, so time will fly by quickly! Please return the last page of this letter to Miss Pohlman by Friday, September 22nd if you are interested in participating. If you have any questions, please contact me at apohlman@kimberly.k12.wi.us or (920)788-7910 ext. 2320.

Families of 5th grade students,

To show the songs we will be learning throughout the first semester of the school year, the 5th grade class will be singing at the concert on December 12th. More information will be given out about times and attire as the concert gets closer. During this concert, students are expected to have good concert etiquette and perform the way we have been practicing in class. If you have any questions, please contact me at apohlman@kimberly.k12.wi.us or (920)788-7910 ext. 2320.

Musically yours,
Ms. Alison Pohlman

Dear Parents,

We are excited to announce that we will be leading our current 4th and 5th grade students on a once-in-a-lifetime educational tour, "Dominican Republic Highlights." We'll explore famous historic sites, discover the rich heritage and diversity of different cultures, and experience the places we've studied in class. Students will grow and mature as individuals and return home with a whole new worldview.

Please read the enclosed materials and join us at the informational meeting on Monday, October 2nd at 6:30 P.M. in the Mapview LMC to learn more. During the meeting, we will discuss the benefits of intermediate travel, our experiences during previous intermediate trips abroad, the itinerary, safety, fundraising options available, cost, what is included, and how to apply. If you have questions, please do not hesitate to contact us directly.

We hope to see you there!

Sincerely,

Emily Berndt
