Putting the Pieces Together

**J.R. GERRITTS
MIDDLE SCHOOL**

**Comprehensive School
Counseling Program**

By All For All

Program Features

- We work with 100% of the students in grades 7-8.
- 8th grade student/parent/counselor conference.
- The School Counseling Curriculum content is delivered to all students through health and core classes.
- Our curriculum is based on the Wisconsin School Counseling and the American School Counseling Association standards.

Program Advantages

- Focuses on academic success for all students.
- Prepares all students to succeed in:
 - Academic Development
 - Career Development
 - Personal/Social Development
- Provides counselors the opportunity to collaborate with parents, teachers and members of the community to benefit all students.

By ALL For ALL

- A comprehensive school counseling program supports our students by involving families, schools, and our community in helping children succeed.
- 100% of students in school participate in the program.

Our Comprehensive School Counseling Program Supports KASD's

Community Values

- Respect
