Greetings from Kimberly High School,

It has been a great start to the 2018-19 school year here at Kimberly High School! The positive energy from students and staff has been evident throughout our school. We take great pride in ensuring our students have a safe, welcoming, supportive, and academically rigorous experience at KHS. In addition, we are truly fortunate to have such a supportive community who values education. Thank you!

Here are a few updates:

- First, thank you for your help in preparing your student(s) for the start of the school year. Our students have been actively engaged in learning from the first day of school, and we appreciate your help and support in making sure they have the resources and support they need to be successful at KHS.
- Each grade level had a class meeting on September 17th. These meetings provided a great opportunity for our students to get to know the new administrative team. Here is the information that was shared with our student body. KHS Class Meetings 2018-19
- We held our first advisory day for Academic and Career Planning (ACP) in mid-September. The end goal for our ACP program is to ensure students have an individualized post-high school plan. Our staff shared their individual stories as examples of the importance of having a plan and thinking about the future. All staff stories are posted in their classroom as well as outside our student services office.
- The Kimberly Area School District’s Plan for Excellence outlines the importance of ensuring each of our students’ academic, social, and emotional needs are being met. The 4 areas include:
  - Developing Problem Solvers
  - Raising Achievement
  - Preparing Students for College, Career, and Life
  - Promoting Social and Emotional Well-Being

These four areas will guide our work as a high school. We look forward to a great year ahead!

With great Papermaker Pride,

Jackie Schleicher
Principal

Collin Van Cuyk, a senior at Kimberly High School, has been named a semifinalist in the 2019 National Merit Scholarship Program! This talented high school student has an opportunity to continue in the competition for scholarships worth about $31 million that will be offered next spring. National Merit Semifinalists are selected based on their excellent performance on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Great job to Collin for pursuing excellence in academics!

The Darboy Kiwanis Club and the Times Villager announce the KHS Student of the Month.

Parent Teacher Conference Information for October 1, 2018

This information was sent out on September 25th. This is a reminder notice.

1. Go to www.myconferencetime.com/kimberlyhs
2. Click on the folder that says Parent Teacher Conferences October 2018.
3. Click on the name of your child’s teacher.
4. Select the desired time for your conference by clicking on “Sign Up.”
5. Submit the requested information.

If you have several children attending our school, click on “Register for Multiple Conferences” (red banner) and follow the prompts to schedule your children for several conferences. Please allow adequate time to move from room to room. Remember that the school is large with three levels. Talk with your student to obtain their schedule or look at it on Infinite Campus. Any rooms that begin with a 0 are on the ground level of the High School. First floor rooms begin with a 1 and second floor rooms with a 2. Music rooms are independent of the three levels of classrooms and are located near the main entrance. To save time you may want to schedule your conferences by floors. Remember we have 10 minute passing periods during the school day so our students can move between classes with ease so please plan this time for yourself. A suggestion would be that if you have to go from room 0042 to room 2011 you should plan on 7 or so minutes for travel time. Obviously scheduling 2 times on the same floor would only need a few minutes.

If you feel you will need more than the 5 minutes that are allocated for conference time please communicate with the teacher to set up a longer conference.

Friday, October 5

Bring in your original picture packet to qualify to have a retake done.

The photographers will be set up in the commons as you come into school in the morning. We will also make an all call during 1st block to remind students to come down for picture retakes.

**FVTC Open House**

On **Tuesday, October 2, 2018 from 3-7 p.m.** the Appleton Campus will be hosting a Community Open House. No need to RSVP! Save $30 if you apply for admission during the Open House the fee will be waived. You will get to visit with faculty & current students and get a first-hand look at their high-tech labs & classrooms.

**NEW Process**

**Schedule Changes for Second Semester**

The schedule change window has **closed**. The only changes that will be considered for second semester are for medical purposes, an error in a student’s schedule, a placement issue or a teacher recommendation.

**Scholarship, Transcripts and Letters of Recommendations**

Please plan ahead when applying for scholarships. Apply as early as possible and allow the counselors a minimum of three days to complete any evaluations. Some evaluations are quite lengthy and require a great amount of time to complete. Transcript requests for college applications must be made on Parchment website at: [www.Parchment.com](http://www.Parchment.com). We will be happy to print you a copy of transcripts that are necessary for scholarship applications. When requesting letters of recommendation, please allow a minimum of 2 weeks for completion of your letters. **It is your student’s responsibility to mail scholarship applications and to meet the deadlines.**

**College Goal Wisconsin**

Receive FREE on site assistance completing your FAFSA! **On October 3, 2018 from 6-8 p.m.** at the Fox Valley Technical Campus located on 1825 N. Bluemound Drive, Appleton location Room HS210 (park in east lot, use entrance 17).

The FAFSA is the form students need to complete each year to be considered for grants and loans to help pay for college.

**What to Bring:**

You will need the following items in order to complete your 2018-19 FAFSA. If you are considered a dependent student for financial aid purposes, you will also need these items for your parent(s).

- 2017 Federal Tax Return and W2s
- 2017 Untaxed Income Records, such as child support or veteran’s non-education benefits
- Information on savings, investments, business assets and farm assets (if applicable)
- Cell phone (if you have one)
- Driver’s License (if you have one)
- Social Security Number
- Alien Registration Card or Permanent Resident Card (if you are not a U.S. citizen)
- Date of birth for parent(s)
- Month and year of parents’ marriage, divorce or separation

**Student Safety Concerns: After School Hours**

Students may encounter a situation where they have a concern about a friend after school hours. An example of this may be that a student shares with your son/daughter on social media or via text that they are struggling and are having self-harm/suicidal thoughts. Your student then shares with a parent/guardian the situation. You may ask, “What do I do to help in this situation”? Below are some resources for you to utilize to get the student help. When someone makes a call to the below numbers, a dispatcher will take the information you have and will send an officer to the home to do a well-check.

**Sign-up to Attended a Financial Aid/College Planning Presentation on October 29th**

Need Help with planning to pay for college? Then you may want to attend Thrivent’s College Planning Strategies Workshop for Parents & Students at Kimberly High School. This workshop is open to all grade levels, but will be most appropriate for grades 10-12. This workshop will help to address parent/student questions regarding the steps to take when planning for your future. Topics will include: Financial Aid, School selections and the Admissions Process to name a few.

- College Planning Strategies Workshop ~ October 29th ~ Registration begins at 5:30 and the Program starts @ 6 PM in the LGI at KHS. Click here to SIGN-UP.

You need to have a google account to access our online registration for this event. If you do not have an account, you may also contact our Student Services Office and register via phone 423-4162.
September 24, 2018

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state’s student assessment system. Since that time, those changes have remained consistent and include:

- ACT Aspire Early High School Assessment - grades nine and ten
- ACT and ACT WorkKeys - grade eleven
- Wisconsin Forward - grade ten

The ACT Aspire Early High School Assessment will cover five subject areas for students in grades nine and ten: reading, math, writing, language arts, and science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes from April 8th - 12th. Students in grade ten will test on April 24th and 25th during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a social studies test, that will be administered by computer as part of our modified schedule on April 25th.

In addition, every junior in the state of Wisconsin is required to take the ACT and WorkKeys assessments. This year, those tests will be held on February 20th and 21st. All juniors will report on those dates for the testing schedule. One significant change from last year is that juniors will be the only class to report on February 20th. Grades 9, 10, and 12 will not report on February 20th but will follow the modified school schedule on February 21st.

Please note the modified school schedules listed on the next page for important dates regarding spring assessments. If possible, please avoid these dates with scheduled absences for your student.

Additional information about the ACT Aspire Early High School Assessment and Wisconsin Forward Exam will be shared as the spring assessment dates get closer.

More information for families is available from the Wisconsin DPI by clicking here. If you have questions about any of our state assessments for the year, please do not hesitate to contact me.

Sincerely,

Kaaren Weyers

Kimberly High School has decided to once again participate in the Pre ACT and Aspire Interim Assessment packages this fall. Each spring, students in grades nine, ten, and eleven participate in the ACT package of high school assessments, whether that be the Aspire Early High School Assessment for freshmen and sophomores or the ACT for juniors. In order to help students prepare for these important assessments and provide additional achievement data to our staff, students will take the Pre ACT and Aspire Interim assessments the week of October 22nd.

Freshmen will take the Aspire Interim tests within their English classes throughout the week of October 22nd. Sophomores and juniors will report to KHS on Tuesday, October 23rd at the regular start time of 7:40 for the testing. The building schedule for October 23rd is below. A second round of buses will run 3.5 hours later to deliver freshmen and seniors.

**Tuesday, October 23rd** All Sophomores and Juniors report in the AM
Buses for all other students will run 3.5 hours later than the first bus run

Peru Trip, Summer of 2018

Bright and early on June 5, a group of students that took Spanish classes met in the Kimberly High School parking lot for their Peru trip, for which we had all been excitedly waiting! After a bus drive to the O’Hare airport, a connecting flight to Panama, we landed in Lima, Peru! The next day, we flew to Cusco, where we stayed with host families and visited many cool things, including the Sacred Valley, Sacsayhuaman, Coricancha, and Machu Picchu. My personal favorite day was when we played with students at a school and gave them materials. Their passion to learn, despite having to walk through mountains for two hours everyday, was inspiring. After being in Cusco for seven magnificent days, we returned to Lima for the last day, where we explored the city and a gorgeous cathedral. The long journey home was bittersweet; we all knew the trip we longly anticipated for was over, but we were forever positively changed. We made so many bonds with our host families and with each other. We became more confident in our Spanish-speaking abilities, and we became more open-minded, flexible, and hopeful. So, gracias Peru.

HOSHA HAPPENINGS

LAST MONTH:

Kimberly HOSA — Future Health Professionals is off to a great start this school year! We had our booth at the Activity Fair and saw many faces, both new and returning, and we’re excited for what we have planned in the coming months. We have also held our Pass the Torch training sessions where over 40 HOSA members were CPR certified, so we can continue our quarterly service project where we go to JRG Middle School and teach the 7th and 8th grade students Hands-Only CPR.

UPCOMING THIS MONTH:

This month, we will be having our Vision Screening training. Once a year, HOSA goes to local elementary and middle schools to help test the vision of the kids there. Students who wish to participate must attend one training session and pass competency testing in order to participate. We will be going to schools within the district the week of Oct. 15-19th and Oct. 23rd. Students can choose which schools/dates they would like to help out with.

We also have a float in the Homecoming Parade. HOSA members can walk in the parade and hand out candy. We will have a Gold Cross Ambulance with us as well.

Our first Pass the Torch Hands-Only CPR session is also this month. Students who participated in the training sessions last month will be able to go to JRG and teach their skills to the 7th and 8th graders. There are time slots throughout the day that members can sign up for.

EVENTS:

Oct. 3 — Vision Screening Training

Reality Store 2018
Tuesday, November 13, 2018
7:30 a.m. – 12:00 p.m.

The Kimberly High School Business & Marketing Department, in partnership with Capital Credit Union, will be hosting our 10th Annual Reality Store on November 14.

What is the Reality Store?
Reality Store is a financial simulation where high school students choose careers and make decisions about their budgets and lifestyles. The activity is a fun and effective way for students to learn about personal accounting, financial responsibility and life choices while interacting with business people.

How can you help?
On the day of the event, November 13, we are in need of approximately 60 parent and community volunteers to staff the booths. Each volunteer will be stationed at one of the Reality Store booths where they will be selling students a particular product or service—no experience necessary!

Please sign up to volunteer before October 26 at https://tinyurl.com/KHSRealityStore2018.

Dear Kimberly Area School District Families,

We are committed to promoting the social and emotional well-being of our students. By working together with United Way’s PATH (Providing Access to Healing) for Students, we are now able to provide the opportunity for school-based counseling services to students in 5-year-old kindergarten through 12th grade. New for this year - services have been expanded to be available to students younger than seventh grade. We believe this will fill an important need for some students and families.

The United Way’s PATH for Students is a partnership between United Way Fox Cities, Catalpa Health, Family Services of Northeast WI, Inc., Lutheran Social Services of Wisconsin and Upper Michigan, and the Kimberly Area School District. The purpose of this collaborative partnership is to offer mental health outreach and treatment services to the students in our schools.

Counseling is an excellent way to learn new skills, develop self-confidence, become more aware of others’ views and experiences, practice new behaviors, and better understand how to deal with the problems life presents.

It is our belief that the combined commitment and expertise of our respective agencies, the knowledge and services provided to youth throughout Northeast Wisconsin, the credentialing of our programs, and the strong history of quality outcomes will allow for improved access to quality mental health services for students and families in our District.

If you are a parent and think your child may benefit, or if you are a student and feel you may benefit from counseling, you are invited to contact your school counselor for further screening.

If you have any questions about mental health resources for students, you can also contact me at (920) 788-7900.

Sincerely,

Tim Foshage
Director of Pupil Services

INFORMATION
For Parents

IF YOUR FAMILY LIVES IN ANY OF
THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

• Receive a free, appropriate public education.
• Enroll in school immediately, even if lacking documents normally required for enrollment.
• Enroll in school and attend classes while the school gathers needed documents.
• Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
  * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
• Receive transportation to and from the school of origin, if you request this.
• Receive educational services comparable to those provided to other students, according to your children’s needs.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.

Seeking Substitute Paraprofessionals – Help our students reach their potential!

Do you enjoy helping kids and having a flexible schedule? We are looking for substitute paraprofessionals. Paraprofessionals assist teachers and students throughout the school day. Substitute paraprofessionals have a flexible work schedule and a lot of variety in their work. If you know someone who is looking for a rewarding and flexible career where they would be helping all students succeed, please help us by sharing this link with them: www.kimberly.k12.wi.us/careers
The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

The Kimberly Area School District charges a $25.00 processing fee for any check returned to us as non-sufficient funds.
