Dear Kimberly High School Families,

I hope this note finds you well. It is hard to believe the end of the first quarter of the 2018-19 school year is nearly upon us. It has been a great nine weeks of school here at KHS. I am proud of the hard work and dedication I see each and every day from our students and from our staff. Visiting classrooms has allowed me the opportunity to see the many examples of learning and engagement happening in our school. Likewise, the level of involvement in our school is remarkable and is one reason Kimberly continues to be such a great high school. It is truly rewarding to see the number of students highly involved in music, theatre, clubs, and athletics. Thank you for supporting your student’s involvement in high school.

We are always looking for ways to continue to improve our school and to support our students. We have a unique, KHS Peer Tutors Program that allows students to receive extra help from other students. Peer tutoring is available every lunch (3AB&C) as well as every Wednesday from 7:40-8:10 AM in the Academic Resource Center (The ARC) within the Library Media Center. Students can drop in and get support with homework completion, studying for an upcoming test, or just talking through the content.

In addition, Academic and Career Planning (ACP) continues to provide students time to talk and work through their plans for the future. ACP is intended to equip students and their families with the tools necessary to make more informed choices about postsecondary education and training as it leads to careers. We want our students to be problem solvers, collaborate and solve real-world problems, and persevere when things aren’t quite going their way. When put together, it’s about making them productive adults with satisfying careers. ACP is a critical piece to our high school because now, more than ever, we are preparing students for jobs that do not yet exist. We appreciate the time, energy, and effort our students have put into creating and modifying plans that help them make the most informed decisions for their future.

I want to leave you with a quote I heard from some of our seniors last week.

“Sometimes you will never know the value of a moment, until it becomes a memory.”
~ Dr. Suess

Thank you for a great first nine weeks of school. We look forward to our second quarter and the many moments that will become memories.

With Great Papermaker Pride,
Jackie Schleicher
Principal

Graduation Celebration 2019: Sign up now to be a part of the planning committee! The graduation celebration committee will have its first meeting—come join the fun!!

Wednesday January 2nd from 6:30pm-7:30pm in the KHS LMC. Parents of graduating seniors are encouraged to volunteer—there is much to do and we can use your help and support planning a drug and alcohol free night of fun for the class of 2019.

Beginning in January, we will meet the first Wednesday of the month from 6:30-7:30pm in the LMC to plan a fabulous party to celebrate our seniors. Dates are as follows:

Jan 2, Feb 6, March 6, April 3, May 1

Contact Kelly Jansen to sign up or for more information
kjansen@kimberly.k12.wi.us or call 920 687-3024 ext 3225
Looking forward to planning another amazing event for the class of 2019!

Quarter One Grades
Quarter One ends on Wednesday, November 7, 2018 and grades will be reviewed and final grades posted on Infinite Campus on Monday, November 12, 2018. If you have any questions regarding grades please contact Student Services at (920)423-4162.

Is your information up-to-date on Infinite Campus? Our major line of communication is through Infinite Campus. Please go to your parent portal and review your information. You are able to make any changes in your demographics from home.

If you don’t have an account and would like to request one we can help you with that below.

If you have not yet completed your annual update please take the time to do so. This is required by the state of Wisconsin.

Thank You to our Egg Roll Fans!
We raised $380 to go towards our cultural learning nights, service projects, and end-of-year trip!
Save the date for our next sale: December 12 (orders due December 5)
Weather Cancellations and Delays

Winter is right around the corner. If weather conditions dictate that there will be no school or a delayed start, a decision to keep the schools closed is usually made by 6:00 a.m. Parents with students in school receive a direct call, text and/or email from our auto-call system through Infinite Campus since that is the fastest way to communicate with thousands of parents at one time.

As a reminder: If you have a new phone number or email address, please update your information in the Infinite Campus parent portal or contact your school’s secretary to update the portal.

Announcements are also sent to local T.V. and radio stations, please tune to local stations such as these rather than call the school directly: WAPL-105.7FM, WIXX-101.1FM, WHBY-1150AM, WKFX-104.9FM, WEMI-91.9 FM, WTAQ-97.5FM/1360AM, WWWX-96.9FM and WGEE-93.5FM; and WBAY-TV2, WFRV-TV5, WGBA-TV26, and WLUK-FOX11. If other school events, such as concerts or sporting events are also cancelled because of weather, they are typically communicated through these stations as well.

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state’s student assessment system. Since that time, those changes have remained consistent and include:

- ACT Aspire Early High School Assessment - grades nine and ten
- ACT and ACT WorkKeys - grade eleven
- Wisconsin Forward - grade ten

The ACT Aspire Early High School Assessment will cover five subject areas for students in grades nine and ten: reading, math, writing, language arts, and science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes from April 8th - 12th. Students in grade ten will test on April 24th and 25th during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a social studies test, that will be administered by computer as part of our modified schedule on April 25th.

In addition, every junior in the state of Wisconsin is required to take the ACT and WorkKeys assessments. This year, those tests will be held on February 20th and 21st. All juniors will report on those dates for the testing schedule. **One significant change from last year is that juniors will be the only class to report on February 20th. Grades 9, 10, and 12 will not report on February 20th but will follow the modified school schedule on February 21st.**

Please note the modified school schedules listed on the next page for important dates regarding spring assessments. If possible, please avoid these dates with scheduled absences for your student.

Additional information about the ACT Aspire Early High School Assessment and Wisconsin Forward Exam will be shared as the spring assessment dates get closer.

More information for families is available from the Wisconsin DPI by clicking [here](#). If you have questions about any of our state assessments for the year, please do not hesitate to contact me.

Sincerely,

Kaaren Weyers

HOS A HAPPENINGS

LAST MONTH:

October features two of HOSA's biggest events all year with Vision Screening and Pass the Torch, and both were a huge success! HOSA members spent a week at the various schools throughout the district helping our school nurses test kids for vision problems in order to ensure they don't have any developing or untreated vision issues. We also had our first quarter Pass the Torch event where HOSA members spent the day at JRG Middle School teaching the students there Hands-Only CPR so they have the skills necessary to help save lives. We hope that they take these skills back to their communities where they can then pass the torch and share the knowledge with others around them.

UPCOMING THIS MONTH:

We start off November by celebrating HOSA week (Nov. 5-9). We have a fundraiser at Chipotle on the 5th where 33% of the proceeds are donated to Kimberly HOSA, and we hope you come out and help support us! We also have a field trip to St. Elizabeth's Hospital on the 9th where members will participate in four hands-on stations covering behavioral health counseling, operating room technologies and protocols, a blood bank laboratory, and electrical systems in the body. Lunch will be provided.

HOSA will be running a booth at the JRG Health Fair in December, and planning for the booth starts on the 14th. Members are encouraged to come to the meeting with ideas for topics. Also, the Community Blood Center will be hosting the first blood drive of the school year on the 21st, and HOSA will be helping with donor sign-up.

Finally, HOSA is selling 50/50 raffle tickets at the Boys Varsity Basketball game against Appleton West on the 27th. Proceeds benefit the National Pediatric Cancer Foundation. The game starts at 7:30 PM.
Community Members Bring Real-World Experience to the Classroom

Local business professionals are bringing their expertise to multiple classes in our department through the implementation of several Junior Achievement (JA) programs. “Career Success” and “Excellence Through Ethics” are two programs that offer students learning opportunities that connect classroom topics with industry expectations. Students are challenged to connect their knowledge of the business world with situations that employers deal with on a daily basis. Students enjoy this connection to local employers and relevant business topics.

Additionally, several students in our classrooms serve as JA Student Ambassadors. Ana Rank, a senior who will be attending UW-River Falls majoring in Accounting next school year, and Mason Lawrenz, yet undecided on a college/university, but who will be majoring in Actuarial Science, serve on this Student Ambassador Board.

The JA Student Ambassador Board will participate in several meetings and events to promote and develop leadership, etiquette skills, public speaking, and group/team building exercises. Achievement Ambassadors are student representatives of Junior Achievement in the Winnebago Region and will represent JA in a number of ways. The Student Ambassadors participate in business interactions that provide a link between their education and how businesses work in the real world. The Student Ambassadors work in the Fox Valley Technical Careers Challenge, High School Business Challenge, volunteer in classrooms, and work to have a presence in the community. For more information or to join, contact Mason Lawrenz at 19mlawrenz@kimberly.k12.wi.us.

School-Based Counseling for
Students in 5K – 12th Grade

The Kimberly Area School District and United Way’s PATH (Providing Access to Healing) for Students program are working together to provide students in the District with the opportunity to receive outpatient mental health services within their school.

**New for this school year:**

- Opportunity for school-based counseling services expanded to students in 5-year-old kindergarten through 12th grade.
  
  *(Previously only available for grades 7-12.)*

- These services are designed to meet the needs of students and families who would otherwise be unable to access mental health therapy.

**Counseling is an excellent way to:**

- Learn new skills
- Develop self-confidence
- Become more aware of others’ views and experiences
- Practice new behaviors
- Better understand how to deal with the problems life presents

If you are a parent and think your child may benefit, or if you are a student and feel you may benefit from counseling, you are invited to contact your school counselor for further screening.

If you have any questions about mental health resources for students, you can also contact Tim Fosshage, Director of Pupil Services, at (920) 788-7900.

We are Planning for Excellence

NEW! Updated Plan for Excellence available at www.kimberly.k12.wi.us/excellence

Plan for Excellence:

- Created with feedback from parents, students, community members and staff.
- Combines input with District data.
- Outlines our vision, values and goals for student achievement.
- Shares our story and will guide our District’s future.
- Tells the community what children who attend our schools will get when they come here.

- This is our promise to you.

IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
  * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your children’s needs.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.

Seeking Substitute Paraprofessionals – Help our students reach their potential!
Do you enjoy helping kids and having a flexible schedule? We are looking for substitute paraprofessionals. Paraprofessionals assist teachers and students throughout the school day. Substitute paraprofessionals have a flexible work schedule and a lot of variety in their work. If you know someone who is looking for a rewarding and flexible career where they would be helping all students succeed, please help us by sharing this link with them: www.kimberly.k12.wi.us/careers.
Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

For additional information, please contact Jen Bixler at (920)423-4166 or email her at jbixler@kimberly.k12.wi.us

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district must complete the School Request Form located on the district website under Student & Parents>Enrollment>Attendance and return it to the district office Attn: Sara Vogel.

For additional information regarding school request contact Sara Vogel at (920)423-4122

We receive many worthwhile requests to be included in our newsletter. Since we cannot possibly include them all here, please remember to go to the District website frequently and check out the Community Events. There are many more great opportunities and activities listed there.

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

The Kimberly Area School District charges a $25.00 processing fee for any check returned to us as non-sufficient funds.

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability (“Protected Classes”) in any of its student programs and activities.
