**3. Can I request my own laboratory tests?**

You can discuss lab tests with the Nurse Practitioner at the Health & Wellness Center to determine which testing may be appropriate for you.

**4. My primary care provider outside of the Health & Wellness Center ordered a lab test for me. Can I come to the Health & Wellness Center for the lab test?**

Yes, please bring your lab order form with you to the Health & Wellness Center. If labs are completed at the Health & Wellness Center, there will be no cost to you.

**5. Do I need to make an appointment to have my blood drawn?**

We recommend an appointment be made, however, the Health & Wellness Center makes every effort to accommodate walk-in appointments.

**6. How long will it take to receive my test results?**

Results will be communicated to you within 48-72 hours for labs ordered by the HWC provider, unless otherwise indicated.

Labs ordered by an outside provider will be completed and faxed to the ordering provider within 72 hours. Note that result times may vary pending the tests ordered. Disclosure of these results will come directly from the ordering provider or his/her associate.
