Dear KHS Families,

It is the time of year again for students to finish course selection for the 2019-20 school year! Now is the time for students to explore our course guidebook and talk with teachers to gain as much information on the wide range of courses and opportunities we offer at KHS. Please encourage your child to contact their school counselor if they have any questions on course selection. Remember, it is easier to choose the right courses now than to change schedules in fall.

Seniors- remember we are rapidly approaching deadlines for many scholarships. Please be sure to check in Student Services as new scholarships arrive weekly. There will be a graduation meeting for all seniors on March 19th during our ACP time.

Juniors will be taking the State required ACT and ACT Work keys Tests on February 20th and February 21st. Please check out the opportunities to prepare for the ACT test that were shared via emails and newsletters.

Second semester is a busy time. Please continue to watch for newsletters and emails. As always, if you ever have any questions or general feedback, please let us know. We hope to see you at Parent Teacher Conferences on February 18th. Thank you for your continued support!

With Great Papermaker Pride,

Jackie Schleicher
Principal

Students at KHS participated in the local high school show titled "A Brush with Art" at Jack Richeson School of Art and Gallery in Kimberly. There were seven participating schools, Appleton East, Appleton North, Freedom, Little Chute, Xavier, and Kimberly. The show began in December, and runs through February 9th. The award for best in show was presented on Friday January 11th, and the recipient was Anna Armstrong, from KHS! She received a $250 certificate for materials at Jack Richeson. The People’s Choice Award will be announced at the end of the show in February. If you get a chance to stop in and see the show and vote for your favorite piece, you won’t regret it!

Congrats to our six participants from KHS, as well as the winner of the highest honor of the exhibit. Awesome job to Anna Armstrong for receiving the “Best in Show” award!

Weather Cancellations and Delays
Winter is right around the corner. If weather conditions dictate that there will be no school or a delayed start, a decision to keep the schools closed is usually made by 6:00 a.m. Parents with students in school receive a direct call, text and/or email from our auto-call system through Infinite Campus since that is the fastest way to communicate with thousands of parents at one time.

CAPP Business Students Tour Local Industry Leader

Recently, the CAPP Introduction to Business students had the opportunity to visit MilkSource, LLC, a leader in the agricultural industry. Students were able to learn more about the agricultural industry, as well as receive start-up business advice from this local entrepreneurial venture. As part of this industry tour, students experienced walking through a barn holding 1000+ cows, a milking parlor, and the barn housing their world-renowned, award-winning cows. It was a great way to learn more about the agricultural industry and one of our local industry-leading companies.
HOSAA HAPPENINGS

LAST MONTH:

We started the new year out with the continuation of our quarterly service project: Pass the Torch. HOSA members spent the day at JRG Middle School teaching the 7th and 8th grade students Hands-Only CPR, giving them the skills necessary to help save lives. We hope that they take these skills back to their communities where they can then pass the torch and share the knowledge with others around them.

UPCOMING THIS MONTH:

In February, HOSA members will once again be visiting the residents of the Oak Park Place senior living facility in Menasha. We will going Feb. 13th from 6:30 to 7:30 and will be playing bingo and continuing to get to know the seniors by listening to the stories they have to share about their lives. It's good fun for everyone involved!

The Community Blood Center will be hosting another blood drive on the 13th. HOSA will be helping with donor sign-up, and all members are invited to participate in the blood drive. Participating in the blood drive (volunteering, recruiting, or donating) results in eligibility for one of four $500 scholarships donated by the Community Blood center, and those who complete the Gallon Grad Program (8 donations) will receive red cords at graduation.

Finally, six students from Kimberly HOSA are competing in the Wisconsin HOSA Regional Leadership Conference at Fox Valley Technical College on Feb. 20th. Madeline Beck and Danielle Van Grinsven are competing in the Health Career Display event, Dana Moore and Natalie Dresang are competing in the Nursing Assistant event, Amber Yang is competing in Pathophysiology, and Collin Miller is competing in Epidemiology. We wish them the best of luck!

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state’s student assessment system. Since that time, those changes have remained consistent and include:

- ACT Aspire Early High School Assessment - grades nine and ten
- ACT and ACT WorkKeys - grade eleven
- Wisconsin Forward - grade ten

The ACT Aspire Early High School Assessment will cover five subject areas for students in grades nine and ten: reading, math, writing, language arts, and science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes from April 8th - 12th. Students in grade ten will test on April 24th and 25th during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a social studies test, that will be administered by computer as part of our modified schedule on April 25th.

In addition, every junior in the state of Wisconsin is required to take the ACT and WorkKeys assessments. This year, those tests will be held on February 20th and 21st. All juniors will report on those dates for the testing schedule. One significant change from last year is that juniors will be the only class to report on February 20th. Grades 9, 10, and 12 will not report on February 20th but will follow the modified school schedule on February 21st.

Please note the modified school schedules listed on the next page for important dates regarding spring assessments. If possible, please avoid these dates with scheduled absences for your student.

Additional information about the ACT Aspire Early High School Assessment and Wisconsin Forward Exam will be shared as the spring assessment dates get closer.

More information for families is available from the Wisconsin DPI by clicking here. If you have questions about any of our state assessments for the year, please do not hesitate to contact me.

Sincerely,

Kaaren Weyers

Register Now

Spring soccer registration is open for Recreational and Academy leagues.

**Recreational teams** are formed for players, ages 4- adults. Recreational league is a development program with a primary interest in fun, fitness, and friendships. Activities emphasize enjoyment and development over competition. Birth years of 2014 and earlier are eligible to participate. Register early to ensure a spot on a roster as registration will close when team rosters are full. Roster placement request will only be honored if the request does not violate state and district rules.

**Academy program** is a full year program that runs between Fall and Spring, with opportunities for Winter training. Kids falling in the U8- U10 age groups (birth years 2009- 2012), who’ve already been introduced to soccer and love it, are encouraged to join the Academy program. Take advantage of training with our Director of Training, Steve Purdy. Steve has played for Men’s USA National team, MLS teams LA Galaxy, FC Dallas & Portland Timbers. Steve has also captained the El Salvador in World Cup games qualification matches.

**Are you on our mailing list?**

We want to ensure parents of young children (age 0-5) in our District are on our mailing list, so you can receive information relative to your child’s age group, such as early childhood screening information or 4K and 5K registration information. We also need to have information for all children age 0-21 for state reporting. Click on this link [https://goo.gl/DFJ5ne](https://goo.gl/DFJ5ne) to complete the census form, or complete and mail the census form found here [https://goo.gl/TkNvX6](https://goo.gl/TkNvX6). If you know of other families with children in our District that may not be in our system, please help us by sharing this information with them.
IF YOUR FAMILY LIVES IN ANY OF THE FOLLOWING SITUATIONS:

- In a shelter
- In a motel or campground due to the lack of an alternative adequate accommodation
- In a car, park, abandoned building, or bus or train station
- Doubled up with other people due to loss of housing or economic hardship

*Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.*

**Your eligible children have the right to:**

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in school and attend classes while the school gathers needed documents.
- Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
  * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.
- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your children's needs.

*If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.*

Seeking Substitute Paraprofessionals – Help our students reach their potential!
Do you enjoy helping kids and having a flexible schedule? We are looking for substitute paraprofessionals. Paraprofessionals assist teachers and students throughout the school day. Substitute paraprofessionals have a flexible work schedule and a lot of variety in their work. If you know someone who is looking for a rewarding and flexible career where they would be helping all students succeed, please help us by sharing this link with them: www.kimberly.k12.wi.us/careers
Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

For additional information, please contact Jen Bixler at (920)423-4166 or email her at jbixler@kimberly.k12.wi.us

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district must complete the School Request Form located on the district website under Student & Parents>Enrollment>Attendance and return it to the district office Attn: Sara Vogel.

For additional information regarding school request contact Sara Vogel at (920)423-4122

We receive many worthwhile requests to be included in our newsletter. Since we cannot possibly include them all here, please remember to go to the District website frequently and check out the Community Events. There are many more great opportunities and activities listed there.

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

The Kimberly Area School District charges a $25.00 processing fee for any check returned to us as non-sufficient funds.
