March: Trevor Gardner

The following Papermakers are pursuing their leadership potential by participating in the recent African Heritage Emerging Student Leaders Institute (AHESLI). The following students participated: Elisha Brown, Kiana Davis, Janel Gilmore, Sofia Gunaratnam, Trenton Janssen, Eli Manns and Marzel Williams.

AHESLI leaders are involved in culturally relevant learning experiences that empower them to be successful and reach their potential. As leaders, they are exposed to college admission, career exploration, and identity development workshops. There was a great turnout of hundreds of emerging leaders from many local school districts and colleges!

September 24, 2018

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state’s student assessment system. Since that time, those changes have remained consistent and include:

- ACT Aspire Early High School Assessment - grades nine and ten
- ACT and ACT WorkKeys - grade eleven
- Wisconsin Forward - grade ten

The ACT Aspire Early High School Assessment will cover five subject areas for students in grades nine and ten: reading, math, writing, language arts, and science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes from April 8th - 12th. Students in grade ten will test on April 24th and 25th during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a social studies test, that will be administered by computer as part of our modified schedule on April 25th.

In addition, every junior in the state of Wisconsin is required to take the ACT and WorkKeys assessments. This year, those tests will be held on February 20th and 21st. All juniors will report on those dates for the testing schedule. **One significant change from last year is that juniors will be the only class to report on February 20th. Grades 9, 10, and 12 will not report on February 20th but will follow the modified school schedule on February 21st.**

Please note the modified school schedules listed on the next page for important dates regarding spring assessments. If possible, please avoid these dates with scheduled absences for your student.

Additional information about the ACT Aspire Early High School Assessment and Wisconsin Forward Exam will be shared as the spring assessment dates get closer.

More information for families is available from the Wisconsin DPI by clicking here. If you have questions about any of our state assessments for the year, please do not hesitate to contact me.

Sincerely,

Kaaren Weyers

February 13 Blood Drive

We are so thankful to you and all of the generous donors at Kimberly High School!! You should be very proud of all of the students giving back to our community!!

With your help—we were able to register 83 donors and collected 57 good units of whole blood! **AWESOME !!!**

There were 19 first time donors as well!!! Those 57 units have the potential of saving up to 171 lives!

I really appreciate all of your extra efforts despite all of the weather related days of school being cancelled.

We look forward to your next blood drive on Wednesday, May 1st.

HOSA HAPPENINGS

LAST MONTH:

February was full of fun for Kimberly HOSA as we returned to the Oak Park Place assisted living facility in Menasha to play BINGO with the residents. We did this back in December for Christmas, and this Valentine's edition was just as successful! Everyone had a great time, and we look forward to going back again. Last month the Community Blood Center also hosted another blood drive, and we gladly helped out with that, signing up students to donate.

UPCOMING THIS MONTH:

HOSA will start March off with our third quarter Pass the Torch session! We will be teaching more 7th graders Hands-Only CPR and will be refreshing the knowledge of the 8th graders we taught last year. Students interested in participating may sign up for the different time slots on Google Classroom.

March also features Super Science Saturday where HOSA members will spend the morning at Woodland Elementary School teaching kids health related skills and getting them interested in science. Also, as March is National Nutrition Month, HOSA will be handing out smoothie samples and muffins after school on March 13th and 27th in an effort to promote healthier alternatives to common snacks.

We are also having another Ascension Hospital Tour this month! Students will rotate through hands-on stations covering the following areas and occupations: pharmacy, rehabilitation, and labor and delivery. The bus leaves the high school at 8:00 AM and will return for 4th block. Lunch is included.

Our final event is March 30th: HOSA members will be teaching Hands-Only CPR at a booth at the Green Bay Gamblers Game against Omaha as part of the American Heart Association Family Night. We will be making slime March 20th in the Smartroom to hand out to kids at the game.

Weather Cancellations and Delays

If weather conditions dictate that there will be no school or a delayed start, a decision to keep the schools closed is usually made by 6:00 a.m. Parents with students in school receive a direct call, text and/or email from our auto-call system through Infinite Campus since that is the fastest way to communicate with thousands of parents at one time.

Seeking Substitute Paraprofessionals – Help our students reach their potential!

Do you enjoy helping kids and having a flexible schedule? We are looking for substitute paraprofessionals. Paraprofessionals assist teachers and students throughout the school day. Substitute paraprofessionals have a flexible work schedule and a lot of variety in their work. If you know someone who is looking for a rewarding and flexible career where they would be helping all students succeed, please help us by sharing this link with them:  www.kimberly.k12.wi.us/careers
INFORMATION
For Parents

IF YOUR FAMILY LIVES IN ANY OF
THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

• Receive a free, appropriate public education.

• Enroll in school immediately, even if lacking documents normally required for enrollment.

• Enroll in school and attend classes while the school gathers needed documents.

• Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.

• If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

• Receive transportation to and from the school of origin, if you request this.

• Receive educational services comparable to those provided to other students, according to your children's needs.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.

Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

For additional information, please contact Jen Bixler at (920)423-4166 or email her at jbixler@kimberly.k12.wi.us

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district must complete the School Request Form located on the district website under Student & Parents>Enrollment>Attendance and return it to the district office Attn: Sara Vogel.

For additional information regarding school request contact Sara Vogel at (920)423-4122

We receive many worthwhile requests to be included in our newsletter. Since we cannot possibly include them all here, please remember to go to the District website frequently and check out the Community Events. There are many more great opportunities and activities listed there.

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

The Kimberly Area School District charges a $25.00 processing fee for any check returned to us as non-sufficient funds.

Are you on our mailing list?

We want to ensure parents of young children (age 0-5) in our District are on our mailing list, so you can receive information relative to your child’s age group, such as early childhood screening information or 4K and 5K registration information. We also need to have information for all children age 0-21 for state reporting. Click on the link http://goo.gl/DFjSne to complete the census form, or complete and mail the census from found here https://goo.gl/TkNvX6. If you know of other families with children in our District that may not be in our system, please help us by sharing this information with them.
