KIMBERLY AREA SCHOOL DISTRICT SELECTS

MIKE BURGESS AS NEW DIRECTOR OF TECHNOLOGY

Kimberly, Wis. – March 26, 2019 - The [Kimberly Area School District](http://www.kimberly.k12.wi.us) Board of Education is proud to announce that they have selected Mike Burgess as the new Director of Technology. Burgess started in his new position on March 18, 2019.

His role is focused on the technology strategy and management functions for the Kimberly Area School District. Additionally, he will help the District maximize technology to support students as they grow as problem solvers to reach their potential in academics, arts and co-curriculars.

“Mike brings an extensive information technology background in the business world that aligns with the mission of our school district,” said Robert Mayfield, Superintendent of the Kimberly Area School District.

“His combination of skills, education and experiences will enhance our technology strategies and system.”

Burgess was previously employed as the Enterprise Operations Center Director for the Oshkosh Corporation.

He earned a Master of Business Administration from the University of Toledo and a bachelor’s degree in Information and Computing Science from the University of Wisconsin-Green Bay.

Mike Burgess was recently hired as the Director of Technology for the Kimberly Area School District.
