The Darboy Kiwanis Club and the Times Villager announce the KHS Student of the Month.

April: Allyson Brown

Collin Van Cuyk, a senior at Kimberly High School, has advanced to become a finalist in the 2019 National Merit Scholarship Program! This talented high school student has an opportunity to continue in the competition for some 7,500 scholarships worth about $31 million that will be offered next spring. National Merit Semifinalists are selected based on their excellent performance on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Great job to Collin for pursuing excellence in academics!

Klaire Kulas is a recipient of a Herb Kohl Educational Foundation Student Initiative Scholarship. She is involved with many KHS choirs, including the concert choir, mixed vocal jazz and the Satins. She is also an active member in the KHS theatre productions. Herb Kohl Student Initiative Scholarship recipients, chosen by their school, have demonstrated exceptional initiative in the classroom and have shown strong promise for succeeding in college and beyond, but have not yet received other academic-based scholarships. This year the Herb Kohl Educational Foundation is awarding students throughout Wisconsin with $10,000 Student Initiative Scholarships.

Congratulations to Damian Huss! The last Math Meet for the Fox Valley Math League was held Monday, March 11th at Oshkosh West. Damian placed in the junior division and received a medal for his performance at the meet. The team had an enjoyable year competing against the 18 schools in Northeast Wisconsin that comprise the league. The returning members are very much looking forward to the coming year.

September 24, 2018

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state’s student assessment system. Since that time, those changes have remained consistent and include:

- ACT Aspire Early High School Assessment - grades nine and ten
- ACT and ACT WorkKeys - grade eleven
- Wisconsin Forward - grade ten

The ACT Aspire Early High School Assessment will cover five subject areas for students in grades nine and ten: reading, math, writing, language arts, and science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes from April 8th - 12th. Students in grade ten will test on April 24th and 25th during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a social studies test, that will be administered by computer as part of our modified schedule on April 25th.

In addition, every junior in the state of Wisconsin is required to take the ACT and WorkKeys assessments. This year, those tests will be held on February 20th and 21st. All juniors will report on those dates for the testing schedule. One significant change from last year is that juniors will be the only class to report on February 20th. Grades 9, 10, and 12 will not report on February 20th but will follow the modified school schedule on February 21st.

Please note the modified school schedules listed on the next page for important dates regarding spring assessments. If possible, please avoid these dates with scheduled absences for your student.

Additional information about the ACT Aspire Early High School Assessment and Wisconsin Forward Exam will be shared as the spring assessment dates get closer.

More information for families is available from the Wisconsin DPI by clicking here. If you have questions about any of our state assessments for the year, please do not hesitate to contact me.

Sincerely,

Kaaren Weyers

Students should arrive by 7:30 for morning exams and 11:30 for afternoon exams.
The Kimberly Area School District is dedicated to providing the safest environment for our students and staff. During the 2018-19 school year, schools will be implementing a new secure access system, commonly known as a "buzz-in entry".

KHS implemented this system on Monday, March 25, 2019, so please follow the steps below to gain access to Kimberly High School:

- All visitors (including family members, volunteers, and vendors are required to follow the buzz-in procedure during the school day.)
- When you arrive, press the button on the bottom of the intercom. Guests may be asked to present a picture ID.
- A staff member may be asking some clarifying questions before granting you access to the building.
- If an office member is not in immediate proximity of the intercom or helping another person you may have to wait for a minute or two to be recognized.
- Once inside, continue to sign in at the office and wear a visitor badge while in the school.

We are aware that this system will require a change in practice for staff, families, and visitors. Thank you for your patience and support as we work to create the safest learning environment possible.

Dear Kimberly High School Prom attendees and Parents/Guardians:

Each spring, Kimberly High School administration and Student Council attempts to make the Junior Prom a fun, safe, and special event for our junior and senior students. Here are the guidelines and expectations for this year’s KHS Prom.

1. Tickets may be purchased by junior and senior students in good-standing at KHS.
2. Students must have all fines and fees paid off in order to purchase a ticket.
3. KHS students in 11th or 12th grade may purchase up to two tickets - one for themselves and one for a date/guest. A valid school ID is required at the time the tickets are purchased.
   a. A KHS student who is previously recorded as a guest/date of another KHS student may not purchase two additional tickets under their own name.
   b. The first name and last name, grade, and school of attendance for freshman or sophomore guests or non-KHS students is required at the time of purchase.
   c. Students who purchase single tickets may not go back and purchase additional tickets for a non-KHS guest without prior administrative approval.
   d. Tickets are numbered and non-transferable.
4. KHS students and their guests will be checked in to prom upon arrival. KHS students may only check in one date on prom night. Non-KHS students arriving without their listed date, regardless of ticket possession, will not be admitted to Kimberly High School’s prom.
5. Students must purchase tickets between 7:30 am and 3:30 pm in the main office. Payment is required in full at the time of purchase. Each ticket is $25 and includes post-prom.
6. High school graduates who are guests of current KHS students must be no more than two years out of high school (graduation years 2017 or 2018). A valid driver’s license or military id is required for prom admittance.
7. No middle school or junior high school students will be allowed at prom.
8. Any junior or senior requesting a 9th or 10th grade student or a student from another school to accompany them as their guest must complete the appropriate form. The junior/senior must return this completed form for administrative approval to the main office by Wednesday, April 10th at 3:30 pm. Late forms will not be accepted for any reason.
9. No re-entry after check in. No entry to prom after 10 pm.
10. Any student attending Post-Prom after Prom will be required to show their ID at check in.
11. All carry-ins are subject to search.

Please help us in making Kimberly High School’s Prom a successful night!

Regards,

KHS Administrative Team
Once again, we will be hosting the Post-prom party at Super Bowl from 12-3 AM immediately after prom.

Planning for our post-prom party has begun and we are in need of chaperones!! Please contact Julie Reader at jreader@kimberly.k12.wi.us if you are willing to help. We need moms AND dads to chaperone. We could use 2-4 more. Please consider helping.

Also, if you can help in other ways, we have 2 planning meetings left. Please join us at 6:00 Wednesday, April 10 & April 24 in the commons to help us prepare and make this night a great success.

Parents Who Host Lose the Most:
Don’t be a party to teenage drinking.

As the school year wraps up, there are many reasons to celebrate. One key choice you may be faced with is whether or not to host a teenage drinking party. There is no safe way to host a teenage drinking party. Please help us encourage the youth in our community to make good decisions.

We invite you to join the national movement “Parents Who Host Lose The Most.” Free yard signs are available at the main offices at Kimberly High School and JRG Middle School, and at the District’s Administration building.

Learn more at the Drug-Free Action Alliance’s website www.drugfreeactionalliance.org/parents-who-host.
HOSA HAPPENINGS

LAST MONTH:

March featured many opportunities for HOSA members to get involved both in the school and in the community. Our third quarter Pass the Torch session left yet another set of 7th and 8th graders with the skills necessary to perform Hands-Only CPR, and our booth at Kids Super Science Saturday sparked an interest in the health field for kids in our district. Kimberly HOSA also took another trip to Ascension St. Elizabeth’s Hospital where students worked through four hands-on stations including pharmacy, labor and delivery, rehabilitation, and an emergency room trauma situation. The students had a great time and learned a lot, and we’re looking forward to being able to continue providing these experiences in the coming years.

UPCOMING THIS MONTH:

April is an exciting month for Kimberly HOSA because it starts with our officer interviews which will help us decide who will form the Leadership Team next year! Students who turned in their officer applications last month must sign up for an interview time after school with Mrs. Buss. We look forward to meeting with these students and talking about their goals for Kimberly HOSA next year!

Also this month is the Wisconsin HOSA State Leadership Conference where Wisconsin HOSA members compete in competitive events, attend workshops, elect new State Executive Council members, and much more! Kimberly HOSA is proud to have five members attending this year and competing in their categories. Madeline Beck and Danielle Van Grinsven are competing in the Health Career Display event, Natelle Dresaing is competing in the Nursing Assistant event, Amber Yang is competing in Pathophysiology, and Collin Miller is competing in Epidemiology. We wish them the best of luck!

FINANCE & INVESTMENT CHALLENGE BOWL

Business students competed in the Finance and Investment Challenge Bowl March 12 at FVTC. Using a quiz-show format, the game challenges high school students and tests their knowledge about personal finance, business, economics and current events. Kimberly competitors took the top three places at the event. The top two teams advance to the state-level competition in Milwaukee on May 21 where they will compete against regional finalists from Green Bay, La Crosse, Madison, Milwaukee, Racine/Kenosha, Rhinelander, and Wausau. The Finance Falcons made up of Natalie Brandt, Katie Ebben, Will Hintz & Joe Radtke are the reigning state champions and were the top finishers at the competition. The second place team consists of Jared Brown, Noah Leffel, Octavio Leon and Fritz Melzl. The third place team included Olivia Hansen, Leigh Keller-Chicoine and Kaitlyn Schroeder.

LIFESMARTS – STATE COMPETITION

LifeSmarts, a program of the National Consumers League, empowers young people across the United States to develop the skills in Personal Finance, Health and Safety, Technology, the Environment, and Consumer Rights and Responsibilities. Weather Cancellations and Delays
If weather conditions dictate that there will be no school or a delayed start, a decision to keep the schools closed is usually made by 6:00 a.m. Parents with students in school receive a direct call, text and/or email from our auto-call system through Infinite Campus since that is the fastest way to communicate with thousands of parents at one time.

Seeking Substitute Paraprofessionals – Help our students reach their potential!
Do you enjoy helping kids and having a flexible schedule? We are looking for substitute paraprofessionals. Paraprofessionals assist teachers and students throughout the school day. Substitute paraprofessionals have a flexible work schedule and a lot of variety in their work. If you know someone who is looking for a rewarding and flexible career where they would be helping all students succeed, please help us by sharing this link with them: www.kimberly.k12.wi.us/careers.

Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

For additional information, please contact Jen Bixler at (920)423-4166 or email her at jbixler@kimberly.k12.wi.us

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district must complete the School Request Form located on the district website under Student & Parents>Enrollment>Attendance and return it to the district office Attn: Sara Vogel.

For additional information regarding school request contact Sara Vogel at (920)423-4122

We receive many worthwhile requests to be included in our newsletter. Since we cannot possibly include them all here, please remember to go to the District website frequently and check out the Community Events. There are many more great opportunities and activities listed there.

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

The Kimberly Area School District charges a $25.00 processing fee for any check returned to us as non-sufficient funds.

Are you on our mailing list?

We want to ensure parents of young children (age0-5) in our District are on our mailing list, so you can receive information relative to your child’s age group, such as early childhood screening information or 4K and 5K registration information. We also need to have information for all children age 0-21 for state reporting. Click on the link http://goo.gl/DFjSne to complete the census form, or complete and mail the census form found here https://goo.gl/TkNvX6. If you know of other families with children in our District that may not be in our system, please help us by sharing this information with them.
