Kimberly Area School District
Photo, Video and Academic Works Opt-Out 2016-17

School events, classroom activities, academic work, special programs and displays featuring academic work are sometimes shared by school representatives to showcase students, the school and district.

Examples of these showcase materials include but are not limited to:

- school and district newsletters
- yearbooks
- websites and social media sites
- artwork displays (in the school and community)
- co-curricular materials
- educational videos
- public relations materials

If you do not return a "Photo, Video and Academic Works Opt-Out Form" within 14 days of the start of the school year, the Kimberly Area School District will assume that it can use your child's photograph, video, and academic work in materials and/or displays for the current school year.

To request the "Photo, Video and Academic Works Opt-Out Form," please contact your school's secretary or principal.
