It is that time of year! In this final newsletter you will find many points of pride and celebration, plans for the end of the current school year and graduation, information about some exciting opportunities for students, and information to prepare you for next school year. Planning for summer school and our wide-array of summer programming is well underway. Please be sure to check with your child’s school counselor if you have summer school questions.

We are truly proud of the accomplishments of our students in academics, the arts, clubs and organizations, and athletics. Our successes are the result of student commitment, focused teachers, coaches, and advisers, caring parents and a supportive community. Kimberly High School students and staff continue to maximize the many resources we are provided and our results show the outcome of these efforts. Thank you for the pride you take in our school and for valuing and supporting education and the success of our students. We appreciate you!

Preparations for graduation and other end-of-year activities are also nearly complete. Graduation is June 5th at 7:00 p.m. We look forward to the excitement of graduation and the post-graduation celebration party. Congratulations to our incredible senior class. You have made our school better and you will certainly be missed.

Finally, I want to personally thank you for a great first year here at Kimberly High School. I am so very proud of our students, our staff, and our school community. The commitment and dedication I have witnessed each day is inspiring. The energy that fills our school is contagious. I wish everyone a great last month of school and a wonderful summer!

With great Papermaker pride,

Jackie Schleicher

The Darboy Kiwanis Club and the Times Villager announce the KHS Student of the Month.

May - Curtis Wolf

Fifteen 9th and 10th graders from Kimberly High School competed in the 3rd Annual UW Oshkosh Math Contest. Over 1100 students from across the state participated. Kimberly was well represented with Nick Logan placing 3rd and earning a bronze medal in the 10th grade division. Jacob Farrell and Isaac Yang earned certificates for scoring in the top 10%. Overall KHS placed 6th out of 20 high schools. Following the competition students enjoyed participating in a variety of STEM activities across the UWO campus.

"The UW Oshkosh Mathematical Problem Solving Contest is designed for motivated students in grades 7-10 who show an affinity for mathematics and mathematical sciences. Our goal in establishing this event is to help spark and foster interest in young people to pursue further study and careers in mathematics and other STEM fields, and to share what the faculty and programs at UW Oshkosh have to offer." ...UW-Oshkosh
KHS Students Participated in Congressional Art Competition

Each spring, a nation-wide high school arts competition is sponsored by the U.S. House of Representatives as an opportunity to recognize and encourage the artistic talent of our nation's youth. Since the Artistic Discovery competition began in 1982, more than 650,000 high school students have participated.

Five students from KHS were a part of this show: (from left to right) Aubrey Steidl, Megan Reinke, Emily Plath, Keely McDermot, and Hannah Behling.

Aubrey Steidl received 3rd place, and Emily Plath received an Honorable Mention!
2019 Medical Mentoring Participants

The following students have been selected to be a part of the Fox Valley Medical Mentoring program. This elite job shadowing program selects students based on academic rigor, teacher recommendations, and student essays. Students will have the opportunity to shadow a variety of medical professionals and all Fox Valley schools participate in this program. These students have a strong desire to obtain a degree in the health care field and will spend their summer experiencing these professions first-hand.

Global Scholar is a title bestowed upon our students who complete the rigorous requirements of the Global Scholars program. Three students have earned this certification this year: Anna Evers, Emma Peerenboom, and Breana Vander Weilen. Through the courses they took, additional literacy projects, focusing on a world language, and attending and reflecting on multiple cultural activities, students gained a broader view of our world and of themselves. Emma stated it well with, “This program allowed me to step outside of my comfort zone and explore more of the world around me because there is so much more to the world than Kimberly, Wisconsin. Global Scholars also allowed me to gain new perspectives, form new relationships, increase my culture understanding and even learn more about myself!” The culminating project is designed to be of service to others and must be be globally relevant. Anna tutored students in English while learning about their culturally diverse backgrounds and then shared her experiences with a Spanish 2 class. Emma gained international perspectives while working at a camp and helping young campers open their eyes to different experiences. Breana dedicated hours upon hours of sharing traditional and religious culture to others and performed it for others. And even though this begins with their education as Anna states, “I’ve learned about how other people experience the world and it has given me a new awareness and perspective of the world,” it does not end with them. They shared their stories with others: clubs, classmates, churches, and therefore they were able to plant the seed of service and global spirit with others. Congratulations Anna, Emma, and Breana, on your grand achievements as Global Scholars.
Kimberly HOSA Future Health Professionals

Students Place 3rd, 4th, and 8th at State Leadership Conference

Five Kimberly High School students attended the Wisconsin HOSA State Leadership Conference in Wisconsin Dells on April 14th - 16th. In order to compete at State Leadership Conference, HOSA students needed to earn above 60% on their rubric at Regionals and be ranked in the top 15 in the state. Below is the list of student competitors, their event, and place earned in their event. Students who placed in the top three are eligible to attend HOSA Internationals in Orlando, Florida this June. Way to go Kimberly HOSA Future Health Professionals!

**Collin Miller - Epidemiology - 3rd place**
He completed a 75 point multiple choice test on case studies, surveillance, investigations, and scientific knowledge related to public health situations.

**Madeline Beck and Danielle Van Grinsven - Health Career Display - 3rd place**
The students worked together to research and create a display focused on a specific health career. The second part of the event required a five minute presentation sharing what they learned about their chosen career.

**Natalie Dresang - Nursing Assisting - 4th place**
She completed a 50 point multiple choice test on all aspects of knowledge needed to work as a nursing assistant. Then she completed several hands on skills related to tasks of a Nursing Assistant.

**Amber Yang - Knowledge Test: Pathophysiology - 8th place**
She completed a 100 point multiple choice test and one essay question on disease processes and terminology related to all human body systems.

HOSA Future Health Professionals is a Career and Technical Student Organization for students interested in health care. Their mission is "to enhance the delivery of compassionate, quality healthcare by providing opportunities for knowledge, skill and leadership development of all health science education students, therefore, helping the student meet the needs of the healthcare community."
Mrs. Ramponi and Mr. Heling will be providing AP Psychology reviews for ANY and EVERY AP psychology student (semester 1 or semester 2) starting March 26th through May 9th. Sessions will be held Tuesday and Thursday mornings from 7-7:30 in Mr. Heling's room (10) and from 3:00 - 3:30 in Mrs. Ramponi's room (7). No preregistration is needed and you may come/go as your schedule permits. AP PSYCHOLOGY exam is May 9th.

If you are picking your student up early from school, please call or email the attendance office in the morning if possible. This allows us time to get a pass to your student to leave class and not have to call and interrupt the teacher in the classroom. We appreciate your help on this.
Mark your calendar for a mandatory Senior Class meeting on Wednesday, May 22, 2019 at 2:15 pm in the auditorium.

- Watch for your official graduation notice, including tickets, to be coming home next week. We will be mailing them on Monday, April 29th.
- Bills were sent home at the beginning of the week. Please make sure any and all fees and fines are paid as soon as possible. Students can’t participate in the ceremony if they have outstanding bills.
- Kimberly High School values the academic achievement of our students and continuing the tradition of honoring that achievement at our graduation ceremony. Our Laude System will continue to honor the many rigorous academic pathways Kimberly High School offers our students.
- The Laude Sashes, National Honor Society Cords, and Global Scholars Cords will continue to be worn at graduation.
- Graduation is our most formal and public event of the year. We want to continue to focus on the prestige of the ceremony and therefore, graduation caps will no longer be allowed to be decorated.

LAST CALL for 2018-2019 Yearbook Orders: You can still order a yearbook! Yearbook orders can be placed one of two ways. You can order your yearbook online on Infinite Campus under Fees (Optional Fees) OR you can place an order in the Main Office. After May 29, any student who wishes to order a yearbook will be placed on a waiting list. The cost is $60.

Yearbook Pick-up: Yearbooks will be printed over summer and distributed during picture days. Parents and siblings of graduates can also pick up yearbooks. For anyone who is unavailable these dates, you can pick up your yearbook in the Main Office during school hours.

Photo Submissions: Yearbook is always looking for photos of any school event. If you have photos of spring sports, prom, or graduation you would like to share with yearbook, please send them to syunk@kimberly.k12.wi.us or upload them to Replayit.com

Senior photos: For everyone planning ahead, senior photos are due by Halloween 2019. Senior photos must be vertical and in color (no black and white). A plain background, head and shoulder shot is preferred. No props, hand gestures, or sleeveless shirts/dresses are permitted. Please send digital files to syunk@kimberly.k12.wi.us.

KHS Athletic News & Notes

SUNDAY, MAY 19TH – KHS Auditorum

6:00 PM
MANDATORY FIRST TIME FALL ATHLETE ORIENTATION MEETING
All incoming freshman fall athletes, new transfer student fall athletes and first time fall athlete participants ONLY, along with at least one parent are REQUIRED to attend the FALL ATHLETE ORIENTATION MEETING.

6:30 PM
MANDATORY FALL SPORTS MEETING (ALL FALL ATHLETES)
ALL fall athletes and at least one parent are REQUIRED to attend.

Fall Sports Include: Boys Soccer, Boys Volleyball, Boys and Girls Cross Country, Football, Girls Golf, Girls Swim and Dive, Girls Tennis and Girls Volleyball

SPORTS PHYSICALS AND ATHLETIC INFORMATION CARDS
Please make sure that your child’s physical and athletic information cards are updated and turned into the athletic office prior to the start of the upcoming fall sports season. Even if your child THINKS they may want to do a sport next year please get their physical scheduled ASAP. Feel free to contact Marcia Van Hout in the athletic office at 423-4160 or mvanhout@kimberly.k12.wi.us to check the status of your child’s sports physical. **We are asking that you please have all information into the Athletic Office by Friday, July 12th, 2019.** Please note that athletic paperwork is always available online and in the athletic office.

SUMMER SPEED, STRENGTH & AGILITY
All students planning to participate in the Summer Speed, Strength & Agility Program Need to pre-register online.

ACADEMIC ELIGIBILITY:
If your child failed a fourth term class and plans to participate in a fall sport, he/she must take and pass a summer school course in order to be immediately eligible for their fall sport. Failing to do this will result in academic ineligibility. For fall sports the ineligibility period will be the lesser of (1) 21 calendar days beginning with the date of the earliest allowed competition in that sport or (2) 1/3 of the maximum number of contests allowed in a sport.

FOLLOW ALL KIMBERLY ATHLETIC NEWS, EVENTS AND UPDATES ON TWITTER:

**Student Services News**

**PSAT for the Class of 2021** - The PSAT will be offered to the Class of 2021 at KHS on **Wednesday, October 16, 2019** if you are planning on going to any out of state colleges and/or plan on taking the SAT. Students who are in the top 25% of their class are also encouraged to take the PSAT to compete for the Merit Scholarships. Some local scholarship programs also require a PSAT on the application and certain parents place of employment require it for scholarships. Cost is $18.00. Fee waivers are available for the PSAT if needed. To register, students must bring payment in the form of cash or check, made payable to KHS, please pay in the Main Office by **May 24, 2019**. Test materials will be ordered in advance so registering by **May 24, 2019** will guarantee your student a spot for the PSAT in October.

**Senior Awards Night** - Senior Awards Night will be on **Wednesday, May 29, 2019 at 6:00 p.m.** in the KHS auditorium. If your student has received a scholarship from a College or University or other outside scholarship committees, let us know by May 17 so they can be recognized in the awards program and graduation program. Please know that everyone is welcome to attend Senior Awards Night. Students who have a presenter to present their award/scholarship on this night will receive a letter of invite to attend two weeks prior to May 29.

**Student Scheduling Guidelines** - In order to meet student course requests, keep sections balanced and to meet faculty needs, schedule changes will be granted based on the criteria listed below:

Schedule changes will be made for the following reasons only:
1. If you pass a scheduled class during summer school;
2. If you fail or do not complete a prerequisite course;
3. If you are placed in a course which a teacher finds inappropriate for your ability;
4. If you are missing a required class;
5. If a clerical error was made in assigning your classes; and/or
6. To accommodate apprenticeship and co-op programs.

Please note that we cannot make schedule changes for a change in teacher, lunch hour or to get a particular block free.

**Summer School** - Summer school letters have been mailed for students who failed courses through the end of quarter 3 of this school year. If a student fails quarter 4 classes it’s your parent/student responsibility to register for summer school classes for credit recovery. If your student has failed courses in previous years and didn’t attend summer school it’s recommended that they sign up for summer school. A copy of your student’s transcript is found on their Infinite Campus account under reports menu to check for failed courses.

**Community Events** - Join Milwaukee PBS and USA TODAY NETWORK-Wisconsin on Wednesday, May 29, 2019 for a viewing of “You’re Not Alone,” a documentary about youth mental health. Stay after the film for a conversation with the filmmakers and local mental health professionals. This event is free and open to the public. Children are welcome but please note the film deals sensitively with difficult subjects like suicide and sexual assault. The 30-minute film follows four young people from Wisconsin navigating mental health challenges. They’ve endured assault, bullying, incarceration and discrimination. Some thought about suicide. But through the pain they found support from family, friends and strangers. They found strength within themselves. They’re sharing their stories to let others know they’re not alone and that healing is possible. The film is an extension of USA TODAY NETWORK-Wisconsin’s Kids in Crisis series, which over the past three years has uncovered rising suicide rates and gaps in mental health care in Wisconsin.

To register, go to: [https://www.eventbrite.com/e/appleton-screening-youre-not-alone-tickets-60266543855](https://www.eventbrite.com/e/appleton-screening-youre-not-alone-tickets-60266543855)
8 students represented Kimberly High School at the Inaugural Multilingual/Multicultural Post Secondary Fair on Wednesday, April 3 at the Fox Valley Technical College. Donut holes, juice, and coffee accompanied the inspiring words from Francisco Henriquez, the Operations Director of Miller Electric. He highlighted the “superpowers” that so few have: bilingualism and cultural adaptability. His own background as an American from Venezuela who speaks Spanish and English, gave him the insight on these topics of bilingualism and cultural adaptability. Students who are fluent in another language can use that as an edge along with their other skills. The base skills are necessary for success, but it can be their language that gives students an advantage in connecting with twice as many people as monolinguals. Cultural adaptability refers to many students who are walking the line between two cultures or more. At home, some students may be living one culture, while at school yet another. Those students have learned the parameters of both cultures and can navigate both with ease. Students with that type of background can thrive in new environments because of this adaptability. Mr. Henriquez closed with the advice that students should use their energy in their careers to make themselves happier in all aspects of life and to have a positive impact on their community.

Breakout sessions included information on FAFSA and paying for college, community resources, and college resources. After a catered lunch, some students shared their biggest takeaways which included that college IS for them, no matter what stereotypes may be out there, and that attending events like this during sophomore and junior year opens their eyes to the many opportunities available to them.
Back row: Collin Miller, Kendall Karpinski, Logan Wilson, Fritz Melzl, Avery Headington, Ethan Jacoby Henrickson

Front row: Cassidy Knops, Emily Destiche, Courtney Pearson, Laura Carew, Hope Strenn, Shasta Reese

THANK YOU TO ALL
POST PROM
SPONSORS & SUPPORTERS

HOSAA HAPPIENINGS

LAST MONTH:

April held one of Kimberly HOSA’s most exciting events of the year — the Wisconsin HOSA State Leadership Conference! Kimberly was proud to send five members to the conference. Madeline Beck and Danielle Van Grinsven competed in the Health Career Display event, Natalie Dressang competed in the Nursing Assistant event, Amber Yang in Pathophysiology, and Collin Miller in Epidemiology. We hope Kimberly students continue to have this opportunity and experience in the coming years.

UPCOMING THIS MONTH:

May starts out with a well-known event for Kimberly HOSA — the blood drive. The Community Blood Center is hosting another blood drive on May 1st, and HOSA is helping again with donor registration during lunches. The sign-up sheet can be found on Google Classroom.

On the 3rd, we are holding a fundraiser at Vertical Velocity Trampoline Park (previously known as Skyzone). Members and their families are invited to come jump anytime from 4:00 to 8:00 PM. The cost is $13 for 60 minutes, $16 for 90 minutes, or $18 for 120 minutes. When you go, say you are there to support Kimberly HOSA and a portion of the proceeds will go to us to help us in planning future events.

On the 20th, HOSA will returning to Oak Park Place Senior Living Facility. While there, members will be gardening with the residents, helping them plant and maintain the community garden at the facility. We hope gardening is as successful as our BINGO trips have been!

On the 22nd, we are having our annual Membership Party where we recognize active members with awards and celebrate the good work done by Kimberly HOSA over the school year. There will be food and games, so make sure you come check it out!

Finally, May 23rd is the final installment of our quarterly service project, Pass the Torch! We will be returning to JRG to teach the last set of 7th and 8th graders Hands-Only CPR. We loved going throughout the year, and we look forward to continuing to teach these life-saving skills next year.

EVENTS:

May 1 — Blood Drive
All Day
Kimberly High School

May 3 — Vertical Velocity Fundraiser
4:00 - 8:00 PM

Seeking Substitute Paraprofessionals – Help our students reach their potential!
Do you enjoy helping kids and having a flexible schedule? We are looking for substitute paraprofessionals. Paraprofessionals assist teachers and students throughout the school day. Substitute paraprofessionals have a flexible work schedule and a lot of variety in their work. If you know someone who is looking for a rewarding and flexible career where they would be helping all students succeed, please help us by sharing this link with them: www.kimberly.k12.wi.us/careers
IF YOUR FAMILY LIVES IN ANY OF
THE FOLLOWING SITUATIONS:

In a shelter

In a motel or campground due to the lack of an alternative adequate accommodation

In a car, park, abandoned building, or bus or train station

Doubled up with other people due to loss of housing or economic hardship

Your school-age children may qualify for certain rights and protections under the federal McKinney-Vento Act.

Your eligible children have the right to:

• Receive a free, appropriate public education.

• Enroll in school immediately, even if lacking documents normally required for enrollment.

• Enroll in school and attend classes while the school gathers needed documents.

• Enroll in the local school; or continue attending their school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.

  * If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

• Receive transportation to and from the school of origin, if you request this.

• Receive educational services comparable to those provided to other students, according to your children’s needs.

If you believe your children may be eligible, contact the local liaison to find out what services and supports may be available. There also may be supports available for your preschool-age children.

Local Liaison
KASD Homeless Liaison
Bob Delash

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

For additional information, please contact Jen Bixler at (920)423-4166 or email her at jbixler@kimberly.k12.wi.us

Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

For additional information, please contact Jen Bixler at (920)423-4166 or email her at jbixler@kimberly.k12.wi.us

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district must complete the School Request Form located on the district website under Student & Parents>Enrollment>Attendance and return it to the district office Attn: Sara Vogel.

For additional information regarding school request contact Sara Vogel at (920)423-4122

We receive many worthwhile requests to be included in our newsletter. Since we cannot possibly include them all here, please remember to go to the District website frequently and check out the Community Events. There are many more great opportunities and activities listed there.

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

The Kimberly Area School District charges a $25.00 processing fee for any check returned to us as non-sufficient funds.

Are you on our mailing list?

We want to ensure parents of young children (age 0-5) in our District are on our mailing list, so you can receive information relative to your child’s age group, such as early childhood screening information or 4K and 5K registration information. We also need to have information for all children age 0-21 for state reporting. Click on the link http://goo.gl/DFjSne to complete the census form, or complete and mail the census form found here https://goo.gl/TkNvX6. If you know of other families with children in our District that may not be in our system, please help us by sharing this information with them.

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.
