Dates to Remember:

June

4 *Last Day of School*

Dear Janssen School Community,

Our 2019-20 school year will be coming to a close. With how we are experiencing the COVID-19 pandemic, I am filled with an array of emotions. I am proud of how our staff, students, and families worked together. I am happy with how we each persevered as problem solvers to make any adjustments to our virtual learning platform. I am sad that the school year has come to a close. Finally, I am eagerly awaiting the work we are going to do as a district this summer to move forward and get ready for the fall. I feel this way because I am a part of an amazing school district.

I would like to offer several “Thank you” statements because we have a whole school year of celebrations...and we did it together. We are better when we work together.

Thank you...

- To our students who inspire us to reflect and grow so we can create the necessary conditions where our students have a sense of belonging, meaningfulness, autonomy, and competency.
- To our families who believe in us.
- To our staff who create the conditions for our students to be engaged.
- To our PTO whose mission is to positively impact the lives of each student.
- To Chartwells who provides our students tasty and nutritious lunches.
- To our crossing guards who care about our students' safety.
- To our bus drivers who transport our students safely to and from school.

This year, we have experienced a lot together. We moved out of our comfort zones into our fear zones. Our fear zones are now becoming our learning zones. Our learning zones will become our growth zones. Together, we will grow from our experiences. My recommendations for the summer months are to be safe and let's take care of each other.

Sincerely,

Hercules Nikolaou, Ph.D.
Principal

END OF THE YEAR REMINDERS

Please let the office know if you are moving or plan on moving. We need to update our records and keep them current.

Just a reminder that we are still accepting applications for 4K and 5K for next school year. If you have a child or you know of a family who lives in the area and has a child eligible for 4K or 5K, please forward this information to them.

SUMMER HOURS

The summer hours for the school office are yet to be determined. Please look for updates on our website and emails.

REPORT CARDS

On June 4, you can access your child's report card via Infinite Campus. Please note that when reviewing your student's report card, teacher comments do not show up in the portal when looking at the main "Grades" screen. They do, however, if you access the "Reports" screen. From there, you can generate a report card in pdf format that will have all the comments. If you need to set up your parent portal account in Infinite Campus, please click here.
