Career Cluster: Marketing
On the back of this sheet is a 4 year plan that follows the required general education requirements and makes suggested course selections in some of the content areas that are closely connected to the Marketing Management Path. In addition to the core subject areas, this outline provides the suggested sequencing of courses in the elective area for the Marketing Management Path. Students interested in pursuing other careers in the Marketing Career Cluster should consider a similar 4 year plan and should talk to their school counselor to build their personal 4 year course sequencing.

- Utilize Career Clusters and KHS Paths to help choose classes that align with you interests or post high school plans.
- Students have identified their top two Career Clusters in Xello.

Students may want to take classes from multiple KHS Paths or other areas of interest!!!

CAREER PLANNING: SELECTING COURSES

- Seek feedback from your parents.
- Consider experiential learning opportunities (Job Shadows, Apprenticeships, Co-op's, Clinical Training, Volunteering)
- Consider your post high school goals.
- Student Athletes ~ Verify you are taking courses that are NCAA Approved.
- Take a variety of classes that help you explore your interests and your top Career Clusters.
- Don't be afraid to take a class that may challenge you, as it could become a new strength or interest.
- Keep in mind your extracurricular activities.

Students must have an Indexed Cumulative GPA of 3.4 or higher to be considered.

.025 is added to the student's GPA for each .5 credit course completed

Students earn one laude point for each .5 credit Indexed Class completed.

Students are responsible for knowing their own laude status.

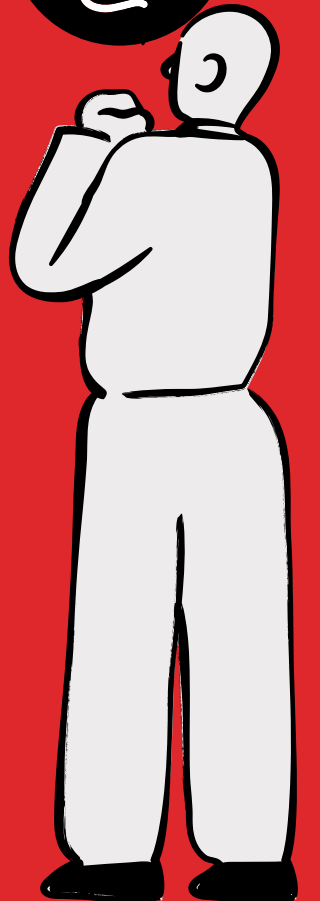

For more information, please refer to the online KHS Course Book

Courses with a designations of AP, Honors, CAPP and CLEP all earn 1 laude point for every .5 credit earned.

The purpose of the Laude System is to reward graduating students who perform at a high academic level and choose highly academic courses.

CAPP stands for Cooperative Academic Partnership Program. Our teachers are certified to teach a particular college's curriculum so our student can earn college credit from UW Oshkosh. These credits may be transferred to other colleges by sending a transcript from UW Oshkosh to your destination college. This is the same for our Honors PreCalc UWGB Math 104 ~ Transcript has to be sent from UW Green Bay to your destination college to request credit to be transferred.

CAPP

OPPORTUNITIES FOR EARNING COLLEGE CREDIT

CLEP

CLEP stands for the College Level Examination Program. CLEP exams help students earn college credit for what they already know, for a fraction of the cost of a college course.

AP

AP stands for Advanced Placement. Students complete our curriculum, take the AP Exam in the spring and if they earn a 3 or higher on the exam, can earn college credit. The cost of the AP Exam for this year was \$102.

TRANSCRIPTED CREDIT

Transcripted Credit is also known as dual enrollment courses. A student in high school signs up for a course that has an agreement with a post-secondary institution and if they meet the requirements of the course, the student receives high school and college credit...for free!

When choosing courses, you only need to enter in classes for next school year. You can plan courses for future years, but those classes will not be scheduled at this time.

The Grade Level highlighted in Grey is the year the student is scheduling for.

If a **blue alert** pops up, there is a note to read regarding the course. Typically, this relates to a course fee. You are still able to register for this course.

If a **red alert** pops up, there is a prerequisite issue or the course needs a teacher approval.

REMINDERS

- If you failed classes last year or this year, it is your responsibility to make an appointment with your counselor to check on credit recovery or Summer School!
- Some students' requests may be already locked. If they are, it is because you are working with a teacher to select some of your courses.
- If you cannot schedule for a course that you know you meet the prerequisite for, please let your Advisor know.
- Verify that all of the classes you are requesting as Alternates **meet the course prerequisites**.
 - *You can meet the course prerequisite by choosing the course Prerequisite as a first choice class or ask for the course Prerequisite and the course that requires the prerequisite as an Alternate. IE Intro to Art and 2D Art.*
- If you have any special circumstances for scheduling, please see your counselor.
- During **Flex on January 27th** and **February 5th**, you will have time to work on choosing your classes and exploring options.
- Select your classes using Xello from today until **February 8th**.

Current 9th Graders ~ You must take either Chemistry or Physical Science. You can take additional science classes if desired.

Current Sophomores & Juniors ~ If you are planning on attending college, you need to make sure that you have depth in your schedule or you may not be admitted to your school of choice.

All KHS Students will confirm and SUBMIT course requests February 9th & 10th!.

THANK YOU
FOR YOUR ATTENTION!
