**ARE YOU** the type of individual that enjoys variance in your day to day duties? Do you enjoy being only one phone call away from supporting team members in various tasks at different facilities? Do you thrive in an environment where your daily tasks are diverse? If you said yes to any of these questions **Building Services Group** wants your application today!

Our team members take pride in supporting the Kimberly School District and are committed to providing excellent customer service to the District and its' families.

Apply today at [bsgcleaning.com](http://bsgcleaning.com)

**Building Services Group** was founded in 1983 with a culture that focuses on Respect, Teamwork, Excellence, and Leadership.

Our vision is to continue to be the innovative solutions provider in the building services industry. As the employer of choice, our success will be driven by a commitment to a values-based culture, as well as continued investment in teamwork, leadership, training, and development.

We need **YOU** to help us keep reaching our goals!
