ThedaCare™

Kimberly Area School District Health & Wellness Center

Family Care | Physical Therapy | Health Coaching

The KASD Health & Wellness Center is an innovative full scope primary care center providing quality health and wellness services for KASD employees, spouses, dependents and retirees covered by the District health insurance plan. The Center has been thoughtfully structured to provide a wide range of health and wellness services to help you reach your health and physical fitness goals. It is staffed by professionals from ThedaCare. You can conveniently schedule appointments online or by phone, owe no out-of-pocket co-pays, and save valuable time to enjoy the activities that you really love.

Free confidential appointments may be scheduled for:

- Primary care for you and your family
- Health coaching to reach your wellness goals
- Physical therapy

PLUS, Urgent Care treatment as appointments are available for:

- Allergies
- Headache/migraine
- Respiratory infection, sore throat, bronchitis and ear infection
- Urinary tract and yeast infection
- Injury treatment for sprains and strains, minor cuts, burns (x-ray not included)
- Worksite labs including urinalysis, rapid strep, pregnancy and mono
- Rapid influenza testing
