

KIMBERLY HIGH SCHOOL FAMILY NEWSLETTER

Washington Post's America's Most Challenging High Schools

<http://apps.washingtonpost.com/local/highschoolchallenge/>

November 2016

The end of the first quarter of the 2016-17 is nearly upon us and it has been a busy nine weeks indeed.

Our enrollment has surpassed the 1540 student mark and is the largest enrollment ever at Kimberly High School. With our increasing enrollment we have worked through a number of challenges but have worked diligently to make sure every student has an opportunity to develop positive connections with our teachers and staff. These opportunities exist in many different ways beyond the classroom. It is rewarding to see the number of students participating in Life Force, Key Club, DECA, and Art Cub (just to name a few). Some of lesser known clubs like Comics@KHS and LARP (Live Action Role Play) have also drawn a nice number of students. Students are still able to join most of our clubs and organizations. Likewise, the number of students involved in athletics, music and theatre have also been on the rise and opportunities for participation still exist. Check in with our school counselors or check the announcements for more details.

On a more serious note, recent national trends in school violence has caused many districts to review their safety processes. While a serious event is exceptionally rare, we still want to be as prepared as possible should something occur. Because of what we have learned from other districts around the nation, we are changing our "active intruder" protocol from "lock down" to "run, hide, fight." "Run, hide, fight" is a protocol recommended by the Department of Homeland Security to promote decision-making in an active intruder situation.

For this reason, the district and Fox Valley Metro Police will be conducting a violent intruder simulation at Kimberly High School and JR Gerritts Middle School on Thursday, October 27, 2016. During the training, these two schools will be completely inaccessible to anyone not directly participating in the simulation: Kimberly High School (12:00-2:30pm, offices remained closed for the day) and JR Gerritts Middle School (1:45-4:00pm). Our goal is to provide our staff with training needed to react in a situation so they can do their best to provide a safe environment for students.

Enjoy the opportunities the fall season brings.

### KHS SENIOR LEAVES IT ALL ON THE FIELD AND BECOME SCHOOL WINNER IN WENDY'S HIGH SCHOOL HEISMAN

There are some students who set the bar. They work harder, show more passion and lead by example—in the classroom, on the field and within the community. Today, Wendy's High School Heisman recognizes **Nick Beck** and his dedication to never cutting corners by naming him a School Winner.

Since 1994, Wendy's and the Heisman Trophy Trust have been running the same play to perfection: honoring more than 600,000 of the nation's most esteemed students. This year, Wendy's will celebrate the accomplishments of thousands of the best high school seniors, awarding winners in five phases.

Both School Winners and State Finalists have been announced today. School Winners will receive a School Winner certificate and a Wendy's High School Heisman Patch. State Finalists will receive a bronze medal, a Wendy's High School Heisman State Finalist patch and a \$25 gift card. From the group of State Finalists, one senior male and female will be selected from each state and announced as State Winners on October 20. For more information or to track a student's progress through the competition, please visit [www.WendysHeisman.com](http://www.WendysHeisman.com).

## Math Avengers! Lunchtime Math Tutoring

*Math Avengers are here to help “rid the world of math-related anxiety... one student at a time!”*

Another fantastic opportunity that KHS provides to kids seeking support and success in math is an awesome program, we like to call the “Math Avengers.” These tutors are all currently in Calculus AB or BC and expressed an interest in helping other students succeed in their math courses--Math 1, 2, 3, 3ext or Precalc. Please speak with a math teacher or email Kelly Jansen [kjansen@kimberly.k12.wi.us](mailto:kjansen@kimberly.k12.wi.us) about being connected with one of these Student math tutors during lunches.

*Avengers: Spencer Talbot, Molly Stiltjes, Katelyn Mauer, Sara DeGroot, Alex Hammen and Kyle Mayfield*

## Math Tutoring 2016-2017

Group tutoring is available for Math students:

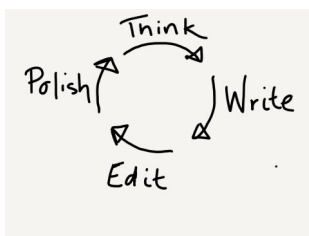

A KHS Math teacher will be available at the following times and days:

- ◇ LMC: Mondays, Wednesdays, Thursdays 8:00 - 9:30 pm
- ◇ LMC: Group study room on Tuesdays during 3a, 3b, 3c
- ◇ LMC: Group study room on Wednesdays 7:30 - 8:15 am

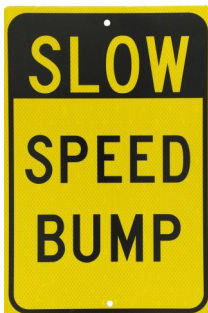

## Papermaker Writing Center

**Based in the LMC, students will have full access to one-on-one writing, editing, proofreading, and revision help with a dedicated writing instructor. This center is designed to aid students not just with English essays but in writing across the curriculum.**

**Center is available daily during block 3 and Tuesday and Thursday evenings from 7:00—8:30 pm.**

**Please drive slowly on the north service road that goes around to the back of the high school.**

## *Graduation Celebration 2017*

*Sign up now to be a part of the planning committee*

*The graduation celebration committee will have its first meeting **Wednesday January 4<sup>th</sup> at 6:30PM** in the KHS LMC. Parents of graduating seniors are encouraged to volunteer-there is much to do and we can use your help and support planning a drug and alcohol free night of fun for the class of 2017.*

*Parents of current Juniors are also welcome - we would love extra help!*

*Contact Kelly Jansen to sign up or for more information*

*[kjansen@kimberly.k12.wi.us](mailto:kjansen@kimberly.k12.wi.us) or call 920 687-3024 extension 3225  
Looking forward to planning another amazing event for our kids!*

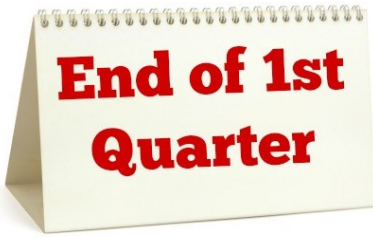

Winter is right around the corner. If weather conditions dictate that there will be no school, a decision to keep the schools closed is usually made by 6:30 a.m. Parents with students in school receive a direct call, text and/or email from our auto-call system since that is the fastest way to communicate with thousands of parents at one time. As a reminder: If you have a new phone number or email address, please update your information in the

Infinite Campus parent portal or contact your school's secretary to update the portal.

Announcements are also sent to local T.V. and radio stations, please tune to local stations such as these rather than call the school directly: WAPL-105.7FM, WHBY-1150AM, WKFX-104.9FM, WEMI-91.9 FM, WGEE-1360 AM, and WOZZ-93.5FM; and WBAY-TV2, WFRV-TV5, WGBA-TV26, and WLUK-FOX11. If other school events, such as concerts or sporting events are also cancelled because of weather, they are typically communicated through these stations as well.

The District's website and Facebook page are not our primary way to communicate school closures, so we ask parents to listen to the auto-call messages or tune in to the radio and T.V. stations listed for the timeliest updates.

### Quarter One Grades

Quarter One ends on Tuesday, November 8, 2016 and grades will be reviewed and final grades posted on Infinite Campus on Monday, November 14, 2016. If you have any questions regarding grades please contact Student Services at 423-4162.

**Please be sure we have your correct e-mail address as we will do most of our communications through Infinite Campus or e-mail.**

Keep all your demographics up to date. View grades and attendance for your student(s) in live time. Receive e-mails and voice messages. Check your student(s) fee balances and pay fees online. Communicate with KHS staff through IC. If you don't have an account click on this link to set one up now.

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state's student assessment system. Since that time, those changes have remained consistent and include:

- Aspire Early High School Assessment – grades nine and ten
- ACT and WorkKeys – grade eleven
- Forward Social Studies assessment – grade ten

The ACT Early High School Assessment will cover five subject areas for students in grades nine and ten: Reading, Math, Writing, Language Arts and Science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes the weeks of April 24 and May 1. Students in grade ten will test on April 25 & 26 during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a Social Studies-only test that will be administered by computer on Wednesday, April 26.

In addition, for the third year, every junior in the state of Wisconsin is required to take the ACT and Work Keys assessments. This year those tests will be held on February 28 and March 1. All juniors will report those dates during a modified school schedule.

Please note the modified school schedules listed on the next pages.

Additional information about the ACT Early High School and Forward assessments will be shared as they become available.

If you have questions about the ACT Aspire Early High School assessment, please contact me by phone or email.

Sincerely,

Jason Nate

### What are the ACT High School Assessments?

ACT®, Inc. has provided testing services for more than 50 years and their assessments have evolved over the years to reflect the nation's view of education to embrace lifelong learning and prepare students to be college and career ready after high school graduation. The Wisconsin Department of Public Instruction (DPI) entered into a partnership with ACT®, Inc. during the 2014-15 fiscal year to comprehensively assess Wisconsin high school students:

- 9th and 10<sup>th</sup> grade students will take the **ACT Aspire™ Early High School** assessment in the Spring.
- 11th grade students will take **The ACT® Plus Writing** and the **ACT® WorkKeys® Assessment System** in the Spring.

**The ACT Aspire™ Early High School - ACT Aspire** assesses student readiness in English, mathematics, reading, science, and writing.

**The ACT® Plus Writing** - The ACT Plus Writing consists of four multiple-choice tests: English, Mathematics, Reading, and Science; and a 40-minute essay test that measures student writing skills.

**ACT® WorkKeys®** - ACT WorkKeys is an applied skills assessment system which consists of 3 tests: Applied Mathematics, Locating Information, and Reading for Information.

### How are the test results used?

All students in grades 9-11 will be given these assessments except for approximately 1% of students with significant cognitive disabilities who will be tested with an alternate assessment. This system of assessments will allow teachers to measure a student's growth throughout high school.

DPI will also use The ACT® Plus Writing for the high school accountability measure in order to determine the extent to which schools and districts across the state meet proficiency standards.

### What type of scores will be provided?

- ACT Aspire™ Early High School scores are reported on a 3 digit scale. These scores will predict future ACT scores and WorkKeys National Career Readiness Certificate attainment.
- ACT scores range from 1 to 36 for each of the subtests and one overall score called a test composite. Students will also receive a writing score ranging from 2 to 12. In most situations scores earned on the ACT can be used by students for college enrollment, scholarships, and NCAA eligibility requirements. Many UW System colleges require ACT scores for college entrance.
- By taking the WorkKeys assessment, students can earn National Career Readiness Certificates (NCRC) that are recognized nationally by businesses and industries. This certificate is used by some employers

to make sure prospective employees have the skills necessary for the job they are applying for. Students will demonstrate their skills in the areas of Applied Mathematics, Locating Information, and Reading for Information.

- Score reports will be available 4-6 weeks after each assessment is given.

### Where can I find sample or practice test questions?

Practice tests and sample test questions are available from ACT. Actual test items are not released.

- ACT Aspire™ Early High School sample items available at: <http://www.discoveractaspire.org/assessments/>
- The ACT® Plus Writing practice tests available at: <http://www.actstudent.org/samples/>
- The ACT® Plus Writing sample writing prompts available at: <http://www.actstudent.org/writing/sample/>
- The ACT® WorkKeys® practice test available at: <http://www.act.org/workkeys/assess/sample.html>

# Kimberly Area Cross Country Ski Club

## Think Snow!

### **When does the ski season start?**

October/November starts dry land season. Once the snow comes we have snow season until March/April.

### **I realize snow season is when it's snowing but what is dry land season?**

Dry land season is where we roller ski on pavement. Helmets are required.

### **Does the club have the equipment?**

Yes we supply all skis, poles and boots.

### **Is there any equipment I would need?**

For dry land you might need a helmet (we have a limited supply) and gloves. Snow season you will want winter clothing that can be layered.

### **What are the costs?**

Dry land and Snow Season is \$25 for season or \$5 each day.

### **When do we ski?**

We try to have practices two weekdays and one weekend. This is also to be determined for the following reasons: weather, Coach Verboomen's schedule, student interest. Once you are officially in the group you will receive emails or texts weekly.

### **Is it dark when you practice?**

Yes it is but we have everyone where headlights and reflectors. We understand many athletes have lifting after school and that is why we start later in the day.

### **Do we have to attend all the practices?**

Nope, it's a club and you attend whatever practices you can.

**Where do we practice?** leaving KHS on weekdays. Weekends we travel around the Fox Valley. During snow season we practice at Appleton and Neenah golf course on weekdays. Weekends we travel up to 90 minutes away.

### **Do you only practice or is there some competition?**

There are a few local races that our club attends

### **How do we get involved in Cross Country Ski Club?**

Step 1 – email [boomerxcskivb@gmail.com](mailto:boomerxcskivb@gmail.com)

Step 2 – You will be emailed a form and you fill that out

Step 3 – complete paperwork for KHS (this is for KHS students only)

### **Can parents participate?**

Yes we encourage parents to ski with us. The cost is the same as the students but if you can help us drive students we exempt you from the fee.

## Business, Marketing & Information Technology Department News & Happenings

### Connecting Classroom Learning to the Business Community

Students in the Business & Marketing classrooms are getting an opportunity to take their learning beyond the classroom with business partners through the following programs.

**JA Career Success:** Ryan Fulcer, of Ryan Fulcer Consulting, LLC, has been working with students in Mr. Brad Brown's Introduction to Business class the past several years. Through the *JA Career Success* program Ryan is sharing his vast business experience to help students learn more about workplace skills employers seek but often find lacking in young employees. Students also will learn valuable information about resumes, cover letters, and interviewing techniques.

**JA Titan:** Sarah Jahnke, Product Specialist at Appvion, is working with students in Mrs. Lynn Fischer's Accounting class. Students are competing against classmates as they make business decisions about pricing, marketing, research and development and business practices for a virtual company. Through the web-based simulation, students gain an understanding of how management decisions affect a company's bottom line.

**Personal Finance:** Capital Credit Union  continues to support our Personal Finance curriculum. Students in all Personal Finance classes get the opportunity to learn from experts in the financial industry about a variety of topics including budgeting, loans, credit cards and the importance of choosing a career that fits your skills, interests and abilities.

**Marketing II:** Students in Mrs. Connie Kalnins' Marketing II class recently took a field trip to the Menasha Corporation where they learned about retail-focused packaging and merchandising solutions. The students were able to tour their new market-research facility. It was a great connection to the Product Development unit.

**School to Work:** Volunteer work at Feeding America is part of the weekly curriculum for students in Mrs. Karen Hoffman's School to Work Class. The volunteer experience gives the students an opportunity to develop skills that will be used in future employment. "Helping out at Feeding America makes me feel good all week," shared one student from class. "We know we are making a difference in our community."

## **American Education Week Nov. 14-18, 2016**

During the National Education Association's (NEA's) 95th Annual **American Education Week, November 14-18, 2016**, the Kimberly Area School District will be joining millions of educators, parents, students, and community leaders nationwide in raising awareness about the critical need to provide every child with a quality public education. We're taking this week as an opportunity to say "Thank You" for your past, current, and continuous support. **Great public schools help EVERY child succeed.**

In order to ensure that every student is given the opportunity to reach their potential in academics, the arts and co-curricular activities, it takes the efforts of parents, staff and the community. Please take time during American Education Week to let your family, friends and neighbors know all the ways your students and schools are giving back to the community that gives so much to them.

**Kimberly Area  
School District**

**Thank you for your continued support in helping  
EVERY student reach their potential!**

# Be a Sub!

## Join our team as a Sub!

Do you enjoy working with children while maintaining a flexible work schedule? Have you considered becoming a substitute teacher?

The Kimberly Area School District is seeking talented Substitute Teachers who want to join a team of ambitious professionals who help all students succeed. Sometimes, our educators are away from their classrooms for things like professional development or when they are ill. That's when we need talented individuals to continue providing a high-quality education to our students.

### Qualifications:

- **Current Wisconsin Educator License**
- **-Or- a Bachelor's Degree** from an accredited Institution of High Education, completion of **Substitute Teacher Training** and current **Substitute Teacher Permit**.
- Have a **Bachelor's Degree** but **not a Substitute Teacher Permit**? Contact us at (920) 788-7900 to learn more about pursuing training to obtain a Substitute Teacher Permit.

Substitute Teachers new to KASD are supported by helpful District staff at each building. The District uses an online Substitute Teacher System (AESOP) where you can view and customize subbing positions you are most interested in for your subbing career. **KASD offers a competitive daily pay rate for our substitute teachers.**

Are you ready to join a team of talented professionals who help students become community, college and career ready? Complete an application through WECAN (Wisconsin's K-12 hiring website) by visiting <https://services.education.wisc.edu/wecan>.

## **Family Move - Outside of the Kimberly Area School District**

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

## **Family Move - Within the Kimberly Area School District**

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district, must complete the Attendance Exception Form located on the district website, under Parents→Attendance Area and return it to the district office Attn: Sara Vogel

**Emergency Medications:** Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911
