## NEWS RELEASE FOR IMMEDIATE RELEASE

### **Kimberly Area Senior Citizens Enjoyed Holiday Cheer at School District's Senior Quest Program**

**Kimberly, Wis. – December 7, 2016** –Senior citizens from the Kimberly Area School District gathered for a festive holiday program on Friday, December 2, 2016. About 75 people came together for the monthly Birthday Brunch and Bingo event put on by the school district and the Village of Kimberly. The program is a point of pride for the District since Senior Quest has a long history of connecting high school students with area senior citizens. It is a unique initiative that has been connecting generations for several decades.

To begin the event, the Kimberly High School Chamber Choir, under the direction of John Popke, choir director, performed five festive songs for the crowd. Following their performance, students from the Kimberly High School Key Club got busy serving the meal and later assisting with the bingo game. To wrap up the event, a drawing was held for colorful poinsettias for some lucky attendees to take home.

Students from the Kimberly High School Key Club help with the event each month by setting up tables, serving food, assisting with bingo, and cleaning up after the event.

Senior Quest events are open to all friends of the Kimberly Area School District. Dates for the remainder of the 2016-17 school year are:

January 6, February 3, March 3, April 28 and May 12. There is a small fee to participate: \$4/person for brunch and \$1/bingo card. Reservations are necessary by calling the Senior Quest RSVP line at (920) 423-4132 by the Friday before each event.

### **About the Kimberly Area School District**

The Kimberly Area School District is a progressive public school district committed to providing the best possible education available to students. Its responsibility is to help lead the way in developing well-rounded students and future citizens. The district wants every student to be given the opportunity to reach their potential through academics, the arts and co-curricular activities. It encompasses approximately 17 square miles and serves approximately 4,900 students in four elementary schools (4K-4), two intermediate schools (5-6), one middle school (7-8), one charter school (8-12) and one high school (9-12).
