## **2016-17 WINTER WEATHER POLICY**

The Heart of the Valley YMCA provides care in the following school districts:

- Kaukauna
- Kimberly
- Wrightstown

If the School District **delays** the start of the school day (2 hour delay), the YMCA will not provide before school care. (Wrap Around programming would begin at the same time as the delayed elementary start.)

If the School District **cancels** for the school day for any reason, the YMCA will not provide care at all that day.

If the School District **dismisses school early** the YMCA will not provide afternoon care. (Wrap Around students would need to be picked up within 45 minutes of school dismissal.)

Claire Nodolf

**School Age Director**
