

KIMBERLY HIGH SCHOOL FAMILY NEWSLETTER

Washington Post's America's Most Challenging High Schools

<http://apps.washingtonpost.com/local/highschoolchallenge/>

January 2017

At Kimberly High School January brings not only the opportunities of a new calendar year but later this month the start of a new semester. Every student will have a different schedule with different courses and new teachers. This is a great time to reflect on the successes and challenges of the first semester and to make a resolution to sustain or improve academically as the new semester begins. Likewise, our teachers are looking forward to meeting new classes of students and to begin the process of creating a positive learning environment in their second semester classes.

This is also the time we begin the process of course selection for the 2017-18 school year. Again, we anticipate an enrollment increase so classes tend to fill and making schedule changes in fall may be difficult. So, please take some time to look at all of the course offerings and opportunities we offer and remember that a well-balanced selection of courses is always a great choice.

I think it is also important that I share some of the details from the KHS Graduate Survey that was shared with our School Board at their last meeting.

Data from 2012 through 2016 graduates shows:

- 53.05% enroll in a 4 year college after graduation
- 20.39% enroll in a 2 year college (Fox Valley Tech or UW Fox Valley)
- 26.57% choose not to immediately enroll in school
- 4.5% join the military

Data from our 2009 to 2012 graduates shows the following post-high school graduation rates (1, 2, 4 or higher level program completion as of 12/1/16)

- Class of 2009 (314 grads) 63.74% of 262 students who started a program completed
- Class of 2010 (302 grads) 68.08% of 260 students who started a program completed
- Class of 2011 (300 grads) 59.68% of 253 students who started a program completed
- Class of 2012 (356 grads) 48.03% of 304 students who started a program completed

As we continue to work toward the implementation of the Academic and Career Plan for next year some of our focus areas will include:

- Identify and Communicate Readiness Indicators
 - College Ready Indicators
 - Career Ready Indicators
 - Life Ready Indicators
- Creating new business and college partnerships
- Developing a mentoring and advisement plan for our students

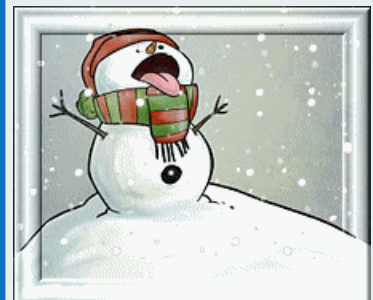

I look forward to the opportunities a new semester brings!

Project Green to be Presented with Award!

Project Green focuses on sustainable living and environmental issues relevant to the school and community. For the past several years Kimberly High School Project Green Club has partnered with Fox Cities Greenways Inc. to make Fox Valley citizens aware of the green trails and areas for running and biking in their community. Project Green has volunteered at the FCGI booth at farmer's markets in downtown Appleton and this year the club helped out with a fundraising "Top Fox Run" that was held on September 25th at the Refuge. Several club members attended on a beautiful fall day and staked out different areas of the course and helped runners stay on the right path. Refreshments followed the run and one Project Green member, Emily Been, helped to provide the day's entertainment as the lead singer in a band called Collateral Damage. Now Fox Cities Greenways would like to honor the club with their Youth Volunteer award to be presented at their annual membership meeting. The presentation will be held on January 26th at Riverview Gardens. Officers Lena Simon and Sophia Risch will attend along with advisors Katie Heling and Dean Simon.

Corrine Vanevenhoven was awarded the Voice of Democracy Certificate of Merit for Outstanding Spokesperson for Freedom from the V.F.W. Post of Menasha Ladies Auxiliary. She applied for the scholarship and she moved on to the next level and was given \$50 as well. The presenters were David Mix and Richard Meyer.

A representative from the UW-Oshkosh Testing Center will be at KHS on Wednesday, January, 25th to give the Math Placement Test. The test will be given at 7:30 am in the LGI. Any student who has completed Math 3 and plans on taking CAPP Precalculus this year or next year for college credit may take the Math Placement Test. To sign up for the Math Placement Test, bring \$5 to the KHS Main Office by Friday, January 20th.

2nd Semester CAPP Precalculus Students:

If you are planning to take CAPP Precalculus for college credit and have not completed the CAPP Admission Application online, you must complete this by **Friday, January 6th, 2017**. Instructions for completing the online application at <https://www.uwosh.edu/capp/students/first-apply-then-register>

Students will receive an email with their student information prior to the beginning of the semester. This email is initiated by the CAPP Office as a mass message, and will likely be sent the second week of January. **Students must apply before Friday, January 6, or they will not receive their student information.** Without your student information you will not be able to register for college credit once you start the class January 23rd.

If you are planning to take CAPP Precalculus for college credit, you must also meet the minimum scores on the UW Math Placement Test. This should be done by the **end of January**. A representative from UW-Oshkosh will be here on **Wednesday, January 25th at 7:30am** to administer the test. The cost of the test is \$5. See the January newsletter for sign-up details. You may stop in Student Services to get a review packet.

Students may retake the Math Placement Test only three times. There must be a 7 day wait between attempts.

If you would like to take the Math Placement Test before January 25th, you may go to UW-Oshkosh to take it. Be sure to tell them you are from Kimberly HS, so that the scores get sent to us.

The phone number is (920) 424-1432.

The hours of the UW-Oshkosh Testing Center are:

Monday, 12/19/16 – Wednesday, 12/21/16: 8am – 2pm

Testing Services Closed: Thursday, 12/22/16 – Monday, 1/2/17

Monday, 1/3/17 – Friday, 1/20/17: 8am – 3pm*

***Closed: Monday, 1/16/17 Martin Luther King Jr Day**

Monday, 1/23/17 – Friday, 1/27/17: 8am – 2pm

Kimberly High School Student Art Show Held at Jack Richeson School of Art and Gallery

Many of our talented KHS art students will be given a wonderful opportunity to have their artwork shown for a month in a real art gallery, right here in Kimberly! The Jack Richeson School of Art and Gallery will be featuring between 60 and 70 pieces of student art on display for the month of January. The work on display will include a wide variety of two dimensional and three dimensional pieces. This event is free to the public and guests who attend the event will get a chance to vote on their favorite piece at the show. This will be a great opportunity for parents and community members to see the talent of our students, as well as view the incredible artwork that is a part of the permanent collection at Jack Richeson Gallery. The winning student of the People's Choice Award will receive a \$100 materials certificate for art supplies. We would love for you to attend!

WHEN: **Friday, January 13th 5:30-7:30**

WHERE: **Jack Richeson School of Art and Gallery**
 557 Marcella St. Kimberly Area School District

The Kimberly High School Car club is sponsoring their annual bus trip to the Chicago Auto Show, February 16, 2017. The Chicago Auto Show is the nation's largest auto show. Students can view new vehicles, forthcoming vehicles, concept vehicles, new technology, and enjoy many hands on activities. Cost for the coach bus trip and show admission ticket is \$60. The bus leaves KHS at 6AM and returns at 10PM. (No school on Friday, Feb 17.) Students do not have to be a Car Club member to go on this trip. For more information and permission slips, check in the KHS LMC starting January 11, 2017. All signed forms, and payments are due by February 8, 2017.

Questions? Please contact Paul Girod, pgirod@kimberly.k12.wi.us, or call 687-3024 on Wednesday's.

P.S. Parents can go on the trip for the same price, as long as you have an up to date school background check. Don't have a background check? You can pick up the application form in the High School office. Allow 3 weeks for processing.

The following information was taken from the book written by Tom Doyle titled "The Sports Parents Manuel".

Things Parents Do That Their Kids Really Appreciate!

- Taking time to come to games and support what we do
- Supporting the whole team, not just me
- Cheering the team even when we are doing badly
- Being quiet unless cheering with everyone else
- Never yelling at a coach or referee
- Making friends with other parents
- Telling a "negative" parent to be quiet

Things Parents Do That Embarrass Their Kids!

- Coaching during games even though you aren't the coach
- Telling me what I was doing wrong after every game
- Going crazy at the refs – because that is not your job
- Yelling things at the coaches
- Being asked to leave the field by an official
- Taunting other players, opponents or refs

Winter is right around the corner. If weather conditions dictate that there will be no school, a decision to keep the schools closed is usually made by 6:30 a.m. Parents with students in school receive a direct call, text and/or email from our auto-call system since that is the fastest way to communicate with thousands of parents at one time. As a reminder: If you have a new phone number or email address, please update your information in the Infinite Campus parent portal or contact your school's secretary to update the portal.

Announcements are also sent to local T.V. and radio stations, please tune to local stations such as these rather than call the school directly: WAPL-105.7FM, WHBY-1150AM, WKFX-104.9FM, WEMI-91.9 FM, WGEE-1360 AM, and WOZZ-93.5FM; and WBAY-TV2, WFRV-TV5, WGBA-TV26, and WLUK-FOX11. If other school events, such as concerts or sporting events are also cancelled because of weather, they are typically communicated through these stations as well.

The District's website and Facebook page are not our primary way to communicate school closures, so we ask parents to listen to the auto-call messages or tune in to the radio and T.V. stations listed for the timeliest updates.

More information can be found on the Home Page of the KASA website & Registration for this Camp is the same Link as shown above.

THE KHS HONORS THEATRE PRODUCTION CLASS PRESENTS:

WOYZECK

by Georg Buchner

January 13 & 14

7:00pm

Free Admission

Rated PG-13

Exploring the theatrical styles of both Naturalism and Theatre of Cruelty, the KHS Honors Theatre Production class presents a fresh interpretation of this classic play. Having fathered an illegitimate child with his lover Marie, feckless soldier Franz Woyzeck takes odd jobs around his small town to provide some extra money for them. One of these is volunteering for experiments conducted by a local doctor, who puts Woyzeck on a diet of peas; this serves to drive him to the brink of madness, and the discovery that Marie is conducting an affair with the local drum major exacerbates the situation. Pushed too far, Woyzeck resorts to violence.

Based on the true story of Johann Christian Woyzeck, a lowly soldier in Leipzig, Germany, this remains one of the most enigmatic and influential works of modern theatre. The exploration of the dehumanizing tests Woyzeck was put through to determine if he should be held responsible for his actions, and the implications of these tests, provide the impetus of Buchner's episodic and radically innovative play.

Letters to Santa Campaign Raises \$1,320

Our DECA chapter raised \$1,320 for Macy's "Believe" Campaign! Macy's Letter to Santa Campaign was a DECA project organized by Community Service Director Taylor Paschen. Students at several district schools and child care centers took the time to write a letter to Santa. The campaign benefits the Make-a-Wish foundation. Proceeds from the Letters to Santa project will help Make-A-Wish foundation make dreams come true for children with illnesses.

DECA Students Learn About Sports Marketing from The Milwaukee Bucks

Twenty-eight students made the trip to Milwaukee to learn more about sports marketing from the staff of the Milwaukee Bucks organization. As part of this experience, students were able to get a behind-the-scenes tour of the BMO Harris Bradley Center, including having access to various corporate suites, VIP lounges, and courtside activity areas. Additionally, students took advantage of a question-and-answer session with three members of the Milwaukee Bucks staff to learn about such topics as sales, marketing, corporate events, and internships available with their organization. After the tour and information sessions ended, students were able to enjoy the basketball game against the San Antonio Spurs. As one student stated, "It's great to see a Kimberly alumnus working for the Bucks. That could be me someday."

2017 SHOW DATES

Kimberly High School
Thurs., April 20th - 6:30pm
Fri., April 21st - 6:30pm
Sat., April 22nd - 10:30am & 3:00pm

You're invited to audition for this delightful musical that follows Beatrix Potter as she imagines and brings the charming characters to life in her books that have become enduring tales.

Cast of 45 with roles for adults and children ages 8 and up!
Roles for all types of time availability, too!

Beatrix Potter	Rabbit Children	Dolls
Beatrix's Mom	Mother Rabbit	Animals and more
Beatrix's Father	Mr. McGregor	delightful
Governess & Family	Tailor	characters!
Beatrix's Editor	Footman	All ages that like
A Maid	Mayor	to entertain!
	Farmer & Wife	

This is a musical. All cast members will be asked to sing as part of the ensemble and perform simple dance steps. For most roles, singing and dancing are important parts of portraying the character.

Audition Notes:

- All cast members must be 8 years old by April 20th, 2017.
- All who audition should come prepared to:
 - read selected excerpts from the show. (Due to copyright restrictions, scripts cannot be provided ahead of time).
 - sing acapella, 30 seconds of a song of your choice. You may be asked to sing additional selections as well.
 - learn and perform simple dance steps as part of a group.

Have Questions?

Contact Linda Mongin at
920-830-9290 or email to
PapermakerPlayersInfo@gmail.com

Follow Papermaker Players
Family Theatre on Facebook!

Cast members must be available to attend all rehearsals required for their role.

- Should you acquire a part for BEATRIX POTTER, rehearsals will generally be held on Tuesday and Thursday evenings after 5:00, Sundays between 1:00 and 7:00. Saturday mornings will be added to the schedule in March.
- It will be expected that you schedule other weekly events(dance, piano, voice, guitar, etc.) for any day before 5:00 or on Monday/Wednesday/Friday during the week so there will be little to no conflicts. Not every person will be required to attend each scheduled rehearsal. . . it is based on the role you are cast in.
- During the dates of **April 10th-22nd, you will be expected at rehearsals, no exceptions. ****NOTE: this is Kimberly's Spring Break and may be other school's also. If you are planning on a vacation during these dates, your child will not be able to participate in this year's show.**
- While we certainly understand that sometimes this is difficult, if you cannot change the events please re-consider auditioning for the show.
- Students in the Fall or Spring productions at JRG are able to be in both productions (JRG Show and the PPFT show). The directors have agreed to this and will make rehearsals work without penalty.

ATTENTION, KHS STUDENTS.

This year marks the return of a long-anticipated social event, back by popular demand.

The *Spree* dance will take place on Saturday, February 11th, from 8 PM to midnight, at Kimberly High School.

Ticket price is \$10.

Formal attire comparable to homecoming suggested.

There will be a DJ.

The preceding week of February 6th will be a spirit week. Get ready for dress-up days you requested.

September 23, 2016

Dear Kimberly High School Parent or Guardian,

Beginning in the 14-15 school year, the state of Wisconsin introduced a number of changes to the state's student assessment system. Since that time, those changes have remained consistent and include:

- Aspire Early High School Assessment – grades nine and ten
- ACT and WorkKeys – grade eleven
- Forward Social Studies assessment – grade ten

The ACT Early High School Assessment will cover five subject areas for students in grades nine and ten: Reading, Math, Writing, Language Arts and Science. The tests will be computer-delivered and will be spread out over multiple days. Students in grade nine will test during their English classes the weeks of April 24 and May 1. Students in grade ten will test on April 25 & 26 during a modified school schedule. In addition, students in grade ten will take the Wisconsin Forward Exam, a Social Studies-only test that will be administered by computer on Wednesday, April 26.

In addition, for the third year, every junior in the state of Wisconsin is required to take the ACT and Work Keys assessments. This year those tests will be held on February 28 and March 1. All juniors will report those dates during a modified school schedule.

Please note the modified school schedules listed on the next pages.

Additional information about the ACT Early High School and Forward assessments will be shared as they become available.

If you have questions about the ACT Aspire Early High School assessment, please contact me by phone or email.

Sincerely,

Jason Nate

Wisconsin State Standards. Wisconsin students are taught with the rigor and complexity as required by the Wisconsin State Standards and will be well prepared to be successful with the ACT assessments.

What are the Wisconsin State Standards?

The Wisconsin State Standards define the knowledge and skills students should take away from their K-12 schooling to be successfully prepared for postsecondary and career opportunities. The Wisconsin State Standards are available at <http://dpi.wi.gov/standards>.

What are the ACT High School Assessments?

ACT®, Inc. has provided testing services for more than 50 years and their assessments have evolved over the years to reflect the nation's view of education to embrace lifelong learning and prepare students to be college and career ready after high school graduation. The Wisconsin Department of Public Instruction (DPI) entered into a partnership with ACT®, Inc. during the 2014-15 fiscal year to comprehensively assess Wisconsin high school students:

- 9th and 10th grade students will take the **ACT Aspire™ Early High School** assessment in the Spring.
- 11th grade students will take **The ACT® Plus Writing** and the **ACT® WorkKeys® Assessment System** in the Spring.

The ACT Aspire™ Early High School - ACT Aspire assesses student readiness in English, mathematics, reading, science, and writing.

The ACT® Plus Writing - The ACT Plus Writing consists of four multiple-choice tests: English, Mathematics, Reading, and Science; and a 40-minute essay test that measures student writing skills.

ACT® WorkKeys® - ACT WorkKeys is an applied skills assessment system which consists of 3 tests: Applied Mathematics, Locating Information, and Reading for Information.

How are the test results used?

All students in grades 9-11 will be given these assessments except for approximately 1% of students with significant cognitive disabilities who will be tested with an alternate assessment. This system of assessments will allow teachers to measure a student's growth throughout high school.

DPI will also use The ACT® Plus Writing for the high school accountability measure in order to determine the extent to which schools and districts across the state meet proficiency standards.

What type of scores will be provided?

- ACT Aspire™ Early High School scores are reported on a 3 digit scale. These scores will predict future ACT scores and WorkKeys National Career Readiness Certificate attainment.
- ACT scores range from 1 to 36 for each of the subtests and one overall score called a test composite. Students will also receive a writing score ranging from 2 to 12. In most situations scores earned on the ACT can be used by students for college enrollment, scholarships, and NCAA eligibility requirements. Many UW System colleges require ACT scores for college entrance.
- By taking the WorkKeys assessment, students can earn National Career Readiness Certificates (NCRC) that are recognized nationally by businesses and industries. This certificate is used by some employers

to make sure prospective employees have the skills necessary for the job they are applying for. Students will demonstrate their skills in the areas of Applied Mathematics, Locating Information, and Reading for Information.

- Score reports will be available 4-6 weeks after each assessment is given.

Where can I find sample or practice test questions?

Practice tests and sample test questions are available from ACT. Actual test items are not released.

- ACT Aspire™ Early High School sample items available at: <http://www.discoveractaspire.org/assessments/>
- The ACT® Plus Writing practice tests available at: <http://www.actstudent.org/sampletests/>
- The ACT® Plus Writing sample writing prompts available at: <http://www.actstudent.org/writing/sample/>
- The ACT® WorkKeys® practice test available at: <http://www.act.org/workkeys/assess/sample.html>

What learning standards do the ACT High School Assessments measure?
ACT and DPI work together to ensure that the ACT assessments measure what students have learned through the

Family Move - Outside of the Kimberly Area School District

When a family moves outside of the Kimberly Area School District, students may continue to attend the school where they are currently enrolled if they qualify for a Tuition Waiver (obtained from the district office). Students who qualify for a Tuition Waiver are entitled to continue their enrollment through the waiver period. However, they are required to apply for Open Enrollment during the next Open Enrollment application period if they want to remain in the Kimberly Area School District after the Tuition Waiver has expired.

Family Move - Within the Kimberly Area School District

When a family move occurs within the Kimberly Area School District, students may continue to attend the school where they are currently enrolled even though their residence has changed to another Kimberly Area School District attendance area.

Parents who wish to have their student(s) remain in the same school after a move within the school district, must complete the Attendance Exception Form located on the district website, under Parents→Attendance Area and return it to the district office Attn: Sara Vogel

Emergency Medications: Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

JOB OPPORTUNITY

The District is currently looking for substitute teachers. If you or someone you know is interested in applying, please contact Jodi Staerkel at (920)788-7900. More information is available at www.kimberly.k12.wi.us/
