A Message from our Principal

Happy New Year Westside Families!

I hope you all had a chance to take some vacation and spend some time with your families. I will be honest, after all that time cooped up with my kids, I was happy to send them to school and happy to see yours walk through our doors! Haha!

2017 is set to be another exciting year for our Westside Eagles! In the next 5 months your children will be doing a lot of amazing things. I encourage you to ask about their days at school to find out about all the amazing things they are learning and doing each day. Westside students are often giving back and doing things in the Kimberly community. This year, our 4th grade is in charge of naming a few streets and a park in the new development by the Fox River, The Cedars! They are working with the Community Enrichment Director on this project and doing a lot of research to find just the right names. I already made a push for Peterson Parkway, but it has been voted down.

Our third grade is learning about life-time healthy habits, culminating with a trip to the YMCA to do life long activities like Karate and Yoga to name a few! Our 2nd grade will be heading to Bubolz Nature Center as part of a science unit where they will be doing some navigating with compasses and learning about insects!

In first grade our students will be having lots of fun with their air and water unit creating balloon rockets and parachutes, along with air and water fountains; culminating with a trip to the children's museum! Our '5Kers' will be working with the Village of Kimberly for Arbor Day this year. On Arbor Day they will be headed over to Sunset Park where each child will plant a tree!

Warm Regards,

Jonathan Peterson

The Kimberly Area School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

The newest edition of ***School Matters*** (the District Newsletter) is available [here](#) or on the KASD website!

EMERGENCY MEDICATIONS

Please be aware that emergency medications that are provided for use during the school day will not be accessible before or after school hours. Parents and students must plan ahead to have emergency medication available during before or after school activities such as clubs and sports. If an emergency arises and a student does not have their emergency medication available, 911 will be called.

WEATHER CANCELLATIONS

Winter is upon us! If weather conditions dictate that there will be no school, a decision to keep the schools closed is usually made by 6:30 am. Parents with students in school receive a direct call, text and/or emails from our auto-call system since that is the fastest way to communicate with thousands of parents at one time. As a reminder: If you have a new phone number or email address, please update your information in the Infinite Campus parent portal or contact our Westside Office to update your information.

Announcements are also sent to local TV and radio stations; please tune to local stations such as these rather than calling the school directly: **WAPL-105.7FM, WHBY-1150AM, WKFX-104.9FM, WEMI-91.9FM, WGEE-1360AM, and WOZZ-93.5FM; and WABY-TV2, WFRV-TV5, WGBA-TV26, and WLUK-FOX11.** If other school events, such as concerts or sporting events are also cancelled because of weather, they are typically communicated through these stations as well.

The District's website and Facebook page are not our primary way to communicate school closures, so we ask parents to listen to the auto-call messages or tune in to the radio and TV stations listed for the timeliest updates.

DATES TO NOTE

- **TWIN DAY** — Friday, January 6th—find a friend and dress like twins for the day!

(also—2:00 Dismissal on Friday)

- **4K/5K Registration** — January 18th— 8:30 am—6:00 pm—School Office

SAFETY REMINDERS

For the safety of our students and staff, please do not pull into the circle in front of school when students are present. Also, we have had reports that cars are parking in “no parking” areas to drop off children and then backing up into cross-walks where children are walking. We ask that you avoid the cross-walks and find a different area to drop off your children. Thank you!

SPEAKING OF SAFETY...THANK YOU CROSSING GUARDS!!

During the week of January 16-20 we celebrate **Crossing Guard Appreciation Week** and we'd like to give a quick “shout out” and “thank you” to our awesome crossing guards! Our students and staff are preparing cards and treats to express our thanks! No matter what the weather or circumstance, our crossing guards do a great job keeping us safe!
