Briten Frost, Grade 4 Teacher

Greetings from 4th grade! My name is Mrs. Frost and I have been a proud Bulldog since 2003! I taught 2nd grade for 9 years and this will be my sixth year in 4th grade. I graduated from the University of Wisconsin-Eau Claire with a dual major in Elementary Education and Special Education, Learning Disabilities. I completed my Master of Education Degree from Olivet Nazarene University in 2008. As always, I look forward to the challenges and rewards that each school year brings.

Teaching kids is my professional passion, but outside the classroom, I enjoy spending time with my family. My husband teaches high school science in a neighboring district and my son is 3! We love playing outdoors - camping, hiking, swimming, bike rides, and exploring the woods. Other personal interest include kayaking, running, cross country skiing, gardening, reading books, and watching movies (though a 3-year-old doesn't allow much time for sitting still!)

Thank you for sharing your child/children with us - Janssen in a GREAT place to learn and play!
