

# Staff Profile 2017-18

## Stan Zdanovec, Grade 4 Teacher

I have been an elementary teacher for 30+ years, with 30 of these years in the Kimberly Area School District. I have taught 6th, 5th, 2nd, 1st, and 4th grade.

Along with my teaching duties I have served as the Building Coordinator for the past 15+ years and Safety Coordinator for the past 5+ years.

I have had the pleasure to coach: Girls/Boys varsity high school tennis, USTA team tennis, Boys/Girls soccer from ages U-7 to U-17 traveling teams, Boys/Girls Kindergarten to Grade 6th basketball teams, Grade 5th and 6th football teams.

Being very sports minded, watching my three kids play college sports was a true pleasure. My oldest daughter played and in med school and coached soccer for St. Louis University. My youngest daughter played tennis for Valparaiso University and my son played tennis for St. Norbert College.

My hobbies are walking trout streams and lake fishing, shooting my compound bow, putting in long miles riding on the Wisconsin bike trails, cross-country skiing, listening to music, and attending concerts like The Rolling Stones, Bruce Springsteen and George Thorogood.

Favorite sport teams include the St. Louis Cardinals, Green Bay Packers, Wisconsin Badgers football/basketball teams, St. Louis Blues and professional tennis.

Whenever I get the chance I love spending time with family and close friends.
