SOLE BURNER

Dear Westside Families,

In November our Westside staff lost a dear friend and co-worker, Karen Killian. Karen loved her family and her school family greatly. Cancer took her from us too early, but she fought it to the very end. Cancer affects so many... that is why our Westside student council has decided to work hard to support the American Cancer Society this year.

PLEASE join our Westside staff and students on Saturday, May 13th as we walk/run the Sole Burner in **Memory of Mrs. Killian**. The morning is filled with many activities for kids including a Fun Run (1K or 1 mile), plus many kid activities such as creating wood projects from Home Depot, face painting, riding the train, dancing, and more! Please check out the Sole Burner website (SoleBurner.org) for loads of details. Cost for the Kids Run is \$12.00 per person and the cool thing is \$10.00 of this will go right to pediatric cancer! The Kids Run starts at 8:15am. Students will need to be accompanied by an adult for this event.

After the Kids Run is the **5K Walk/Run**....kids may participate in this at no extra cost with their family. This race is chipped timed! Please check out the Sole Burner website for more details on this race also!

Sign up on-line or with the attached registration form for "TEAM WESTSIDE" in memory of Mrs. Killian. ***If you sign up prior to April 12th you will receive a Sole Burner shirt with the back designed with Mrs. Killian's photo on the back!*** Registrations after April 12th will receive a Sole Burner t-shirt, but no back design.

If you have any questions please do not hesitate to call, email or send a note.
The Westside Student Council

Literacy is a foundational skill for future learning.

Our 4K Center for Literacy builds a strong foundation for students to start here and to excel here.

Through our "Connecting Papermakers with Minimakers Literacy Project," pictured above, Kimberly High School students studying child development have the opportunity to learn in kindergarten classrooms.

Help us spread the word to families that want to start here and excel here: We are accepting kindergarten registrations and open enrollment applications for next school year.
