Messages from the Panther Career Center –

Is your student scheduled to take one of the spring SAT tests? May 5 and June 2 are the last tests before the end of the school year.

FREE SAT practice tests are being offered on Monday, April 2 and Monday, May 7 from 4:00 – 8:00 pm at the Wenatchee Public Library. To register for a practice session go to www.tutordocor.com/wenatcheevalley or call Kathleen at 509.470.6499.

Wenatchee Valley College will hold an Open House on Saturday, April 7, from 11:00 am to 3:00 pm. If you are thinking of attending WVC, visit the campus for tours, demonstrations, mini-lectures, college-prep workshops and Alumni events. For more information visit wvc.edu/OpenHouse.

For parents of **sophomores**: if your student needs extra support to be successful through the remainder of their high school years, there is the **Wenatchee Sunrise Rotary Challenge Scholarship**. The purpose of the scholarship fund and program is to challenge the student to (1) finish high school, (2) demonstrate service to the community through volunteering, and (3) to enroll in post high school education. Students who are awarded this scholarship will have a mentor to help them during their junior and senior years, and upon graduation and application to college, receive a financial award towards tuition. Applications are in the Career Center and the deadline to apply is Friday, April 6 (*bring application to the Career Center on Monday April 9 when we return from spring break*).

Are you a junior or senior interested in **Running Start** in the 2018-2019 academic year? Wenatchee Valley College is holding **mandatory** information sessions every Monday and Wednesday, April 2 to April 18, from 5:30 – 6:30 pm in Grove Recital Hall in the Music and Art Center on the WVC campus. **Interested students must attend at least one session and parents are encouraged to join them.** On Tuesday, April 24, a mandatory session will be offered in Spanish for those students whose parents need the information translated. This session will be held in Wenatchi Hall Room 2220 (second floor). Register for any of the information sessions at <https://wvcrunningstart10.youcanbook.me>.

Online Tutoring and Homework Help

Wenatchee High School has partnered with an online tutoring service to provide students with another opportunity for 1-on-1 homework help. This service allows students to work with a tutor at any time during the day or night (24/7). The service provides support for over 40 subject areas including all AP courses, and you will find that Spanish speaking tutors are available in math, science and social studies.

When students login to the service, the amount of time they work with a tutor is deducted from the total hours that we have purchased. The time deducted is the same regardless of the subject area students choose, or the time of day students are accessing the service. So, we ask that the time is used wisely.

The service may be used on a computer, tablet or smartphone and all correspondence is recorded within their system for the purpose of student safety.

If you and/or your student is interested, use the following login information to begin.

The website address is: www.tutor.com/whs

Username: seven-digit student ID number -- Example: 0403154

Password: seven-digit student ID number -- Example: 0403154

Are you or your student interested in a trip to Italy?

Chris Cloke and two other teachers are taking students to Italy during the Spring Break of 2019.

For students wanting to attend an **out-of-state school**, get information on reduced tuition offers at: www.wiche.edu/wue

WUE is the **Western Undergraduate Exchange**, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in Western states may enroll in participating two-year and four-year public college programs at a reduced tuition level: up to 150 percent of the institution's regular resident tuition. In all cases, WUE tuition is considerably less than nonresident tuition. For answers to many of the commonly asked questions about WUE, visit [wiche.edu/askwiche](http://www.wiche.edu/askwiche).
