

Name: _____

Date of Birth: _____

Class Request Planning Form for Junior Year

On the form below, list the classes you want to take next year. At this point, the order does not matter and the requests do not reflect specific semesters. **Keep in mind, if you list one class on an A/B rotation, you must list a second. If you select a third, you must select a fourth, etc. Please identify these courses as “A/B” which will last all year long rotating every other day.** Further information regarding the junior year can be found on the back of this form.

Descriptions of courses can be found on the WHS counseling web page in the Registration Guide and Course Catalog.

Example Request List:

- Junior American Literature

Algebra 2

AP US History (A/B)

Chemistry
- Personal Finance and Technology

Introduction to Drafting

Photography 1

GA Band (A/B)

Preferred Choices: List your preferred 8 class choices for next year.

<i>0 Period Class? Circle one.</i>		Mock Trial	Jazz Ensemble	Vocal Jazz
English:		Elective:		
Social Studies: U.S. Hist. or AP U.S. Hist.		Elective:		
Science or Elective:		Elective:		
Math or Elective:		Elective:		

Other important information for your counselor to know/questions:

English: 1.0 credit required in grade 11

(Taken the opposite semester from US History)

Junior American Literature **Semester**Advanced Junior American Literature **A/B Rotation**AP Language **Semester****U.S. History: 1.0 credit required in grade 11**

(Taken the opposite semester from English)

U.S. History **Semester**AP U.S. History **A/B Rotation****Math: 3.0 credits to graduate**

(Algebra, Geometry & Bridge to Alg II, Alg II, Applied Math or Accounting)

Students attending a 4 year college need to be in math their senior year unless they have completed Math 154/Precalculus by the end of their junior year. Refer to the following sequences to determine your next math class:

Current Class

Bridge to Algebra 1

Algebra I (Part 2)

Geometry

Algebra II

Trigonometry

Precalculus (Math 154)

Next Class(es)

Algebra 1 (Part 2) & Algebra 1 (Part 2)

Geometry & Bridge to Alg. II, Algebra II, Applied Math
or Accounting

Bridge to Alg II &/or Alg II or Accounting

Trigonometry **(A/B)**

Precalc (Math 153) & Precalc (Math 154)

or AP Statistics **(A/B)** or AP Computer ScienceCalc AB (Math 172) **(A/B)** or AP Statistics **(A/B)**

or AP Computer Science

Science: 3.0 total credits to graduate

Zoology

Geology

Environmental Science

Genetics

Anatomy

Natural Resource Science

Adv. Natural Resource Science

Horticulture

Veterinary Science

Chemistry

Physics

Marine Biology

AP Physics

Exercise Science

A/B Rotation Classes

AP Biology

AP Chemistry

(All science courses are "lab" sciences)

(must have completed IPC)

(must have completed IPC)

(must have completed Biology)

(must have completed Biology)

(must have completed Biology)

(must have completed or be enrolled in Biology)

(must have completed Nat. Resource Science)

(must have completed or be enrolled in Biology)

(must have completed Biology)

(must have completed IPC)

(must be enrolled in or have completed Algebra II)

(no prerequisite)

(must have completed Physics)

(no prerequisite)

(must have completed Biology)

(must have completed Chemistry)

Note: A year of Sports Medicine or Health Occupations can count for 1.0 science.
