# Registration Planning Form for Sophomore Year

On the form below, list the classes you want to take next year. At this point, the order does not matter and the requests do not reflect specific semesters. **Keep in mind, if you choose one class on an A/B rotation, you must select a second. If you select a third, you must select a fourth, etc. Please identify these courses as “A/B” which will last all year long rotating every other day.** Further information regarding the sophomore year can be found on the back of this form.

**Descriptions of courses can be found on the WHS counseling web page in the Registration Guide and Course Catalog.**

**Example Request List:**
