CHANGE OF ADDRESS
Please report a change of address or phone number(s) to the Counseling Office. Please include cell phone numbers if applicable. Please call 663-8117 for the Counseling Office to report these changes and additions.

WITHDRAWAL FROM SCHOOL
A parent, guardian, or Power of Attorney MUST be present, WITH identification to withdraw a student from Wenatchee High School. The parent, guardian or POA’s signature is required on the withdrawal form and all applicable paperwork must be completed. ALL fines and fees must be paid before a transcript will be forwarded (RCW 28A.635.060).

SCHEDULE CHANGES / CLASS WITHDRAWALS
Every effort will be made to place students in courses that are appropriate for their abilities and future educational or career interests. Maximum student and parent input will be allowed during the time when course selections are made. Once those selections are made, we will honor them to the extent possible. No changes will be made in these selections after this form is finalized except for the following reasons:
1. A required course for graduation is failed during the current year or,
2. A course is taken during summer school, which fulfills requirements.
3. Exceptional circumstances, including dropping a class after the time frame outlined by our counseling services. Any student can pick up a Drop Class form at the counseling office.

Any course dropped after 15 days will receive a “W” on the student’s transcript. Courses dropped after the quarter mark of the semester will receive an “F” grade on the transcript.
PRIDE
WHS encourages students to follow clear expectations around their behavior. PRIDE expectations were developed in collaboration with students and staff. All students and staff are to focus on being positive, inclusive, determined and engaged in their work and learning. Students' conduct in the classroom will be such that it will not disrupt the teaching/learning process. If situations arise, the classroom teacher initially handles student misbehavior and contacts parents when warranted. If behavior continues, students will be referred to the office for more support.

STUDENT SAFETY
Harassment, Intimidation & Bullying
Harassing behaviors are taken seriously and will not be tolerated. If you witness, or are the target of this behavior it is critical that it be reported to an administrator as quickly as possible. You may speak to any administrator to make a report, or you may use the “Student Concern Report Form” on the homepage of the WHS website. When a report is made, it will be investigated fully by administration and appropriate action will be taken based on the findings.

Harassment, intimidation, or bullying means any intentional electronic, written, verbal, or physical act when the intentional electronic, written, verbal, or physical act:

- Physically harms a student or damages the student’s property; or
- Has the effect of substantially interfering with a student’s education; or
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

- Because the above definition includes the use of electronic devices and/or social media, T.H.I.N.K. before you post online or use an electronic device for the purpose of hurting, degrading, or trolling others.

T - Is it True?
H - Is it Helpful?
I - Is it Inspiring?
N - Is it Necessary?
K - Is it Kind?

Earthquake Emergency
If an earthquake is to occur please follow direction from staff.

Fire Emergency
When the fire alarm sounds, all students and building personnel will evacuate the building immediately. Students must leave their classroom and proceed directly to the designated exit. Teachers will take attendance and will stay with their classes. All classroom doors and windows must be closed. Intentionally pulling a fire alarm will result in police contact and disciplinary action.

Lockdown Emergency
A Lockdown is administered when there is a physical threat emergency. The lockdown notification will sound and please follow directions provided by the system and by staff. Please keep in mind that the physical threat can be inside of the building or outside of the building.

Sheltered-in-Place Emergency
A shelter-in-place is an air quality emergency. The Shelter-in-place notification will sound and please follow directions over the system and by staff. Please keep in mind that the air quality concern may occur in the building or outside of the building.
ATTENDANCE
In order to maximize instructional time and encourage student responsibility, Wenatchee High School has implemented a system for classroom attendance. Students will be required to scan into class using the barcode on their student ID card. Students may also access a digital copy of the barcode using the Skyward mobile app on their phone. Every classroom space will have a scanner available to record attendance. If a student does not scan their card in the classroom, they will be marked as absent by the Skyward system. The absence will remain unexcused until the office is provided an acceptable excuse by parent/guardian or school authority. 48 hours (2 school days) is allowed to excuse an absence if it meets acceptable criteria. If a student is late to class, they must sign in at a tardy kiosk and bring the printed note to the classroom before they will be allowed to enter.

HOW DO I EXCUSE AN ABSENCE OR TARDY?
Within 48 hours of returning to school:
- Write a note with date(s) & reason for absence(s) and turn in to the attendance office.
- Email the attendance office directly with the date(s) & reason for absence(s).
- Call the attendance office and speak to an attendance secretary.
- Unacceptable reasons will not be excused and will be noted as “Not Excused”.
- Past absences (absences that have already occurred) cannot be excused by voicemail.

EXCUSED ABSENCES
Students, at times may appropriately be absent from class. The following are valid excuses for absences:
- Participation in a district or school approved activity.
- Illness, health condition or medical appointment for student in question. After 5 days of excused absence for illness, a doctor’s note is required.
- Family emergency
- Observance of a religious or cultural holiday
- Court
- Post-secondary visitation or scholarship interview
- Absence directly related to student homeless status
- School Discipline or corrective action
- Principal and parent/guardian agreed upon activity. May be denied by administrator if absence causes a serious adverse effect on the student’s educational progress.

MID-DAY ABSENCES
Once students have arrived on campus, students are expected to attend all classes, on time. Absences or tardies that take place midday cannot be excused after the fact (i.e. excusing an absence from 2nd period the day after the absence). These types of absences WILL NOT be excused if parents/guardians do not notify the school in advance, or if students do not follow the appropriate checkout procedure.

WILL ABSENCES AFFECT GRADES?
Absences may affect the grade and credit earned for a course depending on each teacher’s syllabus. Each student will receive a copy of the course syllabus and a copy of the syllabus will be posted in the classroom.

WHEN IS A STUDENT MARKED TARDY?
A tardy is defined as a student entering a class after the light has turned off. Students who are tardy will not be allowed to enter class until they present the printed ticket they receive from the tardy kiosk after signing in.
WHAT IF MISTAKES ARE MADE IN TAKING ATTENDANCE?
If a student believes a mistake was made, the student is responsible for talking with the teacher to get a signed note, which he/she takes to the attendance office for clearance.

CAN WORK BE MADE UP AFTER AN ABSENCE?
Yes, but it is the student’s responsibility to make up work for excused absences, school related absences such as field trips, or suspensions. The teacher’s syllabus will explain the makeup policy for that class.

If an absence is excused, the student will be permitted to make up all missed assignments outside of class under reasonable conditions and time limits established. Except in participation-type classes, a student’s grade may be affected because of the students inability to make up the activities conducted during a class period.

Students may be removed from a class or provided a reduced schedule for habitual tardiness or attendance violations.

LEAVING CAMPUS DURING SCHOOL
Student safety is a prime concern at Wenatchee High School. During school hours, students shall not leave campus without a parent / guardian or school authority advance approval. Students shall be in class during all times unless approved in writing by the current teacher or school authority. In the event a student is not feeling well or has a circumstance that requires they leave campus, parent / guardian or school authority must approve the absence prior to the student leaving campus. Students must check out at the attendance office / with the nurse before leaving school in all circumstances except school activities, running start, tech center, or during lunch if student has off campus privileges.

SKIP DAY
Wenatchee High School does not permit a “school skip day” nor “senior skip day”. Students involved in such activities will be regarded as truant from the school and subject to discipline.

STUDENTS ON CAMPUS
Students are to be on campus only at times they have scheduled classes or attending a school sponsored event. Failure to follow this guideline may result in criminal trespass charges. Wenatchee High School will provide supervision for students during school operational hours and school sanctioned events.

CELL PHONES / ELECTRONIC DEVICES
Cell phones and other electronic devices (iPods, headphones, etc.) are allowed at school. WHS has a schoolwide expectation that electronic devices are not permitted during instructional time, unless directed by a teacher. Instructional time is defined as any time in the school day that is not scheduled as passing time, lunch, or before and after school. All phones will be stowed away in designated area at the beginning of each class period. Students will not be permitted to use phones in hallways during instructional time. Students using devices outside the defined times should expect for their phone to be taken to the main office by WHS staff. Students will be able to pick up their phones at the end of the school day.

COMPUTER NETWORK / ACCEPTABLE USE POLICY
Wenatchee School District offers a variety of electronic resources to students and staff. Electronic media (such as the Internet) is a rich resource the value of which overshadows the possibility of undesirable material. As a condition of each user’s right to use any type of computer related electronic media (including Internet) all students must agree to use the system in an acceptable manner, as stated in Board Policy 2022.
SURVEILLANCE EQUIPMENT
Wenatchee High School reserves the right to use surveillance equipment at all times to support the safety of our staff and students within the building which includes the grounds surrounding the school buildings.

PUSH IN STUDENT/ TEACHER SUPPORT
Wenatchee High School values students and staff being able to feel heard and supported by each other. Teachers utilize push in support to assist students in reaching their full potential in the classroom. When a teacher asks for push in support, administrative staff will come to the room to assist in restoring students to remain in the classroom.

RANGE OF SANCTIONS
Corrective Actions or Punishments: As a general rule, the Wenatchee School District expects that each educational site works to improve student behavior prior to removal from school. The following guidelines are in effect for students to establish a range of corrective actions which may be imposed as a consequence of exceptional misconduct on the first offense. The appeal process for Short and Long-Term Suspensions shall remain in effect for Short and Long-Term Suspensions imposed as a result of this procedure. These are guidelines, and certain incidents may require advancing the discipline to align with the severity of the behavior.

➢ Possession or use of alcohol or any controlled substance:
  Minimum = Long-Term Suspension
  Maximum = Expulsion
WSD D/A PROGRESSIVE DISCIPLINE GUIDELINES

These guidelines are intended to provide a measure of consistency among all schools, while permitting flexibility to impose alternatives as circumstances warrant.

I. First Offense:
Possession of drug paraphernalia, possession and/or use of controlled substances, marijuana, alcohol and/or other substances intended to alter mood, or purported controlled substances not taken at the direction of a physician, will be grounds for an Emergency Expulsion to be converted to a Long-Term Suspension.

At the high school level, Long-Term Suspension may be for the remainder of the semester or not to exceed 90 days, whichever is greater, subject to the limitations of WAC 180-40-260(5).

At both high school and middle school levels, the Long-Term Suspension may be reduced/converted to a Short-Term Suspension if the student provides evidence of having scheduled a drug assessment within 24 hours, and having complied with all health care recommendations, and may be accompanied by one or more of the following:

A. Referral to law enforcement agency
B. Referral to prevention intervention specialist/counselor
C. Behavioral contracting
D. Other appropriate alternatives

Failure to complete health care recommendations may be grounds for additional sanctions.

II. Second Offense:
A second offense may result in:

A. Expulsion
B. Long-Term Suspension
C. Referral to law enforcement agency
D. Implementation of additional alternatives
E. Extension of alternatives for first offense

III. Sale or delivery of all drugs, alcohol, controlled substances or purported controlled substances shall be cause for referral to a law enforcement agency, Emergency Expulsion, and recommendation for Expulsion.

IV. Student use of tobacco products is prohibited in district facilities, vehicles, or on district property. Students will be subject to progressive discipline for violation of policy.

RANGE OF SANCTIONS
Wenatchee High School adheres to the school district policy of progressive discipline. The range of sanctions is progressive and repeated offenses in any one category or combination of categories will result in more severe sanctions. Board Policy 3241 and Procedure 3241P.

POLICE AT WHS
WHS is fortunate to have Officer Jerad Reinfeld as our school resource officer. His collaboration with WHS administration is vital in our efforts to increase safety and prevention for students. It is the philosophy and belief of the administration at WHS that the responsibility for dealing with student discipline violations rests with us. Thus, we will make every effort to handle such problems
in-house, according to the policies and procedures established by the district and the school. However, when violations of state laws or municipal ordinances occur, or when students or parents refuse to work within the established policies of the district and school, or where security of person or property appears to be in jeopardy, we will not hesitate to work with police.

**DRUG DETECTION DOG**
A law enforcement dog may be brought onto the campus and into the school periodically for the purpose of detecting drugs. Students will not be told of the time of the inspection. Student lockers and backpacks may be opened when reasonable suspicion exists to warrant such action.

**TECHNICAL DETECTION OF ALCOHOL AND/OR OTHER DRUGS**
Technical detection of alcohol and other drugs is supported by board policy. Breathalyzers, specific devices, and practices will be used when there is reasonable suspicion.

**FOOD AND DRINK**
Food service will be available when classes are not in session. Students are required to clean up after themselves. Throwing food (participation in a food fight) is unacceptable and a safety concern. Any student involved in any way in a food fight will receive disciplinary action. In addition, seniors will not be allowed to participate in the graduation ceremony.

**LUNCH PROCEDURES**
Wenatchee HS has one 45 minute lunch for all students. Juniors or Seniors leaving campus for lunch will exit with proper ID out of the athletics or main doors. Upon return, all students will enter the main entrance with ID visible. Students eating lunch on campus are encouraged to find a comfortable space. Students may eat in the cafeteria, classrooms (w/ teacher supervision), courtyard, or non-carpeted hallways. No food will be allowed in the gym/athletic spaces.

**OPEN / CLOSED CAMPUS**
Wenatchee High School is an open campus at lunch time ONLY for qualified juniors and seniors. Students are NOT to loiter in surrounding areas or in the WHS parking lot during the hours of school operation (6:45 AM – 4:00 PM). The privilege of open campus may be revoked at any time by school administration. Once students have left campus for lunch, they are not the responsibility of Wenatchee High School. Freshman and Sophomores are not to leave campus at lunch, unless they are checked out by a guardian and under the supervision of an adult.

**HALL PASSES**
All students must have a hall pass, specific ID cards, or check out slips to be in the halls. This applies to ASB members, annual and newspaper staff members, teacher’s aides, tech center students, students with early dismissal permission and any student who finds it necessary to enter the halls. Hall passes are not generally permitted the first and last 10 minutes of a class period.

**LOCKER ASSIGNMENTS**
Students are assigned a locker upon request. To request a locker please see the Dean’s Den secretary. Students are responsible for the care and cleanliness of their assigned lockers. Lockers should be kept locked and other students should not be given the combination. The school will not be responsible for articles stolen from your locker, but if you have evidence relating to who stole your property, the school may be of help to you in recovering your stolen item. The lockers are Wenatchee School District property and school officials retain the authority to inspect student lockers (RCW 28A.600.220). Lockers may also be searched when there is reasonable suspicion of inappropriate contents.
FINES AND FEES
Any items issued to a student and/or athlete (i.e. uniforms, locks, class equipment etc) is the responsibility of the student. A fine may be added to a student’s account to recover any lost or damaged school district property. Class fees are assessed and charged to student accounts at the beginning of each semester. Diplomas and transcripts will be withheld until ALL fines or fees are cleared. Athletic clearance may be withheld for students with outstanding fines and fees. Payment plans may be available. Students are encouraged to make arrangements for paying any and all fines with the bookkeeper. In Addition, any school district whose property has been lost or willfully cut, defaced, or injured, may withhold grades, diplomas, and transcripts of the person responsible for the damage or loss (RCW 28A.635.060) until the student or parent/guardian has paid for the damages, unless the student is transferring to another secondary institution, in which case the student’s permanent record shall be released promptly to the receiving school.

DELIVERIES
Personal items such as lunches, books, backpacks, etc. brought for students during the day by a parent/guardian will be held at the front desk. If the student is unaware the items were being brought in, the student’s name will be put on the reader board. Students will be expected to come to the office to pick up their items. In order to reduce classroom interruptions and protect the learning environment, deliveries of personal items will NOT be made to classrooms.

MESSAGES FOR STUDENTS
Student messages will only be accepted from the student’s parent/guardian for emergency situations only. Messages will NOT be delivered to classrooms, unless approved by the principal or designee. Personal arrangements for transportation, appointments, etc. should be made prior to school time. Parents needing to release their student during the school day are asked to send a note in advance or come to the Attendance Office to complete checkout procedures. Phone calls for this purpose are discouraged.

PUBLIC DISPLAY OF AFFECTION
Students are expected to exercise self-control and respect for the reputation of others. Specifically, kissing and inappropriate displays of affection are not allowed. Students are not to sit on each others’ laps, lay on the floor together, or situate themselves in private areas for such affection.

PARKING LOT
A search of a motor vehicle may be made based on reasonable suspicion when related to possible school rules violation. Any student parking on school grounds in an unauthorized area will be cited with a parking ticket and may be towed away without notice at the owner’s expense. Warning signs are posted on campus stating such action may be taken.

PARKING PRIVILEGES
In accordance with WAC 180-40-040 and district policy 3241, school authorities are empowered to supervise and control private transportation of students on the way to and from school, at school and, in addition, requires student-operated vehicles to be registered and parked according to the policy of the school. Those students driving motor vehicles to Wenatchee High School will be required to adhere to the following:

○ Students will be required to park in the front lot only.
○ Parking will be first come first served until parking spots are full.
○ Students may not park in spaces that are marked visitors, handicapped or in the staff lot in the back of the building. Do not park on curbs painted red or yellow. Violations will result in fines, tickets, or the vehicle being towed.
SKATES / SKATEBOARDS, SCOOTERS, WHEELED SHOES, ETC.
Students are prohibited from riding devices including, but not limited to, skates/in-line skates, skateboards, scooters, wheeled shoes etc. at school or school activities. These items are disruptive and present a safety hazard and may be confiscated. This applies to all District properties.

SCHOOL BUSSES
- The driver is in full charge of the bus and pupils. Pupils must obey the driver promptly and willingly. School bus drivers have the authority to discipline students for misconduct related to School District Rules (WAC 392-400.230).
- Students who do not obey the rules of good bus conduct may lose their privilege to ride to and from school on the bus as determined by the building principal or his designee.
- Students are expected to abide by all school rules and behavior expectations while under the supervision of the bus driver.

SIGNS, POSTERS, ANNOUNCEMENTS, AND PRINTED HANDOUTS
The main office must approve signs before they are posted. An individual organization, which sponsors the signs that are posted, is responsible for their removal when the event is over. Any printed handouts must have the approval of the administration. Signs/posters must be posted on bulletin boards only, unless prior approval is given.

VISITOR POLICY
School age visitors are not allowed at Wenatchee High School during the regular school day. Exceptions allowed by the principal in advance on a restricted basis.

TECH CENTER STUDENT EXPECTATIONS
Students who attend the tech center will need to have a tech center sticker on their ID card. Card must be available to show staff at all times. When arriving back from tech center in the morning, students are to remain in the commons or sign in at the library to complete homework. Students are not allowed to be in hallways when they arrive. Also, students who miss the bus to go to tech center will be responsible for their own transportation to tech center. Students must leave campus when their day at WHS is finished. Just a reminder, failure to attend your class at the tech center will be an unexcused absence. You will need to have a parent excuse you directly from the tech center by calling their attendance office, if warranted.
ACADEMICS

INCOMPLETES
Students will have 10 days after the conclusion of each semester in which to complete the work necessary to remove the incomplete status. If the student has not accomplished this step, then the incomplete will automatically convert to an F at the end of the 10 day extension. Special arrangements for special circumstances may be arranged through the teacher and the administration.

PASS/FAIL AGREEMENT
A pass/fail agreement for a class will be considered for students who are experiencing overwhelming circumstances that are impacting their education. Students also receiving special education services have the option to earn a pass/fail grade, if their IEP identifies the accommodation. Students need to see their counselor, or the assistant principal to discuss.

PLAGIARISM
- Fabricating is the phrasing first used by the Columbia University Graduate School of Journalism, the cardinal sin. Faking quotations, faking “facts,” reporting things that did not happen is not only reprehensible, it could be actionable in court.
- All work in every class must be a student’s own original work. Sources must be credited if their ideas, words or information is used. Plagiarism is never acceptable.
- Plagiarizing as defined by Webster, is “to steal and pass off as one’s own the ideas or words of another.” It is unethical and -- in cases involving creative work -- usually illegal.
- Duplicating work is defined as submitting the same work to more than one instructor or publication without the prior knowledge and agreement of both.
- Cheating is using resources prohibited by the teacher on assignments or tests. Providing answers to someone during a test or allowing someone to copy your work will also be considered cheating.
- Consequences:
  - loss of all credit for the assignment, test or activity with no possibility for another attempt
  - parent contact
  - administrator referral
  - possible failure of the course

ASSESSMENT

Wenatchee High School has one full-time nurse located on-site. In the absence of the nurse, first aid will be administered as necessary through the Attendance Office where staff have been trained to respond to emergencies. If the nature of the emergency is severe and staff is unable to reach any parent or emergency contact, an ambulance will be summoned, if appropriate.

Students who become ill at school are to report to the health office with a note from their teacher. Efforts will be made by the health room staff to contact parents/guardians to determine whether the child should be sent home. When students become ill, they are not to leave the school grounds until the nurse’s office has given permission and the student has been checked out at the attendance office.

**MEDICATION AT SCHOOL (PURSUANT TO BOARD POLICY 3416)**

Prescribed and ‘Over the Counter’ medications may be an important component of a student’s wellness plan. To prudently manage student health and safety, Wenatchee School District has placed certain guidelines. This addresses how any medication is used at school. These guidelines will be given to every student each year. You will find the specific guidelines in the back of our handbook.

Briefly:
Prescribed medications taken at school, or that may be stored at school, must have an accompanying Authorization for Medication Administration #SN-02 form completed by the prescribing health care professional. The exception is asthma inhalers, if no backup is provided to the office.

Students in middle and high school may carry a small quantity of ‘Over the Counter’ (OTC) medication equal to a one-day dose, provided their parents have given their child permission to do so. Students in all grades shall be granted permission to self-carry rescue medication provided certain criteria are met.
