

# 2020-2021 Education Benefit Survey

Dear Parent/Guardian:

Schools receive certain federal and state funding (learning assistance programs, teacher incentives, etc.) based on the number of children from households that are at or below the federal poverty level. The Education Benefit Survey provides your child's school a way to collect household income information. This information makes sure your child's school receives the full amount of federal and state funding and makes sure your child receives services they are entitled to when free/reduced price applications are not collected.

It is important that you complete this survey. Please complete and return this form to your school.

Please Complete the information below:

1. **INCOME** is considered to be any taxable income each household member received before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income.
