

## **15 lyrics by Taylor Swift**

You take a deep breath and you walk through the doors  
It's the morning of your very first day  
you say hi to your friends you ain't seen in a while  
Try and stay out of every body's way  
it's your freshman year and you're gonna be here  
for the next four years in this town  
hoping one of those senior boys will wink at you and say  
you know I haven't seen you around, before

**Cause when you're fifteen and somebody tells you they love you  
you're gonna believe them  
and when you're fifteen  
feeling like there's nothing to figure out  
well count to ten, take it in  
this is life before who you're gonna be  
fifteen**

You sit in class next to a redhead named Abigail  
and soon enough you're best friends  
laughing at the other girls who think they're so cool  
well be out of here as soon as we can  
and then you're on your very first date and he's got a car  
and you're feeling like flying  
and you're mama is waiting up and you think he's the one  
and you're dancing round your room when the night ends  
when the night ends

**Cause when you're fifteen and somebody tells you they love you  
you're gonna believe them  
when you're fifteen and your first kiss  
makes your head spin round but  
in your life you'll do things greater than dating the boy on the football team  
but I didn't know it at fifteen**

When all you wanted was to be wanted  
wish you could go back and tell yourself what you know now  
Back then I swore I was gonna marry him someday  
but I realized some bigger dreams of mine  
Abigail gave everything she had to a boy  
who changed his mind and we both cried

**Cause when you're fifteen and somebody tells you they love you  
you're gonna believe them  
and when you're fifteen, don't forget to look before you fall  
I've found time can heal most anything  
and you just might find who you're supposed to be  
I didn't know who I was supposed to be at fifteen**

La la la la la .. la la la la la . La la la la la

**You're very first day  
take a deep breath girl  
take a deep breath as you walk through those doors.**
