

INSIDE Wenatchee Public Schools

Our Community Conversation Continues

We recently invited parents, staff and community members to engage in a virtual 3 step conversation about what we're doing well, where we can improve, and what we might be missing. We're excited to share these results with you.

Response from the community was affirming and is providing a wealth of input to our yearly planning process for reviewing our Wenatchee Learns vision to personalize learning and prepare students with the knowledge and skills for life in the 21st century. We encourage you to dig into the results on the website to see what your community is thinking and feeling.

The time spent by our community to engage in this process is deeply appreciated.

Brian Flones, Superintendent, Wenatchee School District

Our stakeholders appreciate...

Quality teachers and staff
School culture and atmosphere
Academics and programming
Facilities and infrastructure
Athletics programs

Areas we can improve...

Support and engage all learners
School culture and atmosphere
Quality teachers and staff
Facilities and infrastructure
Communication between teacher and parent/student

DISCOVER

Important thoughts were grouped together

Ron Brown,

Director of Instructional Technology, managed the virtual conversation process, called Thoughtexchange.

The results of the Thoughtexchange are available on the Wenatchee School District website. The website includes a tour of the results and helpful suggestions to navigate the site. It includes the ideas and issues for each school, along with the "starred" importance for different topics.

"We will be connecting actions to some of the thoughts in our strategic plan in the coming months," says Brown.

More Thoughtexchange questions will be posted next school year. We invite you to be a part of the continuing dialog. Watch our Wenatchee School District website, sign up for our eNewsletter, like our Facebook page, or call the district office at (509) 663-8161 to join in.

See all the results:

Volunteers who completed the partner application last year **DO NOT** need to reapply.

Back to School Information

Immunization Requirements

Immunization Requirements for the 2015-2016 school year are summarized below. For questions or detailed information please check with your medical provider.

Washington State requires students to be fully immunized before they can attend school. Vaccine exemptions REQUIRE a physician’s signature. The following vaccinations are REQUIRED for school attendance:

HEPATITIS B:

Grades K-12: 3 doses
DTaP/DT/Td/Tdap:
Grade K-12: Five doses (Four doses if last dose given on or after the 4th birthday).

Grades 6-12: One dose of Tdap if student is 11 years old regardless of interval since the last DTaP, DT, or Td.

POLIO (IPV OR OPV)

Grades K-12: Four doses

MMR (MEASLES/MUMPS/RUBELLA)

Grades K-12: Two doses given on or after the 1st birthday.

VARICELLA

Grades K-8 : Two doses given on or after the 1st birthday or health care provider verification of disease.

Grades 9-12: Recommended, but not required.

* In 2016-2017 school year students in grades 9-12 will be required to have 2 doses of Varicella vaccine.*

Two additional vaccines are now available for children, but are not required for school attendance.

MENINGOCOCCAL VACCINE

Meningococcal disease is a rare but serious infection of the brain (meningitis) and blood caused by bacteria. Adolescents and young adults are most likely to get the disease, especially those

who live in a group setting. Talk with your child’s doctor about whether your child should have the vaccine.

The disease can be prevented with good hygiene (i.e. hand-washing and covering sneezes) and not sharing items such as water bottles or lip-gloss. For more information visit the state Department of Health website at www.doh.wa.gov/cfh/Immunize/meningococcal.htm.

HUMAN PAPILLOMAVIRUS VIRUS (HPV)

HPV is a common virus which has many forms, all of which are spread through genital contact. Gardasil is a vaccine that protects against four types of HPV which cause 70 percent of cervical cancers and 90 percent of genital warts. The CDC recommends routine vaccination with GARDASIL for preteen girls and boys ages 11 to 12, and for teens and young adults ages 13 through 26 who have not already been vaccinated.

For more information visit www.doh.wa.gov/cfh/immunize/documents/hpvvaccinefactsheet.pdf.

Questions? Please contact your healthcare provider or visit <http://home.wsd.wednet.edu/?q=content/immunizations>

Career and Technical Education

Wenatchee High School and WestSide High School offer a wide variety of Career and Technical Education (CTE) courses for students. These courses provide hands-on, project-based academic enhancement and skill training for many career or post-secondary training goals. Students will find their STEM connections, equivalency credits for core courses and community college credits among these course offerings. Most courses include a beginning-level course as well as advanced options. See each high school’s on-line Course Description booklet to find the total list of courses and to see if entrance requirements exist for these courses.

CTE courses at Wenatchee High School are: Accounting, Early Childhood Development, Personal Choices, AP Computer Programming, Fashion & Textiles, Photography, Applied Math, Health Occupations, Power Mechanics, AutoCAD, Horticulture, Small Business Management, Biology, Housing & Interior Design, Sports Medicine, Business Computer Applications, Introduction to Business, Tech Lab, Computer Hardware Repair, Introduction to Personal Finance, Technical Writing, Computer Programming, Introduction to Physics/ Chemistry, Veterinary Science, Cross Age Tutor, Marketing, Vocational Graphics, DECA Store Management, Natural Resource Science, Web Design, Drafting, On Your Own, Welding, Graphic Design, Desktop Publishing, (Yearbook and Apple Leaf) and Introduction to Engineering Design.

WestSide High offers these CTE classes: Commercial Art, Introduction to Business, Graphic Design, Life Skills, Information Technology, Service Learning, Intro to Art, Teen Parenting, and Jobs for Washington Graduates JWG.

Back to School Health Fair & Supply Giveaway to Include *Immunizations and Sports Physicals

Columbia Valley Community Health (CVCH) is holding its sixth annual Back to School Health Fair on Saturday, August 8, 2015, from 9am – 12pm in the parking lot of its Wenatchee clinic, located at 600 Orondo Ave. There will be games, art activities, educational experiences and CVCH will provide FREE age-appropriate backpacks to school-aged children.

Over a dozen community organizations are expected to attend, providing educational information about their services and other health-related information. Families can also learn more about Columbia Valley Girls on the Run, the United Way of Chelan & Douglas Counties Youth United program, and the kid-centric programs at CVCH. Kids can play games, enjoy arts and crafts and even visit with Walt from the Wenatchee Wild.

CVCH medical staff will be available to provide “back to school” immunizations and sports physicals in its Wenatchee Express Care Clinic*. Children may become current with their immunizations without an appointment,

but individuals interested in receiving a sports physical during the health fair are encouraged to make an appointment in advance by calling 509.662.6000.

“With a huge grassy area at our disposal, we’re excited to put the ‘health’ back into this event”, says Marlen Mendez, CVCH clinic manager. “Instead of having more than two dozen booths with information for families, we’re going to focus on games that will get kids moving and active. We’re including a few water games to help kids beat the heat or cool down after completing the fun obstacle course. There will be something for everyone.”

There is no cost to attend this community event. Children entering grades K – 12 must be present to receive a free backpack. For more information about the Back to School Health Fair, contact Marlen Mendez at 509.661.3623. Visit <https://cvch.org> for event updates including community partners and resources who will be participating.

***CVCH will bill insurance if available and fees may apply to physicals and immunizations**

Back to School Information

Highly Capable Program

Opportunities for highly capable students are available K-12 in a variety of academic domains. We emphasize curriculum that is appropriately different in pace and complexity. The program offers regular opportunities for students to work with other students of similar (advanced) academic abilities.

All current Wenatchee School District students are automatically considered for HiCap services beginning in Kindergarten. If you believe your child is academically gifted and wish to have your child considered for identification in the Highly Capable student program, please email Kari DeMarco, program coordinator, telling the name of your child, his or her school, and what indicators make you suspect your child is gifted and in need of special programming.

Deadline: Sept. 15, 2015.

Questions? Contact Highly Capable Programs Coordinator Kari DeMarco (509) 663-8161, ext. 33310 or email: demarco.k@wenatcheeschools.org.

The Highly Capable Program Presents a free program for parents of school age, or near school age, children:

What Parents Need to Know About Smart Kids

September 14, 2015, 6:30 pm
Wenatchee High School Auditorium

Many parents are surprised to learn that their child’s unique “quirks” are actually well-studied social and emotional behavior patterns that appear across large populations of highly intelligent children. Learn what’s normal, what to expect as they grow, and why genuine challenge is vitally important for kids’ social and emotional development, as well as developing their academic talents, from the elementary years all the way to high school.

Presented by **Austina De Bonte**, President of NWGCA.org, the Washington state association for families with highly capable children. Austina is available to consult with parents for personalized help finding resources, evaluating school choices, and understanding behaviors. Contact Austina at austinad@hotmail.com.

Nutritional Assistance

If your family is facing homelessness or housing problems special new rules make signing up for free school meals fast and easy. Free breakfast, lunch and after school snacks served through the National School Lunch and School Breakfast programs may be one way to make sure your child can grow and learn. These programs have special new rules that allow children and youth to quickly qualify for free school meals for families facing housing problems and homelessness. No documents or paperwork is required. The program serves children and youth in families with housing or economic problems, or natural disasters that have forced them to: live temporarily with another family; live in a motel, campground or car; live in an emergency, domestic violence or transitional shelter. Or children and youth on their own: living temporarily with another family; living in a motel, campground or car; living in an emergency, transitional or runaway shelter; or awaiting foster care placement due to similar situations previously mentioned. Questions or assistance to sign your child up for free school meals, contact WSD’s liaison **Suzanne Stanton** 663-8161 x33330, or contact any school office staff member.

Dress Policy

The Wenatchee School District’s dress policy prohibits students from wearing clothing that has any associations to weapons, drug use, gangs or violence in any way. The following is a list of clothing or clothing accessory items that have been identified as gang related or associated with violent behavior by local law enforcement. These items may not be worn to school or to any school-related events:

- Playerz 69 (term for a gang member)
- Playboys / Playgirls (in words or the bunny logo)
- Oakland / LA Raiders (gang logo)
- Dallas Cowboys (especially blue)
- 5-pointed star or E. Smith (gang logo)
- Los Angeles Dodgers (gang logo)
- Old English or similar script on any clothing (gang related)
- Number “13” or “14” on jerseys or belt buckles (gang identifier)
- Pictures or graphics of hands showing “sign language” of letters or numbers
- “Smile Now / Cry Later” (in words or theatrical masks – gang slogan)
- Clothing with “ICP”, “Insane Clown Posse”, or any graphics of “Hatchet Man” representing “Insane Clown Posse” (gang and violence related)
- Bandanas or head wraps (especially blue or red, (gang colors)) except those pre-approved by administration for religious reasons
- Belts that have a long, hanging end, or with weapon, drug or gang related markings or symbols on the buckle or along the belt.
- Necklaces, bracelets or rings that contain sharp or pointed spikes or any other attachments that could be used as a weapon (spiked collars, bracelets and rings)
- Eight-ball symbols (drug and gang related)
- Marijuana leaf or any other drugs or drug paraphernalia
- Charms or jewelry depicting any kind of weapons, drug or drug paraphernalia, usually seen on necklaces or ear rings
- Rosary Beads, the church has told us that Rosary Beads are not considered jewelry and should not be worn around the neck like a necklace. Rosary Beads have been associated with gangs nation-wide.

Meals at School

School Breakfast and lunch are available at schools, and a free and reduced-price meal program provides healthy and delicious breakfasts and lunches to children of low-income families. Eligibility is based on income and family size. Students who were eligible for free or reduced-price meals when school ended in 2015 will continue to receive meals at a free or reduced price through early October 2015, but a new application must be completed each year to be considered for a continuation of these benefits.

An application for the new school year will be mailed to your residence in September. Please fill it out and return it as soon as possible to your child’s school, the Nutrition Services office or the District Office. Families with students who are new to the district or to the free and reduced price meals program can apply at any time. Applications are available at your child’s school office, the District Office or the Food Services office at 1001 Circle Street. You can pay for your children’s school meals on-line using your debit or credit card. Visit the WSD home page and click on the quick link: “Pay for school meals” -or go directly to: <http://www.mymealtime.com/>

\$28.00 Secondary	\$46.00 Secondary

School Bus Information

Washington State school buses provide over 700,000 student trips per day and travel over 100 million miles per year. Student transportation has the best safety record for any of the ground-based passenger transportation methods. Wenatchee School District takes great pride in providing the safest form of transportation and service to our community’s children.

Arrive at bus stops: Please have students to the bus stop 5 minutes prior to the scheduled pick up time. Routes and times are subject to change as bus loads and service area may need adjusting once school has started to balance bus loads.

Special needs: Special needs students must preregister with the special needs department prior to riding the buses. Students will receive door to door service wherever feasible. Many specific rules and policies govern the ridership on our special needs buses. Parents will be notified of these regulations once registered.

Basic Ed Students: Students do not need to preregister, but they must use the assigned school bus stop closest to their residence. A list of all students and their contact information will be compiled in the fall of students riding on each of the buses.

Kindergartners and

Preschoolers: Young students must be met at their stop by an adult or older responsible sibling recognized by the bus driver or they will be driven back to the school. Kindergartners have other special rules that vary with each school.

STUDENT TRANSPORTATION has the best safety record for any of the ground-based passenger transportation methods. **WENATCHEE SCHOOL DISTRICT** takes great pride in providing the safest form of transportation and service to our community’s children.

Scheduled Buses: Know the number of your child’s bus and the name of the driver. **Be aware that children may ride buses with different numbers in the morning and afternoon. The location of their bus stops in the morning and the afternoon also may be slightly different, so check the schedules to be sure you know where your children are picked up and dropped off.**

Bus Passes: Students (all ages) are only dropped off at their regularly assigned bus stops. They must have a parent note to obtain a bus pass to

get off at a different stop location. Each school office will write the pass allowing your child to get off at a different stop. Remind your student to arrange for the pass with the school office BEFORE the end of the day.

Prohibited items: State law prohibits certain items on school buses, including all forms of animal life (except Seeing Eye dogs), firearms, weapons, breakable containers (glass) latex balloons, flammables, perfumes and aerosol cans. Long boards are NOT permitted on school buses. Skateboards and scooters MUST be completely secured and encased in a backpack. Key chains attached to backpacks and clothing pose a real safety concern, as they can become tangled in the handrails or step-well area of the bus, causing students to trip. Backpacks and musical instruments should be small carry-on types that can sit on the child’s lap or between their legs on the floor. While loading/unloading the buses any blue-tooth, head phones or ear pieces that could obstruct hearing are prohibited.

Lost items: If something is left behind, drivers normally keep it on the bus so they can return it the next day. You are welcome to call the Transportation office (662-6168) to help locate the lost article or search the lost and found.

Bus Stop Laws: Stop for flashing **RED**. School buses soon will be on the road again, and the WSD Transportation Department reminds all motorists to follow school bus safety procedures:

Motorists must stop when a bus displays its flashing red lights and a stop paddle.

When the overhead lights on a bus flash amber, it means the bus is preparing to stop. Motorists should use caution, but do not have to stop until they see the red lights and stop paddle.

Use extreme caution around school buses. Students are instructed to always look at the bus driver and wait for the signal to cross before they enter the street, but small children have trouble determining the speed or distance of a moving vehicle and may suddenly dart into traffic. Please drive with care around children and expect the unexpected.

See the following pages for the Bus Schedule for 2015/2016. For more information, call the transportation office. Summer hours: 7 a.m. to 2:30 p.m. Regular school hours: 6 a.m. to 5 p.m. Transportation office: 662-6168. MARCIA HAHN is Director of Transportation.
