

Wenatchee's Apple Bowl/Rec Park

The Wenatchee School District requires all users of the Apple Bowl to read and sign off on the Apple Bowl Rules of Use. All coaches and administrators are responsible for reviewing the rules with their assistant coaches, team training and support staff and all team members. WENATCHEE SCHOOL DISTRICT

OUTSIDE FACILITIES GUIDELINES

The following is a list of the rules, procedures, and guidelines that must be followed by all groups and organizations who desire to schedule activities in the Wenatchee School District outside facilities.

RULES, PROCEDURES, AND GUIDELINES

Our grounds crew has a very big job in maintaining all of our outdoor facilities to meet the needs of our school district and of our community users as well. When it comes to working with the district to develop and maintain good fields, we would like to encourage you to help support us in taking care of the fields by respecting the following things:

1. Wenatchee School District facilities belong to the school district and athletic events take priority over community events. If a contest is scheduled or a practice time goes long, the community programs will have to wait. You may obtain HS/MS sport schedules as they become available through the Athletic Office at WHS or the middle school in question. (Please double check the contract and pay attention to dates in which the facility may not be available due to other users, school district functions, Apple Blossom, etc.).
2. No individual is allowed access to areas within the facility other than those listed on the rental agreement. The fields are to be used only for the days and times scheduled within the agreement and any use personal or otherwise will nullify all field privileges with sponsoring group and the organization. You must promptly leave the facility at the end of your contracted time. Any use of unscheduled time or facilities used will be reported and billed to the User group. User groups may not give away or trade scheduled time with other user groups.
3. If your group is designing a schedule of games and contests, please send a copy to the athletic office for our file. If you have special requests attached to a tournament, please notify us in writing at least 2 full weeks before the event.
4. No school equipment can be used without permission from the building administrator.
5. Please respect school district property. Do not allow your group to kick/hit balls continually into fences. When practicing and drilling, please move around and use different areas of the grass and dirt to help the facility look nice. If you utilize the exact same spot of dirt or grass day in and day out, it will eventually get holes, ruts and ruin the area... if you move around regularly, it helps eliminate those problems. Do not drive vehicles on school property.
7. All garbage must be picked up and the fields left in good condition. Please double check that all equipment has been picked up after practice. Soccer goals must be chained and secured to a fence when not in use.
8. The user group is responsible for the conduct of all persons in attendance. Adequate adult supervision of youth groups must be provided and in effective control at all times. The adult in charge of the activity shall immediately attend to horseplay, unruly behavior, and fighting.
9. As per state law, the use of alcoholic beverages, narcotics, tobacco, illegal drugs, profanity, gambling, and unruly conduct or any other unlawful activities on school grounds, within school buildings and on school property is prohibited. Dangerous weapons are not permitted on school property. Glass containers are prohibited.
10. Painting of fields is only acceptable on fields not being used by our school district athletic programs. If you would like to paint, please double check with the athletic office and be sure to use appropriate field paint. Diesel or chemicals to burn lines in the grass is not accepted.
11. Please have your coaches carry a copy of the contract with them to clarify any confusion that may arise over facility use.
12. Please notify the Athletic Office if you are NOT going to be using the facility during your designated time. Notification must take place at least 7 days in advance of the desired changed. If such notification is not made, rental fees will be assessed per the contract. If paid employees show up to work the event, the user group shall be responsible for their actual wage cost, inclusive of overtime and employment taxes. If you do not use the facility on a consistent basis during your contracted time you may have your contract terminated.

I have read the above Wenatchee School District Rules, Procedure, and Guideline Policy regarding use of the school fields. I understand that failure to comply with the above stated policy could result in loss of field privileges.
