

# INCOMING FRESHMEN INFORMATION FOR FAMILIES

## WELCOME CLASS OF 2029!

We believe students succeed when both schools and families participate in their learning. Below is a brief explanation of the resources we have for parents and guardians to stay involved in their student's education. Follow the QR codes for more information about each platform.

### ParentSquare

ParentSquare is the main platform Wenatchee School District uses to communicate with families. To sign in:

1. Open the activation email/text, and activate your account.
2. Create a password and select 'Register'.
3. Confirm your phone number and/or email. A confirmation code will be sent to you. Enter the code to confirm.
4. Confirm your student(s). Use the 'Not My Child' option if a child listed is not associated with your account.
5. Select 'Yes, This is Me' when you have confirmed your contact information and student(s) associated with your account.

### SchoolLinks

SchoolLinks hosts WHS' course catalog and students' after-high-school plans. The course catalog is open to public viewing, but parents/guardians wanting to view their student's career interest areas will need their student's claim code to sign in. To get their code, students can:

1. Sign into their SchoolLinks account.
2. Access the Account Settings by clicking on the gear icon in the top right. In the settings, navigate to the 'Guardians' tab.
3. Click on the green 'View Guardian Instructions' and 'Unique Claim Code' button. Students can copy this code and send it to their parent/guardian.
4. Parents/guardians can enter the link into their browser and be taken to the page where they can claim their student.

Note: The same claim code is used for all guardians.

### Skyward

Stay up to date with your student's grades, attendance, and more. To sign in:

1. Go to [wenatcheeschools.org/whs](http://wenatcheeschools.org/whs) and select 'Skyward Log In' in the quick links.
2. Your User ID is the first 5 letters of your last name and first 3 letters of your first name followed by three zeroes. \*
3. Make sure Login Area is set to 'Family/Student Access' before signing in.
4. Check the top left corner of the homepage to make sure you're viewing information for the correct student. If you have more than one student in the WSD, there will be a drop down menu.
5. A list of options to choose from can be found on the left side of the homepage

\* In the event of duplicate names, the 000 will increase by 1 for each duplicate. Example for sample student Juan Reynosa:  
reynojua000, reynojua001, etc.

### Important Dates

**May 14th:** 6:30 - 7:30 PM

Freshman Engage at Wenatchee High School  
Learn about classes, resources and activities!
