### MUSTANG MESSAGE

Hello Valley families!

As we step into March we are excited about all the learning, growth, and activities happening at Valley. In March we also have the opportunity to celebrate our Classified Staff who gives so much to Valley Academy. Please send them a message to thank them. We are so thankful for all they do for our students and families!

We also have exciting events ahead in March and April. Be sure to check out the full calendar and important updates at the end of the newsletter. I try to keep those updates so that you know any fun and exciting things coming in the future as Spring can be such a busy time.

As always, thank you for your continued partnership in your child's education. Your support makes all the difference in creating a positive and thriving school community.

Wishing you a wonderful month of March! Please let me know if there are any questions or concerns!
