26. Were any unmarked trip hazards observed? If yes, explain _____	Y	N	NA
27. Are existing fall hazards clearly marked? If no, explain: _____	Y	N	NA
28. Were any unmarked fall hazards observed? If yes, explain: _____	Y	N	NA

- |   |   |   |    |
|---|---|---|----|
| 29. Are storage shelves, book shelves and portable closets securely fastened to walls?<br>If no, explain: _____ | Y | N | NA |
| 30. Are eye bath stations present and in working condition where needed?<br>If no, explain: _____               | Y | N | NA |
| 31. Are shower station present and in working condition where needed?<br>If no, explain: _____                  | Y | N | NA |
| 32. Are all eye bath and shower stations being inspected as needed?<br>If no, explain: _____                    | Y | N | NA |
| 33. Are proper use and/or safety rules displayed as needed?<br>If no, explain: _____                            | Y | N | NA |
| 34. Are proper health certificates displayed in food preparation areas?<br>If no, explain: _____                | Y | N | NA |
| 35. Is all food service equipment in a safe operating condition?<br>If no, explain: _____                       | Y | N | NA |
| 36. Are proper food preparation safety rules displayed as required?<br>If no, explain: _____                    | Y | N | NA |
| 37. Is the HVAC system working properly in all areas of the building?<br>If no, explain: _____                  | Y | N | NA |
| 38. Are all chairs, desks and office furniture in good working condition?<br>If no, explain: _____              | Y | N | NA |

**B. SPECIALIZED AREAS (Circle your observation. Use separate sheet as necessary)**

- |  |   |   |    |
|--|---|---|----|
| 1. Are all power tool safety features in place and being used properly?<br>If no, explain: _____                 | Y | N | NA |
| 2. Are pressurized gas cylinders properly marked and stored?<br>If no, explain: _____                            | Y | N | NA |
| 3. Are all welding areas properly equipped with eye protection and welding arc shields?<br>If no, explain: _____ | Y | N | NA |
| 4. Are all welding areas properly ventilated?<br>If no, explain: _____   | Y | N | NA |
| 5. Are all safety signs, procedures and rules posted as required?<br>If no, explain: _____                       | Y | N | NA |
| 6. Are all flammable or hazardous liquids or chemicals stored properly?<br>If no, explain: _____                 | Y | N | NA |

- |   |   |   |    |
|---|---|---|----|
| 7. Are all shower facilities safe and in good working order?<br>If no, explain: _____         | Y | N | NA |
| 8. Are all locker rooms safe from hazards and in good working order?<br>If no, explain: _____ | Y | N | NA |
| 9. Are bleachers in good working order?<br>If no, explain: _____                              | Y | N | NA |
| 10. Are all restrooms safe and in good working order?<br>If no, explain: _____                | Y | N | NA |

**C. OUTDOOR INSPECTION (Circle your observation. Use separate sheet as necessary)**

- |   |   |   |    |
|---|---|---|----|
| 1. Are outside entrances well lighted?<br>If no, explain: _____   | Y | N | NA |
| 2. Are main entrances well marked and maintained?<br>If no, explain: _____  | Y | N | NA |
| 3. Are entrances kept clear of hazards?<br>If no, explain: _____  | Y | N | NA |
| 4. Are building exteriors well lighted?<br>If no, explain: _____  | Y | N | NA |
| 5. Is landscaping trimmed away from windows and doors?<br>If no, explain: _____   | Y | N | NA |
| 6. Are steps and sidewalks in good repair?<br>If no, explain: _____   | Y | N | NA |
| 7. Are building exits and pedestrian traffic way which are adjacent to parking lots well marked, lighted and in good repair?<br>If no, explain: _____ | Y | N | NA |
| 8. Are parking lots clean, marked and in good repair?<br>If no, explain: _____  | Y | N | NA |
| 9. Are speed and traffic control signs and devices adequate in parking lot areas?<br>If no, explain: _____  | Y | N | NA |
| 10. Are play fields, athletic fields and outdoor equipment safe, in usable condition and free from hazards?<br>If no, explain: _____                  | Y | N | NA |
| 11. Are fences adequate and in satisfactory condition?<br>If no, explain: _____   | Y | N | NA |
