

EMPLOYEE-ASSISTANCE PROGRAM

The district will maintain, as revenues permit, a staff assistance program designed to provide support to staff members who are experiencing a job performance problem. An employee program committee may be established to assist in the implementation of this policy and make program recommendations.

A wide range of problems not directly associated with a job function may affect the staff member's job performance. These problems may result from alcohol abuse or alcoholism; other drug abuse; physical, mental, or emotional illness; personal problems such as marital, family, financial, or legal difficulties; or any combination of these problems.

The employee assistance program will provide professional and confidential assistance to staff members and their families seeking assistance.

Participation in the employee assistance program is confidential and will not jeopardize employment or job promotion, nor shall such participation substitute for employer action(s) regarding evaluation, probation, and/or termination as provided for under collective bargaining agreements or board policies. The program will be evaluated on an annual basis.
