## Thanks for Sharing Your Thoughts *We're Listening!*

This spring we invited our school communities to share their thoughts about the progress we have made on our Wenatchee Learns vision, where we can improve, and what the priorities are for the future. We then invited our community to review and prioritize the thoughts of others by placing stars next to the ideas that were most important to them. Our goal was to get a sense of shared values and priorities from our schools and community.

We're excited to report that we had 1,118 individuals respond. Participants shared 3,757 thoughts and assigned 70,849 stars to their top priorities from across the District. We are now in the process of reviewing the wealth of information we received and our next steps will be to include the major themes and priorities within our Wenatchee Learns vision and action steps for the upcoming school year.

We are now ready to share the results with you and we encourage you dig into the information on our website to see what your community is thinking and feeling. If you were one of the many people that participated, we thank you for taking the time to contribute your thoughts and priorities.

~ Brian Fones, Superintendent,

## Pre-School Housed in Newly Modernized Castlerock Location

Special Education and Developmental Pre-School will all be housed together at the newly remodeled Castlerock location at 112 S. Elliott, adjacent to Washington Elementary School. “The pre-school team has been waiting many years to all be located at one spot,” says Special Education Director Trisha Craig. Some of the preschool classes were previously held at a 9th Street location. “We have five classrooms,” says Craig. “Four of them are a combined with both students qualifying for special education services and students with no special education needs. We offer both morning and afternoon sessions with a variety of days available.”

If you would like to know more about our pre-school please call 663-7117. If you are concerned that your child may not be developing in motor, cognition, speech, social, or adaptive skills at the same rate as his peers please call for a free screening of his our her developmental needs.

## Transition House Connects Special Education Students to Community and Independent Living

The Transition House is a Wenatchee School District Special Education program designed to help developmentally delayed students enter the work force. The program serves 18 – 21 year old special education students who want to continue their education after they've completed four years of high school. The Transition House is looking for business and organizations that might be willing to have a student placed in a job or volunteer position. They're also seeking guest speakers to come in and talk with students and parents. For more information call Transition House teacher Mike Dacey at 664-2314 or email [dacey.m@wenatcheeschools.org](mailto:dacey.m@wenatcheeschools.org)

## Career and Technical Education

U.S. Secretary of Education, John B. King, Jr. said, " Career and technical education is not just about preparing some students for successful lives and careers, it's about giving all students the tools to succeed." Career and technical education works for Wenatchee and students nationwide. High School students involved in CTE are more engaged, perform better and graduate at higher rates. The average high school graduation rate for students concentrating in CTE programs is 93 percent, compared to an average national freshman graduation rate of 80 percent. More than 75 percent of secondary CTE concentrators pursued postsecondary education shortly after high school. 81 percent of dropouts say relevant, real-world learning opportunities would have kept them in high school. Wenatchee School District offers CTE courses in all three of the middle schools, Wenatchee High School and West Side High School. These courses provide hands on, project-based skill training for many careers such as; agriculture, business, medical, graphic arts, journalism, engineering, computer science, photography, technology, consumer science and family economics. Students will find STEAM (Science, Technology, Engineering, Art, Math) training, along with equivalency academic credits for high school and Tech Prep community college credits. Most courses include beginning and advanced options. See each school's course catalogue to find a total list of courses and course descriptions. Twenty-seven different teachers offer 47 different courses for students. There is also the opportunity for independent study, job shadows, and internships for advanced students. Some courses offer industry certifications that open the door to employment.

## District and School Academic Status updates

According to OSPI, several of our schools identified as "Focus" schools in 2014-15 school year will continue in this status for the 2016-17 school. The identification resulted from the performance of specific subgroups in reading/mathematics (combined) on State Assessment over a three-year period. Information on OSPI's identification, requirements, and support for designated Focus schools is available at <http://www.k12.wa.us/ESEA/Schools/FocusSchools2015-16.aspx> Additional information about District and school academic status may be found online at the following websites: Office of Superintendent of Public Instruction <http://www.k12.wa.us/> Washington State School Report Card <http://reportcard.ospi.k12.wa.us/summary.aspx?groupLevel=District&schoolId=30&reportLevel=District&yrs=2014-15&year=2014-15>

## Meals at School

School Breakfast and lunch are available at schools, and a free and reduced-price meal program provides healthy and delicious breakfasts and lunches to children of low-income families. Eligibility is based on income and family size. Students who were eligible for free or reduced-price meals when school ended in 2016 will continue to receive meals at a free or reduced price through early October 2016, but a new application must be completed each year to be considered for a continuation of these benefits. An application for the new school year will be mailed to your residence in September. Please fill it out and return it as soon as possible to your child's school, the Nutrition Services office or the District Office. Families with students who are new to the district or to the free and reduced price meals program can apply at any time. Applications are available at your child's school office, the District Office or the Food Services office at 1001 Circle Street. You can pay for your children's school meals on-line using your debit or credit card. To view pre-paid costs per month, and to pre-pay, visit the WSD home page and click on the quick link: "Pay for school meals" -or go directly to: <http://www.mymealtime.com/> Elementary and Secondary Breakfast, Lunch and Milk Prices\* \*Prices have increased slightly over last year. Here are the 2016/2017 prices

## Nutritional Assistance

If your family is facing homelessness or housing problems special new rules make signing up for free school meals fast and easy. Free breakfast, lunch and after school snacks served through the National School Lunch and School Breakfast programs may be one way to make sure your child can grow and learn. These programs have special new rules that allow children and youth to quickly qualify for free school meals for families facing housing problems and homelessness. No documents or paperwork is required. The program serves children and youth in families with housing or economic problems, or natural disasters that have forced them to: live temporarily with another family; live in a motel, campground or car; live in an emergency, domestic violence or transitional shelter. Or children and youth on their own: living temporarily with another family; living in a motel, campground or car; living in an emergency, transitional or runaway shelter; or awaiting foster care placement due to similar situations previously mentioned. Questions or assistance to sign your child up for free school meals, contact WSD’s liaison Suzanne Stanton 663-8161 x33330, or contact any school office staff member.

## Immunization Requirements

Immunization Requirements for the 2016-2017 school year are summarized below. For questions or detailed information please check with your medical provider.

Washington State requires students to be fully immunized before they can attend school. Vaccine exemptions REQUIRE a physician’s signature. The following vaccinations are REQUIRED for school attendance:

**HEPATITIS B:**

Grades K-12: 3 doses

**DTaP/DT/Td/Tdap:**

Grade K-12: Five doses (Four doses if last dose given on or after the 4th birthday).

Grades 6-12: One dose of Tdap if student is 11 years old regardless of interval since the last DTaP, DT, or Td.

**POLIO (IPV OR OPV):**

Grades K-12: Four doses

**MMR (MEASLES/MUMPS/RUBELLA):**

Grades K-12: Two doses given on or after the 1st birthday.

**VARICELLA:**

Grades K-12: Two doses given on or after the 1st birthday or health care provider verification of disease.

**MENINGOCOCCAL VACCINE:**

Meningococcal disease is a rare but serious infection of the brain (meningitis) and blood caused by bacteria. Adolescents and young adults are most likely to get the disease, especially those who live in a group setting. Talk with your child’s doctor about whether your child should have the vaccine.

The disease can be prevented with good hygiene (i.e. hand-washing and covering sneezes) and not sharing items such as water bottles or lip-gloss. For more information visit the state Department of Health website at [www.doh.wa.gov/cfh/Immunize/meningococcal.htm](http://www.doh.wa.gov/cfh/Immunize/meningococcal.htm).

**HUMAN PAPILLOMAVIRUS VIRUS (HPV):**

HPV is a common virus which has many forms, all of which are spread through genital contact. Gardasil is a vaccine that protects against four types of HPV which cause 70 percent of cervical cancers and 90 percent of genital warts. The CDC recommends routine vaccination with GARDASIL for preteen girls and boys ages 11 to 12, and for teens and young adults ages 13 through 26 who have not already been vaccinated.

For more information visit [www.doh.wa.gov/cfh/immunize/documents/hpvvaccinefactsheet.pdf](http://www.doh.wa.gov/cfh/immunize/documents/hpvvaccinefactsheet.pdf).

Questions? Please contact your healthcare provider or contact your school nurse.

## Highly Capable Program

Opportunities for highly capable students are available K-12 in a variety of academic domains. We emphasize curriculum that is appropriately different in pace and complexity. The program offers regular opportunities for students to work with other students of similar (advanced) academic abilities.

All current Wenatchee School District students are automatically considered for HiCap services beginning in Kindergarten. If you believe your child, or one you know, is academically gifted and you wish to have the child considered for identification in the Highly Capable student program, please submit a referral. You would contact the WSD HiCap Program Coordinator at 662-9047, or the HiCap specialist at the child’s school. Include the name of the child, his or her school, and what indicators make you suspect the child is academically gifted and in need of special programming. Suggested deadline: Sept. 30, 2016.

## Dress Policy

The Wenatchee School District’s dress policy prohibits students from wearing clothing that has any associations to weapons, drug use, gangs or violence in any way. The following is a list of clothing or clothing accessory items that have been identified as gang related or associated with violent behavior by local law enforcement. These items may not be worn to school or to any school-related events:

- Playerz 69 (term for a gang member)
- Playboys/Playgirls (in words or the bunny logo)
- Oakland/LA Raiders (gang logo)
- Dallas Cowboys (especially blue)
- 5-pointed star or E. Smith (gang logo)
- Los Angeles Dodgers (gang logo)
- Old English or similar script on any clothing (gang related)
- Number “13” or “14” on jerseys or belt buckles (gang identifier)

- Pictures or graphics of hands showing “sign language” of letters or numbers
- “Smile Now/Cry Later” (in words or theatrical masks – gang slogan)
- Clothing with “ICP”, “Insane Clown Posse”, or any graphics of “Hatchet Man” representing “Insane Clown Posse” (gang and violence related)
- Bandanas or head wraps (especially blue or red, (gang colors)) except those pre-approved by administration for religious reasons
- Belts that have a long, hanging end, or with weapon, drug or gang related markings or symbols on the buckle or along the belt.
- Necklaces, bracelets or rings that contain sharp or pointed spikes or any other attachments that could be used as a weapon (spiked collars, bracelets and rings)
- Eight-ball symbols (drug and gang related)
- Marijuana leaf or any other drugs or drug paraphernalia

- Charms or jewelry depicting any kind of weapons, drug or drug paraphernalia, usually seen on necklaces or ear rings
- Rosary Beads, the church has told us that Rosary Beads are not considered jewelry and should not be worn around the neck like a necklace. Rosary Beads have been associated with gangs nation-wide.

# School Bus Information

Washington State school buses providSchool Bus Information Washington State school buses provide over 700,000 student trips per day and travel over 100 million miles per year. Student transportation has the best safety record for any of the ground-based passenger transportation methods. Wenatchee School District takes great pride in providing the safest form of transportation and service to our community’s children.

**Arrive at bus stops:** Please have students to the bus stop 5 minutes prior to the scheduled pick up time. Routes and times are subject to change as bus loads and service area may need adjusting once school has started to balance bus loads.

**Special needs:** Special needs students must preregister with the special needs department prior to riding the buses. Many specific rules and policies govern the ridership on our special needs buses. Parents will be notified of these regulations once registered.

**Basic Ed Students:** Students do not need to preregister, but they must use the assigned school bus stop closest to their residence. A list of all students and their contact information will be compiled in the fall of students riding on each of the buses.

**Kindergartners and Preschoolers:** New this year, Transportation

Release forms are required. Students must be met at their bus stop by an adult or responsible sibling which will need to be listed on the release form, or they will be returned back to the school. The forms will be available at the schools and from the bus drivers.

**Scheduled Buses:** Know the ROUTE number of your child’s bus

Student transportation has the best safety record for any of the ground-based passenger transportation methods. Wenatchee School District takes great pride in providing the safest form of transportation and service to our community’s children.

and the name of the driver. The ROUTE number will be displayed on the side of each bus. Be aware that children may ride buses with different ROUTE numbers in the morning and afternoon. The location of their bus stops in the morning and the afternoon also may be slightly different, so check the schedules to be sure you know where your children are picked up and dropped off.

**Bus Passes:** Students (all ages) are only dropped off at their regularly assigned bus stops. They must have a parent note to obtain a bus pass to get off at a different stop location. Each school office will write the pass allowing your child

to get off at a different stop. Remind your student to arrange for the pass with the school office BEFORE the end of the day.

**Prohibited items:** State law prohibits certain items on school buses, including all forms of animal life (except Seeing Eye dogs), firearms, weapons, breakable containers (glass) latex balloons, flammables, perfumes and aerosol cans. Long boards are NOT permitted on school buses. Skateboards and scooters MUST be completely secured and encased in a backpack. Key chains attached to backpacks and clothing pose a real safety concern, as they can become tangled in the handrails or step-well area of the bus, causing students to trip. Backpacks and musical instruments should be small carry-on types that can sit on the child’s lap or between their legs on the floor. While loading/unloading the buses any blue-tooth, head phones or ear pieces that could obstruct hearing are prohibited.

**Lost items:** If something is left behind, drivers normally keep it on the bus so they can return it the next day. You are welcome to call the Transportation office (662-6168) to help locate the lost article or search the lost and found.

**Bus Stop Laws:** Stop for flashing RED. School buses soon will be on the road again, and the WSD Transportation Department reminds all motorists to follow school bus

- safety procedures:
- ★ Motorists must stop when a bus displays its flashing red lights and a stop paddle.
  - ★ When the overhead lights on a bus flash amber, it means the bus is preparing to stop. Motorists should use caution, but do not have to stop until they see the red lights and stop paddle.
  - ★ Use extreme caution around school buses. Students are instructed to always look at the bus driver and wait for the signal to cross before they enter the street, but small children have trouble determining the speed or distance of a moving vehicle and may suddenly dart into traffic. Please drive with care around children and expect the unexpected.

Student transportation has the best safety record for any of the ground-based passenger transportation methods.

Wenatchee School District takes great pride in providing the safest form of transportation and service to our community’s children.

See the following pages for the Bus Schedule for 2016/2017. For more information, call the transportation office. Summer hours: Mon-Thurs 7 a.m. to 2:30 p.m. Regular school hours: Mon-Fri 6 a.m. to 5 p.m. Transportation office: 662-6168.
