ASVAB Interpretation - Friday January 20th

All juniors were required to take the ASVAB Career Aptitude Assessment back in November or December. We will be interpreting these results on Friday January 20th throughout the day.

- Juniors are to report to the WHS Auditorium during their US History/American Studies class.

- Sophomore AVID students who took the assessment will report to the auditorium during their AVID class period.

-Running Start Juniors, all other Juniors not in a U.S. History class and Seniors may come to any class period on Friday and check in to get the results.

If you have any question please see your counselors. Those juniors who did not take the ASVAB will be directed to the Career Center to take the alternative test.

STAMP Test

January 27th 12:00 p.m. in the LGI

Please register and pay \$17.50 in the ASB Office.

(This is a 1/2 day for students - no classes will be missed)

SCHEDULE CHANGES

Starting January 17th through the 23th, the counseling office will have schedule change request forms available for students wanting to make changes to their 2nd semester schedules. During this time, students can fill out and submit a form with details of the changes they are wanting to make. Students are only allowed to submit the forms once, so make sure to take your time and be detailed & specific. If you have any questions, please check in with the counseling office.

The baby ad deadline for the yearbook has been extended to January 20. To access the forms, go to the W.H.S. Website or the main office. All pricing and contact information is in the handout.

Did you miss out on last year's yearbook because it sold out? Well, as it turns out we have some extras! If you are interested in purchasing a 2015-16 yearbook, contact Tami Walters in the ASB office. The cost is \$49 and there is a limited supply.

Additional Notes:

Attention all college-bound procrastinators! You're in luck because the Washington Student Achievement Council has removed the October 31st deadline for filing the FAFSA and WASFA. However, they are encouraging all eligible students to file as soon as possible! If you need help, please see Mrs. Phillips or Mrs. Prater in the Career Center.

THE HOMEWORK CENTER IS OPEN!
