INSIDE Wenatchee Public Schools

Our Community Conversation Continues

We recently invited parents, staff and community members to engage in a virtual 3 step conversation about what we're doing well, where we can improve, and what we might be missing. We're excited to share these results with you.

Response from the community was affirming and is providing a wealth of input to our yearly planning process for reviewing our Wenatchee Learns vision to personalize learning and prepare students with the knowledge and skills for life in the 21st century. We encourage you to dig into the results on the website to see what your community is thinking and feeling.

The time spent by our community to engage in this process is deeply appreciated.

Immunization Requirements

Immunization Requirements for the 2015-2016 school year are summarized below. For questions or detailed information please check with your medical provider.

HEPATITIS B:

Grades K-12: 3 doses DTaP/DT/Td/Tdap:

Grade K-12: Five doses (Four doses if last dose given on or after the 4th birthday).

Grades 6-12: One dose of Tdap if student is 11 years old regardless of interval since the last DTaP, DT, or Td.

Two additional vaccines are now available for children, but are not required for school attendance.

MENINGOCOCCAL VACCINE

Meningococcal disease is a rare but serious infection of the brain (meningitis) and blood caused by bacteria. Adolescents and young adults are most likely to get the disease, especially those who live in a group setting. Talk with your child's doctor about whether your child should have the vaccine.

The disease can be prevented with good hygiene (i.e. hand-washing and covering sneezes) and not sharing items such as water bottles or lip-gloss. For more information visit the state Department of Health website at www.doh.wa.gov/cfh/Immunize/meningococcal.htm.

HUMAN PAPILLOMAVIRUS VIRUS (HPV)

HPV is a common virus which has many forms, all of which are spread through genital contact. Gardasil is a vaccine that protects against four types of HPV which cause 70 percent of cervical cancers and 90 percent of genital warts. The CDC recommends routine vaccination with GARDASIL for preteen girls and boys ages 11 to 12, and for teens and young adults ages 13 through 26 who have not already been vaccinated.

Back to School Health Fair & Supply Giveaway to Include *Immunizations and Sports Physicals

Columbia Valley Community Health (CVCH) is holding its sixth annual Back to School Health Fair on Saturday, August 15, 2015, from 9am – 12pm in the parking lot of its Wenatchee clinic, located at 600 Orondo Ave. There will be games, art activities, educational experiences and CVCH will provide FREE age-appropriate backpacks to school-aged children.

Over a dozen community organizations are expected to attend, providing educational information about their services and other health-related information. Families can also learn more about Columbia Valley Girls on the Run, the United Way of Chelan & Douglas Counties Youth United program, and the kid-centric programs at CVCH. Kids can play games, enjoy arts and crafts and even visit with Walt from the Wenatchee Wild.

CVCH medical staff will be available to provide "back to school" immunizations and sports physicals in its Wenatchee Express Care Clinic*. Children may become current with their immunizations without an appointment,

but individuals interested in receiving a sports physical during the health fair are encouraged to make an appointment in advance by calling 509.662.6000.

"With a huge grassy area at our disposal, we're excited to put the 'health' back into this event", says Marlen Mendez, CVCH clinic manager. "Instead of having more than two dozen booths with information for families, we're going to focus on games that will get kids moving and active. We're including a few water games to help kids beat the heat or cool down after completing the fun obstacle course. There will be something for everyone."

There is no cost to attend this community event. Children entering grades K-12 must be present to receive a free backpack. For more information about the Back to School Health Fair, contact Marlen Mendez at 509.661.3623. Visit https://cvch.orgfor event updates including community partners and resources who will be participating.

*CVCH will bill insurance if available and fees may apply to physicals and immunizations

Highly Capable Program

Opportunities for highly capable students are available K-12 in a variety of academic domains. We emphasize curriculum that is appropriately different in pace and complexity. The program offers regular opportunities for students to work with other students of similar (advanced) academic abilities.

All current Wenatchee School District students are automatically considered for HiCap services beginning in Kindergarten. If you believe your child is academically gifted and wish to have your child considered for identification in the Highly Capable student program, please email Kari DeMarco, program coordinator, telling the name of your child, his or her school, and what indicators make you suspect your child is gifted and in need of special programming.

Deadline: Sept. 15, 2015.

Questions? Contact Highly Capable Programs Coordinator Kari DeMarco (509) 663-8161, ext. 33310 or email: demarco.k@ wenatcheeschools.org.

The Highly Capable Program Presents a free program for parents of school age, or near school age, children:

What Parents Need to Know About Smart Kids

September 14, 2015, 6:30 pm Wenatchee High School Auditorium

Many parents are surprised to learn that their child's unique "quirks" are actually well-studied social and emotional behavior patterns that appear across large populations of highly intelligent children. Learn what's normal, what to expect as they grow, and why genuine challenge is vitally important for kids' social and emotional development, as well as developing their academic talents, from the elementary years all the way to high school.

Presented by Austina De Bonte, President of NWGCA.org, the Washington state association for families with highly capable children. Austina is available to consult with parents for personalized help finding resources, evaluating school choices, and understanding behaviors. Contact Austina at austinad@hotmail.com.

Meals at School

School Breakfast and lunch are available at schools, and a free and reduced-price meal program provides healthy and delicious breakfasts and lunches to children of low-income families. Eligibility is based on income and family size. Students who were eligible for free or reduced-price meals when school ended in 2015 will continue to receive meals at a free or reduced price through early October 2015, but a new application must be completed each year to be considered for a continuation of these benefits.

Please fill it out and return it as soon as possible to your child's school, the Nutrition Services office or the District Office. Families with students who are new to the district or to the free and reduced price meals program can apply at any time. School Bus Information

Washington State school buses provide over 700,000 student trips per day and travel over 100 million miles per year. Student transportation has the best safety record for any of the ground-based passenger transportation methods. Wenatchee School District takes great pride in providing the safest form of transportation and service to our community's children.

Arrive at bus stops: Please have students to the bus stop 5 minutes prior to the scheduled pick up time. Routes and times are subject to change as bus loads and service area may need adjusting once school has started to balance bus loads.

Special needs: Special needs students must preregister with the special needs department prior to riding the buses. Students will receive door to door service wherever feasible. Many specific rules and policies govern the ridership on our special needs buses. Parents will be notified of these regulations once registered.

Basic Ed Students: Students do not need to preregister, but they must use the assigned school bus stop closest to their residence. A list of all students and their contact information will be compiled in the fall of students riding on each of the buses.

Kindergartners and

Preschoolers: Young students must be met at their stop by an adult or older responsible sibling recognized by the bus driver or they will be driven back to the school. Kindergartners have other special rules that vary with each school.

STUDENT TRANSPORTATION has the best safety record for any of the ground-based passenger transportation methods.

WENATCHEE SCHOOL DISTRICT takes great pride in providing the safest form of transportation and service to our community's children.

Scheduled Buses: Know the number of your child's bus and the name of the driver. Be aware that children may ride buses with different numbers in the morning and afternoon. The location of their bus stops in the morning and the afternoon also may be slightly different, so check the schedules to be sure you know where your children are picked up and dropped off.

Bus Passes: Students (all ages) are only dropped off at their regularly assigned bus stops. They must have a parent note to obtain a bus pass to

get off at a different stop location. Each school office will write the pass allowing your child to get off at a different stop. Remind your student to arrange for the pass with the school office BEFORE the end of the day.

Prohibited items: State law prohibits certain items on school buses, including all forms of animal life (except Seeing Eye dogs), firearms, weapons, breakable containers (glass) latex balloons, flammables, perfumes and aerosol cans. Long boards are NOT permitted on school buses. Skateboards and scooters MUST be completely secured and encased in a backpack. Key chains attached to backpacks and clothing pose a real safety concern, as they can become tangled in the handrails or step-well area of the bus, causing students to trip. Backpacks and musical instruments should be small carry-on types that can sit on the child's lap or between their legs on the floor. While loading/unloading the buses any blue-tooth, head phones or ear pieces that could obstruct hearing are prohibited.

Lost items: If something is left behind, drivers normally keep it on the bus so they can return it the next day. You are welcome to call the Transportation office (662-6168) to help locate the lost article or search the lost and found.

Bus Stop Laws: Stop for flashing RED. School buses soon will be on the road again, and the WSD Transportation Department reminds all motorists to follow school bus safety procedures:

Motorists must stop when a bus displays its flashing red lights and a stop paddle.

When the overhead lights on a bus flash amber, it means the bus is preparing to stop. Motorists should use caution, but do not have to stop until they see the red lights and stop paddle.

Use extreme caution around school buses. Students are instructed to always look at the bus driver and wait for the signal to cross before they enter the street, but small children have trouble determining the speed or distance of a moving vehicle and may suddenly dart into traffic. Please drive with care around children and expect the unexpected.

See the following pages for the Bus Schedule for 2015/2016. For more information, call the transportation office. Summer hours: 7 a.m. to 2:30 p.m. Regular school hours: 6 a.m. to 5 p.m. Transportation office: 662-6168. MARCIA HAHN is Director of Transportation.

Wenatchee School District 246

Wenatchee Schools

Improving the Academic Achievement of the Disadvantaged

Title I of the Elementary and Secondary Education Act of 1965 is a federal program that insures that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

The Wenatchee School District has nine schools that qualify for Title I funding: Columbia, Lewis & Clark, Abraham Lincoln, John Newbery, and Mission View elementary schools, along with Orchard, Pioneer and Foothills middle schools. At the beginning of each school year the district must notify parents of children enrolled in schools receiving Title I Part A funds that they can request the following information regarding the instructional staff who work with their children:

- ◆ Whether or not the child's teacher has met state certification for the grades and /or subjects he or she is teaching;
- ♦ Whether or not the teacher is working with an emergency or conditional certificate where state certification criteria has been waived;
- ◆ The baccalaureate (BA) degree major of the teacher and any other graduate certification or degree held, including field of discipline of the certificate or degree;
- ♦ Whether the child receives instructional services from a paraprofessional, and if so, his or her qualifications.

In addition, each Title I school is required to notify parents individually when their child has been assigned to or has been taught for four or more consecutive weeks by a teacher who does not meet the highly qualified definition set by No Child Left Behind. For more information call Nancy Duffey, Director of State and Federal Programs at 662-9634 or Lisa Turner, Director of Human Resources at 663-8161.

Inside Wenatchee Schools is a newspaper published quarterly by the Wenatchee School District Communications Office, Teri Fink, Editor (509) 663-8161. The Wenatchee School District complies with all federal and state rules and regulations and does not discriminate on the basis of sex, race, creed, religion, color, national origin, age, honorably discharged veteran or military status, sexual orientation including gender expression or identity, the presence of any sensory, mental, or physical disability, or the use of a trained dog guide or service animal by a person with a disability in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. This holds true for all staff and for students who are interested in participating in educational programs and/or extracurricular school activities. Inquiries may be directed to RCW Officer, Title IX and ADA Coordinator Lisa Turner. Issues related to 504 should be directed to Mark Helm, Executive Director of Student & Support Services. "Dentro las Escuelas de Wenatchee" está disponsible en español en las escuelas de Wenatchee o en la oficina del distrito o llame (509) 663-4598.
