

CCC Program Outcomes – Updated 2/12/19

Occupational Division--Business

Upon successful completion of the general education requirements and the suggested program requirements for an Associate Degree the student shall:

1. Analyze and evaluate business and economic trends and concepts.
2. Interpret reported data and apply to decision making.
3. Utilize oral, written, and listening skills to effectively interact with others in the business environment.
4. Use mathematical concepts to analyze and evaluate financial data.
