

Delayed 21-22 FAFSA Processing

Dear CCC Students,

Coffeyville Community College is in the process of switching to a new software system that will provide a greater benefit to our students. In the future, students will have access to a student portal and mobile application that will provide students access to all institutional information in one place. Unfortunately, our transition will delay the institution's internal processing of the 2021 FAFSA until February.

If you have already completed 21-22 FAFSA with the CCC school code (001910), the institution will receive the student's FAFSA. Once you submit your FAFSA, you will receive an estimated award amount for the Pell Grant and student loan eligibility on your submission confirmation page. This will be your **PENDING** financial aid for the 21-22 award year.

The Financial Aid Office will contact you and identify what is required to finish your financial aid for the 21-22 academic school year. CCC's Financial Aid deadline is July 1st; students who have filed and submitted their FAFSA by the deadline will be reviewed prior to classes beginning. If you have not filed your FAFSA yet, please do so. Attached are the instructions on how to complete your application. If you have any questions, please contact our office at faquestions@coffeyville.edu.

Sincerely,

Robin Adamson

Director of Financial Aid
