

CCC Program Outcomes – Updated 9/3/15

Fine Arts Division--Theatre

Upon successful completion of the general education requirements and the suggested program requirements for an Associate Degree the student will:

1. Be familiar with theatre vocabulary and different forms of theatre
2. Be prepared to audition and act professionally (Performance/Tech)
3. Comprehend how to build and design scenery for different stages
4. Understand other technical positions and responsibilities in theatre
5. Demonstrate and recognize how to write a well written script and analyze it
6. Discuss the techniques of improvisation, acting and character development through acting methods/periods (Games/sketches)
7. Recognize how to dissect a play in beats along with blocking and characterization and apply it to the stage with directing
