

Dear Parents/Guardians,

June 2017

Welcome to Mrs. Mulder's 3A Class! I am so excited to teach your child this coming school year. Here are a few things to remember about 3rd grade:

The school day begins at 8:45 and dismisses at 3:45. Our time to learn together is precious, please make every effort to schedule doctor appointments and other commitments outside of our school day. There are many times when learning takes place in the form of classroom discussions, activities, etc. that are not easily replicated for a student to make up when they are absent or tardy.

The first day of school is Tuesday, August 29

Every student will be given the following to use throughout the school year:

- crayons, folders, scissors, rulers, glue sticks and pencils

The following are supplies that we would like for you to send with your child, if possible:

- a pencil box, 3 spiral bound wide ruled notebooks, and a durable 2 pocket folder (please let me know if there are circumstances which would prevent your child from having these at the start of the school year).

It would be greatly appreciated if you donated any of the following items for our classroom use as well:

- 2 boxes of kleenex, ziploc baggies (gallon size) and 1 container of disinfectant wipes

As Forest Grove Elementary continues to grow, many times students will be asked to share lockers so that everyone has somewhere to hold their belongings. Please consider this when purchasing a backpack/schoolbag for this fall. The ones with wheels tend to be too wide and do not fit well in our lockers.

One thing we would like the students to leave at home is individual pencil sharpeners. We've found that using our classroom sharpeners keeps desks cleaner and helps the floors stay looking great.

Please feel free to contact me via email at kmulder@hpseagles.net with any questions you may have.

Have a great summer — Mrs. Mulder!
