Create an Account

Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)

Create Account

Step 1:

Log into the Parent Portal:

<https://powerschool.hudsonville.k12.mi.us/public>

Step 2:

Note the “Create An Account” option shown at the bottom of the screen. Click the “Create Account” button.

Create Parent Account

First Name
Last Name
Email
Desired Username
Password
Re-enter Password

Password must:
•Be at least 5 characters long

Step 3:

On the next screen, complete the Parent Account information. The email address indicated is where reports will be sent. Note that when entering a password, the “strength meter” will indicate the security strength of the password.

Step 4:

Locate the “Link Students To Account” section (directly below Parent Account). Enter the student name, the access ID and password provided by the school district, as well as your relationship to the child. Note that the student name needs to match the name within the school records.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

Student Name	Access ID	Access Password	Relationship
1.			-- Choose
2.			-- Choose
3.			-- Choose
4.			-- Choose
5.			-- Choose
6.			-- Choose
7.			-- Choose

Enter

Step 5:

Once you have entered the name, ID/password and relationship for each of your children, click the Enter button.

Step 6:

On the next screen, log into Parent Viewer using the username and password you just created. Click “Sign In”.
