Information for Parents/Guardians/Youth McKinney-Vento Homeless Assistance Act

If your family lacks a fixed, regular and adequate nighttime residence and is forced to live in any of the following situations:

- Sharing the housing of other persons due to loss of housing, economic hardship, or similar reason (example: evicted from home, etc).
- In a motel, hotel, campground or similar setting due to lack of alternative adequate accommodations.
- In an emergency or transitional shelter.
- Have a primary nighttime residence that is not designed for, or ordinarily used as, a regular sleeping accommodation for humans (car, park, public space, abandoned building, substandard housing, bus or train station, or a similar setting).

Then your children have the right to:

- Assistance with documentation to enroll in school.
- Choose between the local school where you are living or the school last attended before becoming homeless, when feasible.
- Receive transportation to school.
- Attend school and participate in school programs with children who are not homeless. Children cannot be separated from the regular school programs because they are homeless.
- Receive all the school services available to other students.
