

COVID-19 DASHBOARD DATA FOR MAY 1, 2021

Hudsonville Public Schools will share an updated COVID-19 Dashboard graphic every day. Personal information will not be given.

When HPS administrators receive notification of a positive case, they contact the Ottawa County Health Department who will trace, and directly communicate with those in close contact of that person. HPS will notify the school family of the case and the actions taking place.

HUDSONVILLE PUBLIC SCHOOLS

District Schools with Confirmed/Probable COVID Cases

	New + cases	+ cases in isolation*	Students & staff in quarantine	Cumulative cases since August 24
