

# Breast Pump Vendors

## Breast Pumps

---

Breast pumps are covered under the Durable Medical Equipment (DME) benefit for FCPS active employees. If you use one of the in-network vendors, it will be paid at 100%. If using an out of network vendor, it will be paid at 100% of eligible expenses.

National Ancillary DME breast pump providers will ship the breast pump directly to the member. Members can order breast pumps no more than 30 days in advance of delivery.

### **In-Network National providers for non-hospital grade double electric breast pumps**
