 RE: Non-Resident Pupil Tuition Rates

The following schedule of non-resident tuition rates have been calculated using operating budget appropriations and projected enrollment figures for FY-19. This schedule should be used when advising non-resident parents and pupils of their financial responsibility in seeking admission to a Frederick County Public School.

Please remember all out-of-state and out-of-county non-resident students are to be routed through the Director of Student Services. Only out-of-district applications are directed to your pupil personnel worker.
