Coverage Amount Needed

Your family has a unique set of circumstances and financial demands. To help you figure out the amount of Additional Life insurance you may need to protect your loved ones, The Standard has created a Life Insurance Needs Calculator found at: <http://www.standard.com/lifeneeds>.

Employee Coverage Effective Date

To become insured, you must satisfy the eligibility requirements listed above, serve an eligibility waiting period, receive medical underwriting approval (if applicable), agree to pay premium, and be actively at work (able to perform all normal duties of your job) on the day before the scheduled effective date of insurance.

If you are not actively at work on the day before the scheduled effective date of insurance including Dependents Life insurance, your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

Please contact your human resources representative for more information regarding these requirements that must be satisfied for your insurance to become effective.

Life and AD&D Age Reductions

Your, and your spouse’s coverage amount does not reduce due to age.

Life Insurance Exclusions

This plan contains an exclusion for death resulting from suicide or other intentionally self-inflicted injury. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death. This is subject to state variations.

Life Insurance Features and Benefits

Please see your human resources representative for additional information about the features and benefits below.

- Accelerated Benefit** If you become terminally ill, you may be eligible to receive up to 75 percent of your combined Basic and Additional Life benefit to a maximum of \$500,000.

Additional AD&D Insurance Benefit Schedule

The amount of the Additional AD&D benefit for loss of your, or your spouse’s life is equal to the amount payable for your Additional Life or your spouse’s life benefit on the date of the accident. The amount of the Additional AD&D benefit for other covered losses is a percentage of the amount payable for the Additional AD&D benefit on the date of the accident as shown below.

Loss:	Percentage Payable:
Loss of Life ¹	100%
One hand or one foot ²	50%
Sight in one eye, speech, or hearing in both ears	50%
Two or more of the losses listed above	100%
Thumb and index finger of the same hand ³	25%
Quadriplegia	100%
Hemiplegia	50%
Paraplegia	50%

¹ Including loss of life by accidental exposure to adverse weather conditions or disappearance if the disappearance is caused by an accident that could have reasonably resulted in your death.

² Even if the severed part is surgically re-attached. This benefit is not payable if an Additional AD&D benefit is payable for Quadriplegia, Hemiplegia, or Paraplegia involving the same hand or foot.

³ This benefit is not payable if an Additional AD&D benefit is payable for the loss of the entire hand.

The loss must be caused solely and directly by an accident and occurs independently of all other causes, within 365 days after the accident. Loss of life must be evidenced by a certified copy of the death certificate. All other losses must be certified by a physician in the appropriate specialty as determined by The Standard. No more than 100 percent of the AD&D benefit will be paid for all losses resulting from one accident.
