IMPORTANT INFORMATION
for Parents/Guardians and Health Care Providers

1. Parent/guardian responsibilities:
 - a. Provide and maintain all equipment and supplies for the duration of the treatment order.
 - b. The parent/guardian must provide new supplies prior to expiration date(s).
2. The parent/guardian or student may demonstrate how to administer the treatment to the staff person who will monitor or administer the treatment and provide information regarding potential adverse effects.
3. Student Self-Administer Treatment:
 - a. The health care provider and registered nurse must indicate whether the student is competent to self- administer treatment, if needed.
 - b. If competent to self-administer, the registered nurse will work with the student and parent/guardian to develop a *Plan for Medication/Treatment Management Outside the Health Room.*
4. The registered nurse must review and approve this form prior to administration.
