

## Walk-In Behavioral Health Services

MHA's Walk-in Behavioral Health Services has an alternative online telehealth platform for clients to access instead of face-to-face sessions. This option is available to those who may be ill or who are unable to meet face-to-face for an extended period of time. The program, and the services it provides, remains the same in all other aspects; we will still provide comprehensive safety/wellness planning, resource information, and referrals as appropriate.

To access: Go to [www.fcmha.org](http://www.fcmha.org) and click on the **yellow banner** at the top to access our intake form for the service. After completing and submitting the form, you will be redirected to the virtual platform. This can be accessed via computer, tablet, or smart phone (must have access to internet/cellular data).

### **Hours:**

MHA's Virtual Walk-in Behavioral Health Service is operational  
**10am-10pm M-F, and 10am-6pm on the weekends.**

**For telephone support: Call 211**
